Greetings Ernie.

We are getting close to the end of March and I'm wondering if the reply to the FCC has been written. FYI: Our public file is now in excellent order including past years in question. A couple of things:

- * Please cc your invoices to SFUSD's legal office. Our contact there is: David Campos. David should be calling you soon, if he hasn't already, to introduce himself and have a chat.
- * Please cc both Jackie Wright and David Campos in all correspondence with regard to KALW. (Addresses & e-mail addresses listed below.)
- * Before any paperwork is filed, please send a copy to KALW and David Campos in the Legal office for feedback. Thanks, you probably already do this, but I'm just checking.
- * Here is the contact info:
