

Dear Commissioners:

Please don't allow more media consolidation. When different companies control the TV, radio and print news in my community they compete with each other to provide me better local and national news.

Corporate domination and profits must remain out of the control of our air waves. NO MORE BIASED OPINIONS!!! The people of our nation can make up their own minds with ALL the facts that may be presented. This is a bunch of hogwash.

I don't want the same company that owns my TV station or my radio station to also own my newspaper I would just get the same news all over again.

I rely on the media to find out about national and local issues. I want to feel confident that I can get all the viewpoints I need to make well-reasoned decisions about these issues. I also want media outlets in my town to care about my needs and interests.

Thank you for your consideration of this important issue. I look forward to hearing from you about your efforts to ensure diversity, localism and independence in our media.

Sincerely,
Jim Rahn
