**Re: *Ex Parte* Notice in IB Docket Nos. 02-364, 05-220, and 05-221**

Dear Ms. Dortch:

On July 17, 2006, James Monroe III, Globalstar's Chairman and Chief Executive Officer, William F. Adler, Globalstar's General Counsel, and William T. Lake of this firm met with Bruce Gottlieb, legal advisor to Commissioner Michael J. Copps. The purpose of the meeting was to discuss Globalstar's pending petition for rulemaking to provide Ancillary Terrestrial Component services in its entire spectrum allocation, as well as Globalstar's comments filed in IB Docket Nos. 02-364, 05-220, and 05-221. A copy of the material distributed during the meeting is attached to this letter.

Pursuant to Sections 1.49(f) and 1.1206(b) of the Commission's rules, a copy of this letter and its attachment has been filed electronically.

Respectfully Submitted,

Josh L. Roland

Counsel to Globalstar Inc.

cc: Bruce Gottlieb

- Introduction
- A Brief History of Globalstar
- Globalstar's future heavily depends on how the FCC resolves pending spectrum issues
  - Decline to require any further L-band sharing with Iridium
  - Reinstate Globalstar's 2 GHz license and afford Globalstar access to a portion of the 2 GHz MSS spectrum
  - Favorable consideration of Globalstar's petition to expand its ATC authority to encompass all of its assigned spectrum.
