**PETITION OF IMAGE ACCESS, INC. d/b/a NEWPHONE FOR DECLARATORY RULING
PLEADING CYCLE ESTABLISHED**

WC Docket No. 06-129

COMMENTS: July 31, 2006
REPLY COMMENTS: August 10, 2006

On June 13, 2006, Image Access, Inc. d/b/a NewPhone (NewPhone) filed a petition for declaratory ruling regarding the resale of incumbent local exchange carrier (ILEC) services. Specifically, NewPhone asks the Commission to declare that:

- an ILEC's refusal to make cash-back, non-cash-back, and bundled promotional discounts available for resale at wholesale rates is an unreasonable restriction on resale and is discriminatory in violation of the Act and the Commission's rules and policies;
- for all promotions greater than 90 days, ILECs are required either to offer to telecommunications carriers the value of the giveaway or discount, in addition to making available for resale at the wholesale discount the telecommunications service that is the subject of the ILEC's retail promotion, or to apply the wholesale discount to the effective retail rate of the telecommunications service that is the subject of the ILEC's retail promotion;
- the effective retail rate for a giveaway or discount shall be determined by subtracting the face value of the promotion from the ILEC-tariffed rate for the service that is the subject of the promotion, and the value of the discount shall be distributed evenly across any minimum monthly commitment up to a maximum of three months;
- for all ILEC promotions greater than 90 days, ILECs shall make available for resale the telecommunications services contained within mixed-bundle promotions (promotions consisting of both telecommunications and non-telecommunications services) and apply the wholesale avoided cost discount to the effective retail rate of the telecommunications service contained within the mixed bundle;
- the effective retail rate of the telecommunications service component(s) of a mixed-bundle promotion shall be determined by prorating the telecommunications service component based on the percentage that each unbundled component is to the total of the bundle if added together at their retail, unbundled component prices; and
- telecommunications carriers shall be able to resell ILEC promotions greater than 90 days in duration as of the first day the ILEC offers the promotion to retail subscribers.
