

Dear Commissioners:

Please don't allow more media consolidation. When different companies control the TV, radio and print news in my community they compete with each other to provide me better local and national news.

To whom it concerns: Please do not consolidate our local and independent media! You need to protect independent tv, news and radio. Moneygrubbing is getting to be downright vulgar in that you have a sick need for power and censoring truthful news reporting! I'm disgusted with the lot of you and would probably be hoping in vain that you could re-invent yourselves into real human, civil and fair beings. I won't hold my breath for you to have any integrity!

I don't want the same company that owns my TV station or my radio station to also own my newspaper I would just get the same news all over again.

I rely on the media to find out about national and local issues. I want to feel confident that I can get all the viewpoints I need to make well-reasoned decisions about these issues. I also want media outlets in my town to care about my needs and interests.

Thank you for your consideration of this important issue. I look forward to hearing from you about your efforts to ensure diversity, localism and independence in our media.

Sincerely,
Ernest Kight
