Subject: To Ernie and Susan

Dear Ernie and Susan:

Good speaking with you yesterday evening, Susan. I probably kept you on the phone way too long, but it helped me to get so much background info. I do hope this will be resolved very soon.

RE: a trip to SF. Of course it would be great to see you. However, we cannot afford to underwrite the trip. If you're coming out on other business, I'm sure all interested colleagues would want to meet.

RE: a summary. This would be very helpful given the fact that Mr. Campos, Ms. Wright, and myself are new to the situation. Perhaps sending a copy of what you sent to Glenston Thompson would suffice?

I was quite shocked to learn of how deeply "internal" the challenge has been. I believe it is important to review the past in order to protect the future.

Hopefully, this will never happen again to such a valuable asset for the District, the City, and the community.

Thanks,
Nicole Sawaya
