Re: *Notice of Ex parte* presentation in MB Docket No. 05-192

Dear Ms. Dortch:

On June 14, 2006, Harold Feld and Paige Gold of Media Access Project and Alex Nogales, President of National Hispanic Media Coalition (NHMC) met with Commissioner Adelstien and his legal advisor Ruddy Brioche. With reference to the above captioned proceeding, the parties discussed the impact of clustering on the ability of independent programmers, with specific concerns raised with regard to the continued carriage of Si TV and LA TV. Mr. Nogales observed that the bulk of Spanish language programming comes from outside the United States, and therefore does little to reflect the needs of new immigrants and their children seeking to assimilate into the United States.

The parties also discussed leased access and why an a la carte condition would not assist independent programmers in achieving carriage. These comments substantially replicated comments made in the meeting with Commissioner Tate on June 13, 2006.

In accordance with Section 1.1206(b) of the Commission's Rules, 47 C.F.R. § 1.1206, this letter is being filed with your office. If you have any questions, please do not hesitate to contact me.

Respectfully Submitted,

Harold Feld  
Senior Vice President
