Section 214 and 310(d) applications and petition for declaratory ruling under Section 310(b)(4) related to transfer of control of Guam Cellular to DoCoMo Guam Holdings, Inc. ("DoCoMo Guam"), and the assignment of certain wireless assets of Guam Wireless to Guam Cellular, as controlled directly by DoCoMo Guam

Dear Ms. Dortch:

The Department of Justice ("DOJ"), including the Federal Bureau of Investigation ("FBI"), with the concurrence of the Department of Homeland Security ("DHS"), requests that the Federal Communications Commission ("Commission") defer action on the applications of DoCoMo Guam Holdings, Inc., to assign domestic and international authorizations under Sections 214 and 310(d) of the Telecommunications Act of 1934 to DoCoMo Guam and Guam Cellular and to issue the related declaratory ruling under Section 310(b)(4) until such time as DOJ, FBI, and DHS (i) notify the Commission that any potential national security, law enforcement, and public safety issues raised by the applications have or have not been resolved, and (ii) on that basis, request appropriate action by the Commission. Necessarily, DOJ, FBI, and DHS also request that the Commission remove the applications from streamlined processing.

After receiving notice of the applications, DOJ, FBI, and DHS have been in contact with the applicants to obtain information relating to national security, law enforcement, and public safety issues. DOJ, FBI, and DHS will advise the Commission promptly upon completion of our review.

Thank you for your consideration.

Sincerely,

Laura H. Parsky
