

**Exhibit 32.a.1**

**AT&T Changed Peering Relationships**

For AT&T's AS7018 network, those peers that have transitioned from a settlement-free to a paid arrangement, or visa versa, are listed below. All of AT&T's AS 7132 peering relationships are conducted on a settlement-free basis, and therefore no peer of the AS7132 network has transitioned between a settlement-free and paid peering arrangement.
