Jim, Erin and Susan -

We are writing to inform you of an apparent typographical error pointed out to us by Stefan Lopatkiewaicz in the *Protective Order* ("Order") for NRUF and LNP data in the Denali, Alaska DigiTel and GCI proceeding; Docket No. 06-114. In paragraph 9 of the Order, the first sentence states "where the person seeking access is one described in clause 1, 2, or 3 of paragraph 8" and the third sentence, in parentheses, states "or where the person seeking access is one described in clause 1, 2, or 3 of paragraph 8." In each of these instances, it appears clear that the *Order* meant to refer to paragraph 7, rather than paragraph 8. We bring this to your attention so you may consider whether a brief erratum should be issued to correct this minor error.

Please do not hesitate to call or email us with any questions.
