Re: Notice of Oral Ex Parte Communication
In the Matter of Review of AT&T Inc. and BellSouth Corp. Application for
Consent to Transfer of Control, WC Docket No. 06-74

Dear Ms. Dortch:

Yesterday, John Gibson, Lawrence Lafaro and the undersigned, of AT&T, Bennett Ross of BellSouth, Scott Feira of Arnold & Porter, Jeane Thomas of Crowell and Moring and Lauren Albert, of Axinn, Veltrop and Harkrider met by phone conference with Don Stockdale, Bill Dever and Nick Alexander of the FCC's Wireline Competition Bureau and Jim Bird and Ann Bushmiller of the FCC's Office of the General Counsel. The purpose of the meeting was to discuss confidentiality protection for information, data and documents to be produced by the parties in connection with the FCC's Initial Information and Document Request, issued on June 23, 2006.

On the same day, I separately spoke with Mr. Alexander regarding confidentiality protection for specific information, data and documents and to seek guidance regarding the preparation of individual responses to the Information and Document Request. In response to questions, Mr. Alexander provided guidance as to the appropriate scope of specific request specifications.

In accordance with Commission rules, I am filing one electronic copy of this notice and request that you place it in the record of the above-referenced proceeding.

Sincerely,

A handwritten signature in black ink, appearing to be "JM", written over a horizontal line.
