In accordance with the Protective Order¹ and the Second Protective Order² in this proceeding, and the instructions we have received from the Staff of the Wireline Competition Bureau, enclosed please find redacted versions of Items 1 and 2 above. With respect to Items 3 and 4 above, due to the volume of documents responsive to Specification 56, we are not uploading them into ECFS. Parties who would like a copy of the non-confidential portions of that response should contact me or Peter Schildkraut at 202-942-5634.

Per the direction of the Staff, AT&T is filing with the Secretary today, under separate transmittals, CD-ROMs containing complete unredacted versions of Items 1 through 4.

AT&T's complete response will be made available for inspection, pursuant to the terms of the Protective Order or the Second Protective Order, as applicable, at the offices of Crowell & Moring LLP. Counsel for parties to this proceeding should contact Jeane Thomas of that firm at (202) 624-2877 to coordinate access.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Scott Feira
