Dear Customer:

**YOUR ACC TELECOMMUNICATIONS, LLC SERVICES WILL BE TRANSFERRED TO
TIME WARNER CABLE BY JULY 31, 2006
UNLESS YOU CHOOSE A NEW SERVICE PROVIDER**

Thank you for being a loyal ACC Telecommunications, LLC customer. After many years of providing regulated telephone services in Arizona, we now plan to exit the market. As of July 31, 2006, ACC Telecommunications, LLC ("ACC Telecom"), will no longer be providing data services in Arizona. The Arizona regulated telecommunications assets of ACC Telecom will be acquired by Time Warner Cable Information Services (Arizona), LLC d/b/a Time Warner Cable ("Time Warner Cable"), an affiliate of Time Warner Cable. This provider transition from ACC Telecom to Time Warner Cable requires no action on your part.

As your new service provider, Time Warner Cable will continue to provide you with the same telecommunications services you currently receive in accordance with the rates, terms and conditions of your existing contract or effective tariffs on file with the Arizona Corporation Commission. If in the future Time Warner Cable determines that rates, terms, or conditions require modification, it will follow the contract terms or the Arizona Corporation Commission rules regarding such changes, including, where required, written 30 day notice to customers. ACC Telecom will continue to be responsible for the resolution of any complaints filed or otherwise raised until the sale is finalized.

The transfer of your service to Time Warner Cable will be invisible to you because Time Warner Cable will utilize the same facilities that currently serve your account. Moreover, there will be no change in your services. The transfer of your services to Time Warner Cable will be seamless and without down time or modification to existing services or rates. This transfer requires no action on your part and the only difference will be the name of the carrier on the monthly bill you receive for your telecommunications services. The local ACC Telecom employees who service your account today will also transfer to Time Warner Cable and will continue to provide you the excellent service that you have experienced to date.

Instead of becoming a Time Warner Cable customer, you may, for ninety days following the date of the Arizona Corporation Commission order approving this transaction, transfer to another carrier without penalty. If you do not select another provider Time Warner Cable will automatically become your service provider effective July 31, 2006. You will not incur any charges for the change to Time Warner Cable. However, should you select another provider, you may incur additional charges. Please be aware that you are responsible for paying all bills rendered to you by ACC Telecom during this transition. You may be subject to termination of your service in accordance with the terms of your contract and applicable Commission rules if you fail to pay your telephone bill.

If you do not want service from Time Warner Cable you must select a new provider as soon as possible. Otherwise, you need do nothing and your service will seamlessly transfer to Time Warner Cable.

If you have any questions regarding this notice please call your carrier at 888-644-6442. You may also call the Consumer Services Section of the Arizona Corporation Commission Staff at 602-542-4251 or 1-800-222-7000.
