**REQUEST FOR REVIEW**

Pursuant to Sections 54.719(c) and 54.721 of the Federal Communications Commission ("Commission" or "FCC") rules, 47 C.F.R. §§ 54.719(c) and 54.721 (2004), Hogar Escuela Sor María Rafaela hereby appeals the decision of the Schools and Libraries Division ("SLD") of the Universal Service Administrative Company to deny funding for Internal Connections requested discount in Funding Year 2005 (07/01/2005 – 06/30/2006).

**I. BACKGROUND**

On February 18, 2005, Hogar Escuela Sor María Rafaela filed a FCC Form 471 with the SLD indicating the services for which it was requesting discounts under the schools and libraries universal service support mechanism (the "E-rate program").<sup>1</sup> On Block 4 of its Form 471 applications, Hogar Escuela Sor María Rafaela indicated that 38 out of 38 students enrolled during the 2005-2006 academic year qualified for a free or reduced price lunch under the National School Lunch Program ("NSLP") and requested a 90% discount on all of its funding

requests.<sup>2</sup> During Hogar Escuela Sor María Rafaela's application review, the SLD's PIA reviewer requested documentation supporting the eligible discount rate for the school.<sup>3</sup> Specifically, the information request, which was delivered to Hogar Escuela Sor María Rafaela, requested the following information:

1. The total number of enrolled.
2. Total number of surveys/applications sent out
3. Number of survey/application returned
4. Total number of students that qualifies for the National School Lunch Program, using the Income Eligibility Guidelines (IEG) of the NSLP, per returned surveys/applications
5. Are the surveys/applications and results kept on file.
6. Provide a sample copy of the FILLED OUT SURVEY/APPLICATION with the child's personal information crossed out for confidentiality.
7. A signed certification that reads: "I certify that only those students who meet the Income Eligibility of the National School Lunch Program have been included in Column 5 of item 10b, Block 4 (Worksheet A) of the Form 471."
8. The information must be in writing on the school letterhead and signed by a school official (such as the Principal, Vice – Principal Superintendent, Director of Food Services.

On January 13, 2006, Hogar Escuela Sor María Rafaela provided the information requested to the SLD on the school letterhead and signed by the school Principal, Jorge L. Rivera.<sup>4</sup> In its response, Hogar Escuela Sor María Rafaela indicated that there were 30 students enrolled, that 30 surveys/applications were sent out and that 30 surveys/applications were returned. It also indicates from those 30 survey/applications returned 30 students qualifies for the NSLP, that the surveys/applications and its results are kept on file and certified that only the students who meet the IEG of the NSLP had being included in Column 5 item 10b of block 4

(worksheet A) of the Form 471. Hogar Escuela Sor María Rafaela also provided a sample copy of the socio-economic survey<sup>5</sup>.

On March 24, 2006, the SLD issued a funding commitment decision letter denying the discount rate from 90%. The SLD provided as explanation on the reason for the percentage reduction the following statement: **Service/Discount will not be funded.**

It is our assumption that the SLD established the basis for the decision of awarding an 70% discount versus the 90% originally requested on the conflicting information provided by Hogar Escuela Sor María Rafaela in the submitted SLD Form 471 and the response to the PIA request for information. (Exhibit A) **Hogar Escuela Sor María Rafaela submitted in filing the SLD Form 471 with inaccurate information on Block 4 column 4 (38) and on Block 4 column 5 (38)<sup>6</sup>.** This number is not consistent with the information provided in the applicant response to the request of information **due to a change on the number of students enrolled after the form was filed. Exhibit E provides the correct information (numbers) to calculate, following the FCC rules and procedures the exact number of students for Block 4, Column 4(38) and Column 5 (38).**

The survey, which had been provided to the SLD during the PIA review process, asked parents to provide the size of the family, the number of students enrolled in the school, and the household income. Out of the 30 surveys distributed, 30 of the students completed the survey. From the 30 completed surveys, 30 (100 %) were determined to be eligible for a free or reduced price lunch under the NSLP in accordance with the Income Eligibility Guidelines of the U.S. Department of Agriculture. Following the SLD's guidelines we can get to the conclusion that in Hogar Escuela Sor María Rafaela 30 students, or 100 % of its student population, qualified for a

free or reduced-price lunch under the NSLP. Using the discount matrix set forth in the FCC rules, a school with 100 % of its student population eligible for the national school lunch program qualifies for a 90% discount under the schools and libraries universal service support mechanism.

**II. HOGAR ESCUELA SOR MARÍA RAFAELA CORRECTLY DETERMINED THE PERCENTAGE OF STUDENTS ELIGIBLE FOR A FREE OR REDUCED-PRICE LUNCH UNDER THE NSLP.**

**Although Hogar Escuela Sor María Rafaela erroneously filed an SLD Form 471 with inaccurate information on Block 4, alternately, when requested submitted sufficient evidence to the PIA to demonstrate the percentage of students eligible for a free or reduced-price lunch under the NSLP. (90%)**

Under the Commission's rules, the discount available to a particular school is determined by indicators of poverty and high relative cost of service.<sup>7</sup> First, the level of poverty for schools is measured by the percentage of their student enrollment that is eligible for a free or reduced-price lunch under the NSLP or a federally-approved alternative mechanism outlined in Title I of the Improving America's School Act (IASA).<sup>8</sup> These federally-approved alternative mechanisms include data comparable to the NSLP data that is collected through surveys. As the Commission has acknowledged, surveys are particularly relevant to schools that many not have access to NSLP data, such as private schools.<sup>9</sup> Second, a school's high-cost status is derived from rules that classify it as urban or rural.<sup>10</sup> The Commission's rules provide a matrix reflecting

both the school's urban or rural status and the percentage of its students who are eligible for the school lunch program to establish its discount rate, ranging from 20 percent to 90 percent.<sup>11</sup>

Because NSLP data is unavailable for Hogar Escuela Sor María Rafaela, it used a federally-approved alternative mechanism that relies on actual counts of low-income children to determine the level of poverty.

**III. THE SLD ERRONEOUSLY CONCLUDED THAT HOGAR ESCUELA SOR MARÍA RAFAELA QUALIFIED FOR A 90% DISCOUNT AND FAILED IN NOT REQUESTING ADDITIONAL INFORMATION TO THE SCHOOL AND CLARIFY THE CONFLICTING INFORMATION.**

Hogar Escuela Sor María Rafaela submitted to the SLD exactly what it was asked to submit: (a) the total number of students (30 students), (b) the number of surveys/applications sent out (30), (c) the number of surveys/applications returned (30) (d) the number of students qualified to participate in the NSLP, (30) ( 100% based on the SLD projection guidelines), (e) if the survey/applications were kept on file, yes, (f) and (g) certification that only students that meet the IEG of the NSLP have been included in Column 5, item 10b of block 4 (worksheet A) of the Form 471. In addition, Hogar Escuela Sor María Rafaela provided a sample copy of the socio-economic survey conducted by the school. No additional documentation supporting the eligible discount rate for the school was requested.

<sup>11</sup> 47 C.F.R. § 54.505(c).

#### **IV. CONCLUSION**

Hogar Escuela Sor María Rafaela provided clear evidence to the SLD that it qualified for an 90% discount under the E-rate program since 30 out of 30 students (100 % of the student population) were eligible for a free or reduced price lunch under the NSLP. This data was collected through a survey that was conducted in accordance with the SLD's guidelines. Furthermore, the school provided the SLD with all the information that was requested during the application review process. Therefore, the SLD erred in its decision to deny the discount rate from the requested 90% for Internal Connections and in not granting a 90% discount to Hogar Escuela Sor María Rafaela. Hogar Escuela Sor María Rafaela respectfully requests that the Commission reverse the SLD's reduction on percentage discount requested and grant its applications to be funded at a 90% discount.

Respectfully submitted,

The Program Integrity Assurance (PIA) team is in the process of reviewing all Form 471 Applications for schools and libraries discounts to ensure that they are in compliance with the rules of the federal universal service program. We are currently in the process of reviewing your Funding Year 2005 Form 471 Application. To complete our review, we need some additional information. The information needed to complete the review is listed below.

1. For the Billed Entity listed below, we do not have the associated FCC Registration Number (FCC RN). The FCC, in its Fifth Report and Order, requires entities that currently participate in the Schools and Libraries Support Mechanism have an FCC Registration Number. This requirement applies to schools, libraries, non-instructional facilities, consortium leaders, service providers and consultants.

<u>BEN</u>	<u>FCC RN</u>
16027902	

If you already have an FCC Registration Number for your Billed Entity (the entity listed in Block 1 of the Form 471), please provide that FCC Registration Number.

If you do not yet have an FCC Registration Number, you can obtain one by applying to the FCC, at [www.fcc.gov](http://www.fcc.gov). Click on link for CORES (Commission Registration System), or go directly at the FCC CORES registration site at <https://svartifoss2.fcc.gov/core/CoresHome.html>.

After obtaining the FCC Registration Number, please provide us the FCC Registration Number.

Additional guidance on this topic and filing tips are located in the Reference area of our website, under "FCC Registration Numbers" <http://www.sl.universalservice.org/whatsnew/2004/102004.asp#102904>

You will need your Taxpayer Identification Number (TIN) to obtain an FCC Registration Number. For some employers, including state and local government agencies and non-profit organizations, the TIN is the IRS-issued Employer Identification Number (EIN).

2. For FRN 1297287 for Internet Access services, please provide a statement that the services will only be delivered to eligible users at eligible locations. The rules of this support mechanism do not allow for services or products to be provided to residential homes or other non-school/library facilities (i.e., students and teachers may not dial in from home to access the Internet; there can be no community access, etc). "Remote access" where users from any location use their own Internet account to access school or library information, is eligible for funding. If this funding request for Internet Access is strictly limited to services used only at eligible locations by eligible users, then please confirm in writing the following:

"The Internet Access service for which I seek discounts will be strictly limited to providing services only at eligible locations and used only by eligible users. Access to the Internet will not be provided to homes or other non-school or non-library sites."

*January 6 2008*

The above statement must be signed by the chief school official (such as the principal or superintendent). If you are unable to make such a certification, because the statement is not correct, please indicate such.

3. Based on the documentation provided it appears that FRN 1297287, includes charges associated with on-premise equipment. The FCC has indicated that equipment at the applicant site is presumed to be Internal Connections, but that this presumption can be overcome in certain circumstances. In order for us to evaluate your request, please provide the make and model of the equipment as well as a YES or NO answer to the following 8 questions. You may consult with your service provider for assistance, if desired. Please be sure to sign your response and list your title.

1. Is the leased on-premise equipment an integral component of a Telecommunications or Internet Access service?
2. Will the leased on-premise equipment be provided by the same service provider that provides the associated Telecommunications Service or Internet Access service?
3. Does responsibility for maintaining the equipment rest with the service provider?
4. Will ownership of the equipment transfer to the school or library in the future?
5. Does the relevant contract or lease include an option for the applicant to purchase the equipment?
6. Will the leased equipment be used at the applicant site for any purpose other than receipt of the eligible Telecommunications Services or Internet Access of which it is a part?
7. Will the school's or library's internal communications network function without dependence on the equipment?
8. Are there any contractual, technical, or other limitations that would prevent the service provider from using equipment that would normally be shared in other similar arrangements with other customers?

4. Based upon review of your Form 471 application, we were not able to validate your requested discount percentage of 90% for Howar Escuela Sor Maria Rapaela. If you choose to validate your original requested discount percentage of 90%, then please provide the appropriate documentation if one of the following acceptable methods were used:

- A. If the school participates in a National School Lunch Program (NSLP), please provide us a signed copy (preferably by the Principal, Vice-Principal, Superintendent or chief school official, or Director of Food Services) of the October Reimbursement Claim Form that the school sends to the state each month. Make sure that the following 3 items are identified:
  - 1) The Entity name
  - 2) The total number of students enrolled at the entity
  - 3) The total number of students eligible for Free/Reduced Lunch Program for the entity

If the school district fills out an aggregate form for the school district, provide the October Reimbursement Claim Form along with a signed letter from a school official (preferably the Superintendent (or chief school official)) that lists the enrollment and Free/Reduced information for each school in the district.

B. If the discount percentage was determined by information obtained from a survey/application, please provide the following information:

- 1) Total number of students enrolled
- 2) Total number of surveys/applications sent out
- 3) Number of surveys/applications returned
- 4) Total number of students qualified for NSLP per the returned surveys/applications
- 5) Are the surveys/applications and results kept on file.
- 6) Provide a sample copy of a FILLED OUT SURVEY/APPLICATION with the child's personal information crossed out for confidentiality.
- 7) A signed certification that reads: "I certify that only those students who meet the Income Eligibility Guidelines of the National School Lunch Program have been included in Column 5 of Item 9a, of Block 4 of the Form 471."
- 8) This information must be in writing on school letterhead and signed by a school official (such as the Principal, Vice-Principal, Superintendent or chief school official, Director of Food Services).

C. If the discount was determined using a different method than what was identified above, please indicate the method that was used and provide all relevant data.

5. Based upon review of your Form 471 application and/or the documentation you provided, we were not able to determine the eligibility of Hogar Escuela Sor Maria Rapaela. In order to be eligible to receive discounted services, per the rules of this support mechanism, schools must meet the statutory definition of an elementary or a secondary school found in the No Child Left Behind Act of 2001 (20 U.S.C. Section 7801 (18) and (38)) and they must not be operating as for-profit businesses, and may not have an endowment exceeding \$50 million. Please provide documentation that will verify that the entity meets the definition provided above.

6. For FRN 1297268, you requested. \$635. Please provide a vendor bill(s) that support your request.

Please fax or e-mail the requested information to my attention. If you have any questions, please feel free to contact me.

It is important that we receive all of the information requested so we can complete our review. **Failure to do so may result in a reduction or denial of funding.**

Should you wish to cancel this application, or any of your individual funding requests, please clearly indicate in your response that it is your intention to cancel an application or funding request(s); along with the application number and/or funding request number(s), and the complete name, title and signature of the authorized individual.

**Please send the requested information within seven calendar days. If you need additional time to prepare your response, please let me know as soon as possible.**

Thank you for cooperation and continued support of the Universal Service Program.

Sincerely,

Fabio Nieto
