(a) No later than ten Business Days prior to the Closing Date, Seller shall prepare, or cause to be prepared, and deliver to Buyer, with respect to each

Specified Business, a statement (each, a “Seller’s Statement”), which shall set forth Seller’s good faith estimate of the Closing Adjustment Amount which shall be determined in accordance with this Agreement (the “Estimated Closing Adjustment Amount”). Each Seller’s Statement shall be accompanied by a certification of Seller’s Chief Financial Officer to the effect that such Seller’s Statement has been prepared in good faith in accordance with this Agreement based on the books and records of such Specified Business and be reasonably satisfactory to Buyer. If the sum of the Estimated Closing Adjustment Amounts for the Specified Businesses is a negative number, then the Cash Consideration payable at the Closing shall be decreased by the absolute value of such sum. If the sum of the Estimated Closing Adjustment Amounts for the Specified Businesses is a positive number, then the Cash Consideration payable at the Closing shall be increased by such sum.

(b) As soon as practicable but in no event more than 90 days following the Closing, Buyer shall prepare, or cause to be prepared, and deliver to Seller, with respect to each Specified Business, a statement (each, a “Buyer’s Statement”) of the actual Closing Adjustment Amount, as of the Closing Date, which shall be determined in accordance with this Agreement. Each Buyer’s Statement shall be accompanied by a certification of Buyer’s Chief Financial Officer to the effect that such Buyer’s Statement has been prepared in accordance with this Agreement based on the books and records of such Specified Business.

(c) Seller and Seller’s accountants shall complete their review of each of the Buyer’s Statements and Buyer’s calculations of the Closing Adjustment Amount within 30 days after delivery thereof by Buyer. In the event that Seller determines in good faith that any Buyer’s Statement has not been prepared in accordance with this Agreement, Seller shall, on or before the last day of such 30-day period, so inform Buyer in writing setting forth a specific description of the basis of Seller’s determination and the adjustments to such Buyer’s Statement and the corresponding adjustments to the applicable Closing Adjustment Amount that Seller believes should be made in accordance with this Agreement (a “Seller’s Objection”). If no Seller’s Objection is received by Buyer on or before the last day of such 30-day period, then the Closing Adjustment Amount set forth in a Buyer’s Statement shall be final and binding upon Seller. Buyer shall have 30 days from its receipt of a Seller’s Objection to review and respond to such Seller’s Objection.

(d) If Seller and Buyer are unable to resolve all of their disagreements with respect to the proposed adjustments set forth in any Seller’s Objection within 15 days following the completion of Buyer’s review of such Seller’s Objection, they shall refer any remaining disagreements to the CPA Firm which, acting as experts and not as arbitrators, shall determine, in accordance with this Agreement based on the books and records of the applicable Specified Business, and only with respect to the remaining differences so submitted (and within the range of dispute between Buyer’s Statement and Seller’s Objection with respect to each such difference), whether and to what extent, if any, any Closing Adjustment Amount requires adjustment. Buyer and Seller shall instruct the CPA Firm to deliver its written determination to Buyer and Seller no later than 30 days after the remaining differences underlying any such Seller’s Objection are

referred to the CPA Firm. The CPA Firm's determination shall be conclusive and binding upon Buyer and Seller and their respective Affiliates. With respect to each Seller's Objection, the fees and disbursements of the CPA Firm shall be borne equally by Seller and Buyer. Buyer and Seller shall make readily available to the CPA Firm all relevant books and records and any work papers (including those of the parties' respective accountants, to the extent permitted by such accountants) relating to the determination of any Closing Adjustment Amount and all other items reasonably requested by the CPA Firm in connection therewith.

(e) Buyer shall provide to Seller and its accountants full access to the books and records of each Specified Business and to any other information, including work papers of its accountants (to the extent permitted by such accountants), and to any employees during regular business hours and on reasonable advance notice, to the extent reasonably necessary for Seller to review each Buyer's Statement, to prepare a Seller's Objection, if any, and to prepare materials for presentation to the CPA Firm in connection with Section 2.6(d). Seller and its accountants shall have full access to all information used by Buyer in preparing such Buyer's Statement, including the work papers of its accountants (to the extent permitted by such accountants).

(f) Upon satisfaction of the applicable procedures of this Section 2.6, the Purchase Price shall be adjusted with respect to each Specified Business by an amount equal to (i) the Final Adjustment Amount of such Specified Business *minus* (ii) the Estimated Closing Adjustment Amount of such Specified Business (the "Subsequent Adjustment Amount"). If the Subsequent Adjustment Amount is a positive number, then the Purchase Price allocated to such Specified Business shall be increased by the Subsequent Adjustment Amount and Buyer shall promptly (and in any event within five Business Days) after the final determination thereof pay to the Escrow Agent, for deposit into the Escrow Account, a Pro Rata Payment equal to the Subsequent Adjustment Amount. If the Subsequent Adjustment Amount is a negative number, then the Purchase Price allocated to such Specified Business shall be decreased by the absolute value of the Subsequent Adjustment Amount and Buyer shall be entitled to an Escrow Payment equal to the Subsequent Adjustment Amount from the Escrow Account promptly (and in any event within five Business Days) after the final determination of the Subsequent Adjustment Amount; provided, however, that, to the extent the payment obligations pursuant to this sentence exceed the remaining funds in the Escrow Account, Seller shall promptly (and in any event with five Business Days) after the final determination of the Subsequent Adjustment Amount, pay such excess amount to Buyer by wire transfer of immediately available funds to an account designated by Buyer.

Section 2.7 MCE Systems.

(a) Notwithstanding anything to the contrary contained herein, if any MCE System has not been finally determined to be wholly owned by Seller or its wholly owned Subsidiaries (it being understood that, for purposes of this Section 2.7(a), if Seller has the right to cause the transfer of good and marketable title to the Assets of any MCE System (free and clear of all Encumbrances other than Permitted Encumbrances) to Buyer (or has otherwise arranged for such transfer to occur at the Closing to the

reasonable satisfaction of Buyer), such Disputed MCE System shall be deemed to be wholly owned by Seller) or has been finally determined to be so owned but as to which there has not been an MCE Discharge as of the date on which the Seller's Statements are delivered under Section 2.6(a) (each such MCE System, a "Disputed MCE System"), then (i) the geographical areas serviced by such Disputed MCE System shall be deemed not to be listed on Schedule A of the Seller Disclosure Schedule and such Disputed MCE System shall be deemed not to be included in the Group 2 Business or otherwise Related to the Group 2 Business or the Acquired Business, (ii) any Assets, Liabilities or Employees that would, but for clause (i) above, have been Transferred Assets, Assumed Liabilities or Transferred Employees shall be deemed not to be Transferred Assets, Assumed Liabilities or Transferred Employees, respectively, (iii) the Closing shall be effected without such Disputed MCE System, (iv) the Purchase Price (before adjustment under Section 2.6) shall be reduced by an aggregate amount equal to the product of (A) the MCE Purchase Price multiplied by (B) the quotient obtained by dividing (1) the aggregate number of Basic Subscribers served by all such Disputed MCE Systems as of December 31, 2004 by (2) the aggregate number of Basic Subscribers served by all MCE Systems as of December 31, 2004, such reduction to be applied solely to the Purchase Shares (where each Purchase Share is valued at the Per Share Value of the Purchase Shares) (the amount of such Purchase Share reduction with respect to each such Disputed MCE System, the "Initial MCE Purchase Price"), (v) the Seller's Statement delivered in respect of the Group 2 Business shall be prepared to reflect the foregoing and (vi) with respect to the Disputed MCE Systems, the determination of the Closing Adjustment Amount (calculated as to each such Disputed MCE System separately as if it were its own Specified Business and assuming the Net Liabilities Adjustment Amount for each such Disputed MCE System is zero) shall be made in accordance with Section 2.6 except that the Subscriber Cap shall not apply to the determination of the Subscriber Adjustment Amount and there shall be no adjustment to the Purchase Price at the Closing as a result of such determination (the amount by which the Purchase Price would have been adjusted (expressed as a negative if decreased and as a positive if increased) in respect of each such Disputed MCE System as determined pursuant to this clause (vi), the "Initial Disputed MCE System Adjustment Amount").

(b) With respect to any Disputed MCE System, Seller shall (i) use commercially reasonable efforts to cause each such Disputed MCE System to be bound by a written management agreement with Buyer (or its designee) as of the Closing, in form and substance reasonably acceptable to Buyer and Seller (each such agreement, an "MCE Management Agreement"), and (ii) continue during the succeeding 15 months (the "MCE Period") using commercially reasonable efforts to obtain full direct or indirect ownership of, and an MCE Discharge with respect to, such Disputed MCE System (it being understood that, for purposes of this Section 2.7(b), if Seller has the right to cause the transfer of good and marketable title to the Assets of any MCE System (free and clear of all Encumbrances other than Permitted Encumbrances) to Buyer (or has otherwise arranged for such transfer to occur at the MCE Closing to the reasonable satisfaction of Buyer), such Disputed MCE System shall be deemed to be wholly owned by Seller) (an "MCE Resolution"). Buyer shall not have any obligation to enter into an MCE Management Agreement unless Buyer is provided with reasonably satisfactory evidence of (A) the enforceability of such MCE Management Agreement from and after the

Closing, (B) the authority of the counterpart(ies) to enter into and perform such MCE Management Agreement and to bind such Disputed MCE System and (C) **unless the MCE System is held by Seller or the Liabilities of such Disputed MCE Systems under the applicable MCE Management Agreement are guaranteed by Seller,** the creditworthiness of such MCE System (or such other Person who or such instrument that guarantees the Liabilities of such MCE System pursuant to the applicable MCE Management Agreement). Seller shall notify Buyer of any MCE Resolution as promptly as practicable and in any event within three Business Days of obtaining any such MCE Resolution and shall provide Buyer with such information and documentation related thereto as Buyer reasonably requests.

(c) As to any Disputed MCE System that is the subject of an MCE Resolution that occurs prior to the expiration of the MCE Period, and with respect to which (i) Buyer (or its designee) enters into an MCE Management Agreement that has not been terminated in accordance with its terms (other than by Seller as a direct result of a breach by Buyer (or its designee)) or rejected and remains in full force and effect until the completion of the MCE Closing (a “Buyer Managed MCE System”) or (ii) Buyer (or its designee) does not enter into such an MCE Management Agreement but, within 60 days of such MCE Resolution, Buyer makes an election to purchase such Disputed MCE System, the parties agree that Seller shall sell, or cause to be sold, to Buyer and Buyer shall purchase from Seller (or the applicable transferor which Seller causes to sell) the Assets of such Disputed MCE Systems in exchange for shares (the “MCE Purchase Shares”) of Parent Class A Common Stock (where each such share is valued at the Per Share Value of the Purchase Shares) in an amount equal to the estimated Final MCE Purchase Price (**to the extent related to the Net Liabilities Adjustment Amount in respect of such Disputed MCE Systems, determined in accordance with Section 2.6(a) applied mutatis mutandis**) to be delivered by Buyer to Seller at a single closing (the “MCE Closing”), plus any Interim Dividends thereon, that, subject to satisfaction of the conditions set forth in Sections 6.1, 6.2 (other than, without limiting Section 2.7(d)(ii), Sections 6.2(a), 6.2(f) (but only if Buyer is a Proximate Cause Party) and 6.2(h)) and 6.3 (other than, without limiting Section 2.7(d)(ii), Sections 6.3(a) and 6.3(e)) (applied with respect to such Disputed MCE Systems (treating such Systems as a Specified Business) and applied with respect to the MCE Purchase Shares (treating such MCE Purchase Shares as Purchase Shares) *mutatis mutandis*), shall occur on the fifth Business Day following the earlier of (A) the expiration of the MCE Period and (B) the date all Disputed MCE Systems have been subject to an MCE Resolution; provided, however, that 4% of the MCE Purchase Shares so delivered plus any Interim Dividends thereon will be deposited in the Escrow Account. At the MCE Closing, the parties will assign or assume, as applicable, the Transferred Assets and Assumed Liabilities with respect to each such Disputed MCE System (treating such System as a Specified Business) that would have been assigned and assumed as if the Closing had been delayed until the date of the MCE Closing and shall execute such conveyance, assumption and other instruments as are required pursuant to Sections 2.9 and 2.10 (applied with respect to such Disputed MCE Systems (treating such Systems as a Specified Business) and applied with respect to the MCE Purchase Shares (treating such MCE Purchase Shares as Purchase Shares) *mutatis mutandis*. For purposes of determining the Disputed MCE System Adjustment Amount, the Net Liabilities Adjustment Amount in respect of each

such Disputed MCE System shall be determined as of the date of the MCE Closing **and subsequently adjusted** in accordance with Section 2.6 applied *mutatis mutandis* (treating each such System as a Specified Business) except that any resulting adjustments shall be made ~~solely~~, **first**, in MCE Purchase Shares **and, thereafter, in cash**, where each MCE Purchase Share is valued at the Per Share Value of the Purchase Shares.

(d) In connection with the transfer to Buyer of any Disputed MCE Systems, (i) Assumed Liabilities related to such Disputed MCE Systems shall be deemed to have been assumed effective as of the date of the MCE Closing only, and (ii) at, and as a condition to, the MCE Closing, (A) Seller shall be deemed to have restated the representations and warranties in Article III in respect of such Disputed MCE Systems (x) with respect to the Class 2 Representations and Warranties, as of the date made and as of the Closing, and (y) with respect to the Class 1 Representations and Warranties, as of the date made and as of the MCE Closing, (B) Seller shall deliver to Buyer a certificate certifying to the satisfaction of Section 6.2(a) with respect to such Disputed MCE Systems (treating such Disputed MCE Systems as if they were a Specified Business and multiplying all applicable monetary and materiality thresholds by the MCE Fraction) (x) with respect to the Class 2 Representations and Warranties, as of the Closing, and (y) with respect to the Class 1 Representations and Warranties, as of the MCE Closing, (C) Article VII shall apply to such Disputed MCE Systems *mutatis mutandis* (including by multiplying the applicable basket and cap amounts by the MCE Fraction), **provided**, that, notwithstanding Section 7.1, all the representations and warranties in Article III shall, with respect to such Disputed MCE Systems, survive the MCE Closing until the expiration of the later of the survival period in Section 7.1 and twelve months after the date of the MCE Closing (and the Buyer Indemnification Deadline shall be extended with respect to such Disputed MCE Systems by a corresponding period), (D) Buyer shall deliver to Seller a certificate certifying as to the truth and accuracy of the first sentence of Section 4.5 as to the MCE Purchase Shares as of the MCE Closing and (E) Sections 2.11 and 5.12 shall apply *mutatis mutandis*. For purposes of any covenants in this Agreement governing the parties hereto following the Closing and any Ancillary Agreement, any Assets related to any such Disputed MCE Systems which are transferred to Buyer after Closing under this Section 2.7 shall become part of the Group 2 Business as of the time of the MCE Closing.

Section 2.8 **Closing**. Agreement, (b) 30 days following the date on which the conditions set forth in Article VI (other than those conditions that by their nature are to be satisfied at the Closing but subject to the fulfillment or waiver of those conditions) have been satisfied or waived (provided, that the Outside Date or the Extended Outside Date, as the case may be, shall be extended to the last Business Day of the calendar month in which the end of such 30-day period occurs if the Outside Date or Extended Outside Date, as the case may be, would otherwise occur prior to such last Business Day), and (c) the termination of the Parent Redemption Agreement. The date on which the Closing occurs is called the “Closing Date.”

Section 2.11 Non-Assignability of Assets.

(a) Without limiting Sections 6.1(f) and 6.2(e), if and to the extent that the transfer or assignment from Seller or any of its Affiliates to Buyer of any Transferred Asset would be a violation of applicable Law with respect to such Transferred Asset or otherwise adversely affect the rights of the applicable transferee thereunder as a result of the failure to obtain or make any consent, approval, waiver, authorization, notice or filing required to be made in connection with the Transaction, then the transfer or assignment to Buyer of such Transferred Asset (each, a "Delayed Transfer Asset") shall be automatically deemed deferred and any such purported transfer or assignment shall be null and void until such time as all legal impediments are removed and/or Authorizations have been made or obtained; it being understood that no adjustment to the Purchase Price will be made as a result of the failure to transfer or assign any Delayed Transfer Asset.

(b) If the transfer or assignment of any Transferred Asset (other than, at the Closing, a Transferred Asset Related to a Disputed MCE System) intended to be transferred or assigned hereunder is not consummated prior to or at the Closing as a result of the failure to obtain any Authorization, then Seller or its Affiliate shall thereafter, directly or indirectly, hold such Transferred Asset for the use and benefit of Buyer (at the expense of Buyer), insofar as reasonably possible. In addition, to the extent not prohibited by Law, Seller shall take or cause to be taken such other actions as may be reasonably requested by Buyer in order to place Buyer, insofar as reasonably possible, in the same position as if such Transferred Asset had been transferred as contemplated hereby and so that all the benefits and burdens relating to such Transferred Asset, including possession, use, risk of loss, potential for gain, and dominion, control and command over such Transferred Asset, are to inure from and after the Closing to Buyer. To the extent permitted by Law and to the extent otherwise permissible in light of any required Authorization, Buyer shall be entitled to, and shall be responsible for, the management of any Transferred Assets not yet transferred to it as a result of this Section 2.11 and the parties hereto agree to use commercially reasonable efforts to cooperate and coordinate with respect thereto.

(c) If and when the Authorizations, the absence of which caused the deferral of transfer of any Transferred Asset pursuant to this Section 2.11, are obtained, the transfer of the applicable Transferred Asset to Buyer shall automatically and without further action be effected in accordance with the terms of this Agreement and the applicable Ancillary Agreements.

(d) Prior to the Closing Date, Seller shall deliver to Buyer a list identifying, in reasonable detail and to the Knowledge of Seller, the Delayed Transfer Assets and the Authorizations required therefor.

(e) The parties hereto further agree that, assuming as set forth in Section 2.11(b) that all or substantially all of the benefits and burdens relating to the Transferred Assets inure to Buyer, (i) any Delayed Transferred Assets referred to in this Section 2.11(e) shall be treated for all income Tax purposes as Assets of Buyer and (ii) neither Buyer nor Seller shall take, and each of Buyer and Seller shall prevent any of their respective Affiliates from taking, any position inconsistent with such treatment for any income Tax purposes (unless required by a change in applicable income Tax Law or a good faith resolution of a contest).

ARTICLE III

REPRESENTATIONS AND WARRANTIES OF SELLER

Seller represents and warrants to Buyer that, except as set forth on the Seller Disclosure Schedule, as of the date hereof and as of the Closing:

Section 3.1 Organization and Qualification. Seller is a corporation duly organized, validly existing and in good standing under the laws of Delaware and has all requisite corporate power and authority to own, lease and operate its Assets, and to

carry on each Specified Business as currently conducted. Seller is duly qualified to do business and is in good standing as a foreign corporation in each jurisdiction where the ownership or operation of the Transferred Assets or the conduct of each Specified Business requires such qualification, except for failures to be so qualified or in good standing, as the case may be, that would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. Prior to the date hereof, Seller has made available to Buyer a true and complete copy of Seller's certificate of incorporation and bylaws, each as amended and in effect as of the date hereof.

Section 3.2 Subsidiaries and Transferred Investments.

Except to the extent of any Claims that will be discharged (or the functional equivalent thereof in terms of its effect on Buyer, each Specified Business, the Transferred Assets and the Assumed Liabilities) pursuant to the Discharge (or, as applicable, the MCE Discharge or an Additional Discharge), (i) Seller owns, directly or indirectly, through one or more other Subsidiaries (each such Subsidiary that is not also an Asset Transferring Subsidiary is referred to herein as an "Intermediate Subsidiary"), all right, title and interest in and to all of the outstanding Equity Securities of the Asset Transferring Subsidiaries and (ii) all of the outstanding Equity Securities of the Asset Transferring Subsidiaries and Intermediate Subsidiaries have been duly authorized, and are validly issued, fully paid and non-assessable. Except to the extent of any Claims that will be discharged (or the functional equivalent thereof in terms of its effect on Buyer, each Specified Business, the Transferred Assets and the Assumed Liabilities) pursuant to the Discharge (or, as applicable, the MCE Discharge or an Additional Discharge), Seller has, directly or indirectly, good and valid title to the Equity Securities of each Asset Transferring Subsidiary and each Intermediate Subsidiary, free and clear of all Encumbrances, other than Permitted Encumbrances.

(c) Except to the extent of any Claims that will be discharged (or the functional equivalent thereof in terms of its effect on Buyer, each Specified Business, the Transferred Assets and the Assumed Liabilities) pursuant to the Discharge (or, as applicable, the MCE Discharge or an Additional Discharge), Seller has good and valid title to the Transferred Investments, free and clear of all Encumbrances, other than as set forth in any Investment Document, and upon delivery by Seller and/or any of its Affiliates of the Transferred Investments at Closing, good and valid title to the Transferred Investments, free and clear of all Encumbrances, other than as set forth in any Investment Document and those resulting from Buyer's ownership, will pass to Buyer. Copies of all disclosures described in

the foregoing sentence have been made available to Seller. Parent and its Significant Subsidiaries have established and maintain disclosure controls and procedures (as such term is defined in Rule 13a-15(e) under the Exchange Act); such disclosure controls and procedures are designed to ensure that material information relating to Parent, including its Significant Subsidiaries, is made known to Parent's Chief Executive Officer and its Chief Financial Officer by others within those entities; and such disclosure controls and procedures are effective in alerting Parent's Chief Executive Officer and its Chief Financial Officer to material information of the nature required to be disclosed in periodic reports pursuant to the Exchange Act in a timely fashion.

Section 4.10 Litigation and Claims. There are no civil, criminal or administrative actions, suits, demands, claims, hearings, proceedings or investigations pending against, or, to the Knowledge of Buyer, threatened against or affecting, or otherwise relating to Parent or any of its Affiliates, or the Transaction, other than those that would not, individually or in the aggregate, reasonably be expected to have a Parent Material Adverse Effect. None of Parent or any of its Affiliates is subject to any order, writ, judgment, award, injunction or decree of any court or governmental or regulatory authority of competent jurisdiction or any arbitrator or arbitrators, other than those that would not, individually or in the aggregate, reasonably be expected to have a Parent Material Adverse Effect. Section 4.11 Taxes. Each of Parent and its Subsidiaries has filed all Tax Returns required to have been filed (or extensions have been duly obtained) and has paid all Taxes required to have been paid by it, except where failure to file such Tax Returns or pay such Taxes would not, individually or in the aggregate, reasonably be expected to have a Parent Material Adverse Effect.

Section 4.12 Employee Benefits. Except as would not, individually or in the aggregate, reasonably be expected to have a Parent Material Adverse Effect:

(a) all material benefit and compensation plans, programs, contracts, policies or arrangements, including any trusts, trust instruments and insurance contracts forming a part thereof, any "employee benefit plans" within the meaning of Section 3(3) of ERISA, any deferred compensation, stock option, stock purchase, stock appreciation rights, stock based, incentive, bonus, workers' compensation, short term disability, vacation, retention and severance plans and all employment, collective bargaining, consulting, severance and change in control agreements, and all amendments thereto, in each case under which any current or former employee of Parent has any right to benefits and which are contributed to, sponsored by or maintained by Parent (the "Parent Benefit Plans"), have been maintained in substantial compliance with their terms and with the requirements prescribed by any applicable statutes, orders, rules and regulations, including ERISA and the Code;

(b) each Parent Benefit Plan that is intended to be qualified under an applicable provision of the Code or any regulation thereunder, including Section 401(a) of the Code, is so qualified and has been so qualified during the period since its adoption;

(c) each trust created under any such Parent Benefit Plan is exempt from tax and has been so exempt since its creation and, to the Knowledge of Buyer, nothing has occurred with respect to the operation of any Parent Benefit Plan that would cause the loss of such qualification or exemption; and

(d) the Transaction will not result in any new or additional Liability of Parent or any of its Subsidiaries under any Parent Benefit Plan that would not have been a Liability of Parent or any of its Subsidiaries absent the consummation of the Transaction.

Section 4.13 Compliance with Laws. The Parent Business has been since July 1, 2003 and is being conducted in compliance with all applicable Laws and Parent Governmental Authorizations, including the Communications Act, the Cable Communications Policy Act of 1984, the Cable Television Consumer Protection and Competition Act of 1992, the Telecommunications Act of 1996, the Copyright Act of 1976 and all rules and regulations of the FCC and the United States Copyright Office, except for failures to comply that would not, individually or in the aggregate, reasonably be expected to have a Parent Material Adverse Effect. Neither Parent nor any of its Affiliates has received any notice alleging any material violation by Parent or any of its Subsidiaries under any applicable Law, except for violations that have been cured or that would not, individually or in the aggregate, reasonably be expected to have a Parent Material Adverse Effect. Parent has all Parent Governmental Authorizations necessary for the conduct of the Parent Business as currently conducted other than those the absence of which would not, individually or in the aggregate, reasonably be expected to have a Parent Material Adverse Effect. Nothing in this representation is intended to address any compliance matter that is specifically addressed by Sections 4.12 (Employee Benefits), 4.14 (Environmental Matters), 4.16 (Labor) and 4.19 (Parent Franchises).

Section 4.14 Environmental Matters.

(a) Since July 1, 2003, the Parent Business and the Parent Real Property have been in material compliance with all applicable Environmental Laws and there are no material Liabilities under any Environmental Law with respect to the Parent Business.

(b) Since July 1, 2003, none of Parent or any of its Subsidiaries (nor, to Buyer's Knowledge, any predecessor in interest) has received from any Person any notice, demand, claim, letter or request for information, relating to any material violation or alleged material violation of, or any material Liability under, any Environmental Law in connection with or affecting the Parent Business or the Parent Real Property.

(c) There are no writs, injunctions, decrees, orders or judgments outstanding, or any actions, suits, proceedings or investigations pending or, to Buyer's

Knowledge, threatened, relating to material compliance with or material Liability under any Environmental Law affecting the Parent Business or the Parent Real Property.

(d) To Buyer's Knowledge, there are no underground storage tanks, asbestos containing materials, lead based products or polychlorinated biphenyls on any of the Parent Real Property other than as in compliance in all material respects with all Environmental Laws.

Section 4.15 Intellectual Property. Except as would not, individually or in the aggregate, reasonably be expected to have a Parent Material Adverse Effect, as of the Closing Date, Parent or its Subsidiaries will own or have a valid license or other right to use the Intellectual Property necessary to conduct the Parent Business substantially as currently conducted. Parent has not received any notice that (a) use of such Intellectual Property in the Parent Business substantially as currently used by Parent and its Subsidiaries infringes or otherwise violates any Person's Intellectual Property rights or (b) any Person is infringing or otherwise violating any Intellectual Property rights of Parent or its Subsidiaries in such Intellectual Property, that, in either such case, would, individually or in the aggregate, reasonably be expected to have a Parent Material Adverse Effect.

Section 4.16 Labor.

(w) use commercially reasonable efforts to implement all rate changes provided for in the Budget and except for rate increases provided for in the Budget not change the rate charged for any level of cable television, telephony or high speed data services;

(x) except as required by applicable Law (including applicable must-carry laws), not add or voluntarily delete any channels from any Cable System, or change the channel lineup in any Cable System or commit to do any of the foregoing in the future; except for (i) pending channel additions and deletions or changes in channel lineups to the extent customer notifications have, as of the date hereof, been mailed or otherwise made in a manner permitted by each applicable Franchise; (ii) channel additions or changes in lineups as required in order to fulfill distribution commitments or broadcast station retransmission consent obligations (in either case, existing as of the date hereof) pursuant to existing Contracts, and solely to the extent the commitment and/or

obligation must, pursuant to such Contract, be satisfied prior to the Closing Date; (iii) channel additions, migrations or changes in channel lineups in connection with headend consolidations (provided, however, that no new channels may be added to a system unless immediately prior to the headend consolidation, the channel was so carried on one headend or the other, provided, further, that if such channel is carried on both headends and the channel is not carried on the same tier or level of service on the two headends, then after such consolidation, the channel shall be carried on the tier or level of service of the dominant headend); (iv) the addition of one or more of the channels listed on Schedule 5.2(x)(iv) of the Seller Disclosure Schedule in connection with a system upgrade; (v) the roll-out of any video on demand service listed on Schedule 5.2(x)(v) of the Seller Disclosure Schedule or any free video on demand services for which Seller is not required to pay any fee or consideration; (vi) the addition of one or more of the high definition services listed on Schedule 5.2(x)(vi) of the Seller Disclosure Schedule, which additions shall not, except as otherwise noted on Schedule 5.2(x)(vi) of the Seller Disclosure Schedule, require Seller to pay any fee or consideration for such services; or (vii) the addition of the high definition signal of a NBC, ABC, CBS, or Fox station that is licensed to the same designated market area as the system on which such signal is being launched, so long as such signal is a simulcast of such station's analog signal, to the extent Seller is not required to pay any fee or consideration for such high definition signal;

(y) not file a cost-of-service rate justification;

(z) use commercially reasonable efforts to launch telephony and video on demand services in the Cable Systems identified on Schedule 5.2(z) of the Seller Disclosure Schedule substantially in accordance with the timetable set forth on such Schedule 5.2(z), and provide Buyer with written notice promptly following any such launch;

(aa) continue to conduct the Business in accordance with, and not make any change to, the Seller Subscriber Accounting Policy, including as to disconnects;

(bb) not transfer the employment duties of any Applicable Employee from any Cable System to a different Cable System or business unit other than in the Ordinary Course of Business;

(cc) use commercially reasonable efforts to maintain or cause to be maintained its Books and Records and accounts with respect to each Specified Business in the usual, regular and ordinary manner on a basis consistent with past practice;

(dd) give or cause to be given to Buyer, and its counsel, accountants and other representatives, (i) as soon as reasonably possible, but in any event prior to the date of submission to the appropriate Government Entity, copies of all FCC rate Forms 1205, 1210, 1235, and 1240, and simultaneous with, or as soon as reasonably possible after submission to the appropriate Government Entity, any other FCC Forms required under the regulations of the FCC promulgated under the Cable Act that are prepared with respect to any of the Cable Systems and (ii) as soon as reasonably possible after filing

copies of all copyright returns filed in connection with any Cable System; provided, that, in the case of clause (i), before any such FCC Forms 1205, 1210, 1235, or 1240 are filed, Seller and Buyer shall consult in good faith concerning the contents of such forms; and

(ee) not announce an intention, authorize or enter into any agreement or commitment with respect to any of the foregoing.

Section 5.3 Conduct of Parent Business. During the period from the date hereof to the Closing, except as otherwise expressly contemplated by this Agreement, the Parent Redemption Agreement, the TWE Redemption Agreement, the Exchange Agreement, as set forth on Schedule 5.3 of the Buyer Disclosure Schedule or as Seller otherwise agrees in writing in advance, Buyer shall, and shall cause Parent and its Subsidiaries to, use commercially reasonable efforts to preserve intact the Parent Business and its relationship with its material customers, suppliers, creditors and key employees (it being understood that no increases in any compensation or any incentive compensation or similar compensation shall be required in respect thereof except to the extent such increase is required in the Ordinary Course of Business). Without limiting the generality of the foregoing, during the period from the date hereof to the Closing, except as otherwise contemplated by this Agreement or any Ancillary Agreement or as Seller shall otherwise consent (which consent shall not be unreasonably withheld and, provided, that Seller shall respond as soon as reasonably practicable but in no event later than five Business Days following receipt of Buyer's written request for such response) or as set forth in the applicable sections of Schedule 5.3 of the Buyer Disclosure Schedule, Buyer shall not, and shall cause Parent and each its Subsidiaries not to:

(a) sell, lease, license, transfer or dispose of any Assets (it being understood that for purposes of this Section 5.3(a), Assets do not include Equity Securities of Parent or cash or cash equivalents) for consideration not consisting primarily of Systems other than (i) in the Ordinary Course of Business, (ii) pursuant to the Friendco Transaction or (iii) Assets which, in the aggregate, the fair market value of the total consideration therefor would not exceed the amount specified on Schedule 5.3(a)(iii) of the Buyer Disclosure Schedule;

(b) declare, set aside or pay any dividend or distribution on any shares of Parent Capital Stock or other Equity Security in Parent or any of its Subsidiaries other than dividends or distributions by any Subsidiary of Parent to Parent or another Subsidiary of Parent;

(c) enter into any transaction (other than pursuant to any Contract in effect as of the date hereof) having the intended effect of benefiting any Affiliate of Parent (other than any Subsidiary of Parent) at the expense of Parent or any Subsidiary of Parent in a manner that would deprive Parent or any such Subsidiary of the benefit they would otherwise have obtained if the transaction were to have been effected on terms that were on an arm's length basis or any transaction that does not satisfy the requirements of Article VI of Parent's bylaws, as in effect as of the date hereof;

(d) except pursuant to Section 5.4, amend the certificate of incorporation, bylaws or other organizational documents of Parent in a manner adverse to Seller or its stakeholders;

(e) issue any shares of Parent Capital Stock or other Equity Securities of Parent other than (i) Equity Securities issued following the date hereof on arm's-length terms for consideration determined in good faith by Parent's board of directors or any committee thereof to be fair, including, subject to Section 5.3(c), Equity Securities issued to TWX or any of its Affiliates (other than Parent or its wholly owned Subsidiaries), and (ii) Equity Securities issued following the date hereof pursuant to employee option or restricted stock programs approved by Parent's board of directors or the compensation committee thereof; provided, however, that Equity Securities issued pursuant to clause (ii) of this sentence shall not exceed the Permitted Parent Incentive Awards; provided, however, that such limitation shall not apply to any Equity Securities issued as contemplated by clause (ii)(B) of the definition of "Fully Diluted Basis";

(f) settle any claims, actions, arbitrations, disputes or other proceedings not involving a Government Entity that would result in Parent or any of its Affiliates being enjoined in any respect material to the Transaction; or

(g) authorize or enter into any agreement or commitment with respect to any of the foregoing;

provided, however, that, except in respect of Sections 5.3(c) and 5.3(d), the foregoing limitations shall not restrict transactions solely among or between Parent and any of its direct or indirect Subsidiaries.

Section 5.4 Amended and Restated Charter and Amended and Restated By-laws. On or prior to the Closing, Buyer will cause Parent to (a) file the Amended and Restated Charter with the Secretary of State of the State of Delaware and (b) adopt the Amended and Restated By-laws. Buyer will cause Parent (i) for a period of two years following the Closing, not to enter into any merger pursuant to Section 253 of the Delaware General Corporation Law and (ii) for a period of eighteen months following the Closing, not to issue any Equity Securities to any Person (other than, subject to Section 5.3(c) and, following the Closing, the Amended and Restated By-laws, TWX and its Affiliates (other than Parent or its wholly owned Subsidiaries)) that have a higher vote per share than the Parent Class A Common Stock.

Section 5.5 Listing of Purchase Shares.

(a) ~~[-]~~Subject to there being a SEC/DOJ Settlement and Seller having satisfied the covenant in Section 5.19(a), Buyer shall, and shall cause Parent and its Subsidiaries to, use commercially reasonable efforts to cause~~[-]~~ (~~[a]~~i~~(A)~~) effective as of the Closing, the Purchase Shares to be either registered under the Securities Act or exempt from any such registration under section 1145 of the Bankruptcy Code and **(B) effective as of the Closing (or as of such later date that is required by the SEC but in any event no later than two weeks following the Closing), the Purchase Shares** to be

listed for trading on the NYSE [~~and (b)~~ **or, if such listing on the NYSE has not been effected within a reasonable period following the Closing, the Nasdaq Stock Market and (ii)(A)** effective as of the MCE Closing, the MCE Purchase Shares to be either registered under the Securities Act or exempt from any such registration and **(B) effective as promptly as practicable following the MCE Closing, the MCE Purchase Shares,** to be listed for trading on the NYSE **or, if such listing on the NYSE has not been effected within a reasonable period following the Closing, the Nasdaq Stock Market.**

(b) Seller covenants and agrees that Seller shall not transfer or distribute, directly or indirectly, Purchase Shares prior to the earlier of the date on which the Purchase Shares have been registered under the Exchange Act and two weeks following the Closing.

Section 5.6 Commercially Reasonable Efforts.

(a) Subject to the Bankruptcy Code and any orders of the Bankruptcy Court, Seller and Buyer shall, and Buyer shall cause Parent to, cooperate and use their respective commercially reasonable efforts to fulfill as promptly as practicable the conditions precedent to the other party's obligations hereunder and shall use their respective commercially reasonable efforts to fulfill as promptly as practicable the conditions precedent to their obligations hereunder to the extent they have the ability to control the satisfaction of such obligations. Without limiting the generality of the foregoing, Seller and Buyer shall, and Buyer shall cause Parent to, (i) make all filings and submissions required by the U.S. Antitrust Laws and any other Laws, and promptly file any additional information requested as soon as practicable after receipt of such request therefor and promptly file any other information that is necessary, proper or advisable to permit consummation of the Transaction and the Exchange and (ii) use commercially reasonable efforts to obtain and maintain all Seller Required Approvals and Buyer Required Approvals in form and substance reasonably satisfactory to Buyer and Seller. In connection with the foregoing, Seller and Buyer will, and Buyer will cause Parent to, endeavor to consummate the Transaction without (or with minimal) costs, conditions, limitations or restrictions associated with the grant of such Seller Required Approvals and Buyer Required Approvals.

(b) Notwithstanding anything to the contrary herein, nothing in this Agreement shall require Buyer or Parent to agree to or to effect any divestiture, hold separate or similar agreement with respect to any business or Assets or agree to enter into, or amend, or agree to amend, any Contracts or governmental authorizations or take or refrain from taking any other action or conduct any business in any manner if doing so would reasonably be expected, individually or in the aggregate, to have (i) an adverse impact (other than a *de minimis* adverse impact) on TWX or any of its Affiliates (excluding Parent and its Subsidiaries) or any of their respective businesses or Assets (excluding businesses and Assets of Parent and its Subsidiaries) or (ii) an adverse impact that is material to the Parent Business or the Transferred Assets or would materially constrain the operations of Parent and its Subsidiaries or of the Transferred Assets; it being understood that the incurrence of legal, accounting, investment banking and other customary forms of transaction expenses and the commitment of reasonable management

time and effort shall not be considered an adverse impact for the purpose of this clause (ii).

(c) No later than 45 days following the date hereof, Buyer and Seller shall, and Buyer shall cause Parent to, provide each other (or shall cause their respective Subsidiaries to provide) with all necessary documentation to allow filing of FCC Forms 394 with respect to the Franchises with respect to which a LFA Approval is or may be required. Buyer and Seller shall, and Buyer shall cause Parent to, use commercially reasonable efforts to cooperate with one another and, no later than 60 days following the date hereof, file with the applicable Government Entity FCC Forms 394 for each of the Franchises with respect to which a LFA Approval is or may be required. Buyer and Seller shall, and Buyer shall cause Parent to, cooperate and use their commercially reasonable efforts to have Buyer enter into a substitute performance bond arrangement with respect to those Assets of each Specified Business the transfer of which to Buyer would require Buyer to enter into such a substitute bond arrangement, on substantially the same terms as the substitute bond arrangement with respect to such Assets in effect as of the date hereof. Notwithstanding anything to the contrary herein, Seller shall not accept, agree to or accede to any modifications or amendments to, or in connection with, or any conditions to the transfer of, any Franchises that are not approved by Buyer in writing, such approval not to be unreasonably withheld; provided, however, that if Seller affords Buyer reasonable notice of, and opportunity to attend and participate in, meetings or other discussions relating to LFA Approvals where modifications, amendments or conditions are expected to be discussed or negotiated, Buyer shall approve any such modifications, amendments or conditions that are approved by Seller so long as such modifications, amendments or conditions are commercially reasonable and are similar in nature, extent and impact (giving due consideration to such factors as the relative size of the Franchise involved, the proximity of other Franchises, the financial and operational impact of the change and the precedential impact thereof) to modifications, amendments or conditions agreed to by Parent or Buyer or Friendco in connection with material acquisitions of cable assets effected since 2001. In addition, if Buyer seeks any LFA Approval pursuant to this Transaction, Buyer shall agree to any modifications, amendments or conditions that are commercially reasonable and are similar in nature, extent and impact (giving due consideration to such factors as the relative size of the Franchise involved, the proximity of other Franchises, the financial and operational impact of the change and the precedential impact thereof) to modifications, amendments or conditions agreed to by Parent or Buyer or Friendco in connection with material acquisitions of cable assets effected since 2001.

(d) Each of the parties hereto agrees to execute and deliver such other documents, certificates, agreements and other writings and to take such other commercially reasonable actions as may be necessary or desirable in order to evidence, consummate or implement expeditiously the transactions contemplated by this Agreement and to vest in Buyer good and marketable title to the Transferred Assets to the same extent as held by Seller and its Affiliates, free and clear of all Encumbrances other than, in the case of Transferred Assets, Permitted Encumbrances, and in the case of the Transferred Investments, Encumbrances under the Investment Documents.

(e) Seller and Buyer shall, and Buyer shall cause Parent to, cooperate with each other and shall furnish to the other party all information reasonably necessary or desirable in connection with making any filing under the HSR Act, and in connection with resolving any investigation or other inquiry by any Government Antitrust Entity with respect to the Transaction and the Exchange; provided, however, that Buyer shall reimburse Seller for the reasonable out-of-pocket costs, if any, incurred by Seller as a result of such cooperation solely to the extent it relates to the consummation of the Exchange. Each of the parties shall promptly inform the other party of any communication with, and any proposed understanding, undertaking or agreement with, any Government Entity regarding any such filings or any such transaction. Seller and Buyer shall not, and Buyer shall cause Parent not to, participate in any meeting with any Government Antitrust Entity in respect of any such filings, investigation or other inquiry without giving the other party prior notice of, and the opportunity to participate in, such meeting. The parties hereto will consult and cooperate with one another in connection with any analyses, appearances, presentations, memoranda, briefs, arguments, opinions and proposals made or submitted by or on behalf of any party hereto in connection with all meetings, actions and proceedings under or relating to the HSR Act (including, with respect to making a particular filing, by providing copies of all such documents (other than those that will not be publicly available) to the non-filing party and their advisors prior to filing and, if requested, giving due consideration to all reasonable additions, deletions or changes suggested in connection therewith); provided, however, that in no event shall Buyer or Seller be required to furnish, or Buyer be required to cause Parent to furnish, any information that, based on advice of such party's counsel, would reasonably be expected to create any potential Liability under applicable Laws, including U.S. Antitrust Laws, or would constitute a waiver of any material legal privilege (provided, that in such latter event Buyer and Seller shall use commercially reasonable efforts to cooperate to permit disclosure of such information in a manner consistent with the preservation of such legal privilege).

(f) In furtherance and not in limitation of the foregoing, each of Buyer and Seller agrees to make, and Buyer agrees to cause Parent to make, as promptly as practicable, (i) an appropriate filing of a Notification and Report Form pursuant to the HSR Act with respect to the Transaction and the Exchange (which filing shall be made in any event within 20 Business Days of the date hereof), (ii) appropriate filings with the FCC, and any state public service commissions having jurisdiction over any Transferred Assets or any services provided by any Specified Business or the Assets of or services provided by the Parent Business with respect to the Transaction and the Exchange, and (iii) all other necessary filings with other Government Entities relating to the Transaction and the Exchange, and to use commercially reasonable efforts to cause the expiration or termination of the applicable waiting periods under the HSR Act and the receipt of the Seller Required Approvals and the Buyer Required Approvals under such other Laws or from such authorities or third parties as soon as practicable; provided, however, that Buyer shall reimburse Seller for the reasonable out-of-pocket costs, if any, incurred by Seller as a result of such cooperation solely to the extent it relates to the consummation of the Exchange.

(g) Each of Seller and Buyer shall, and Buyer shall cause Parent to, give (or shall cause their respective Subsidiaries to give) any notices to third parties, and use, and cause their respective Subsidiaries to use, commercially reasonable efforts to obtain any third party (excluding Government Entities) consents related to or required in connection with the Transaction and the Exchange that are Seller Required Approvals or Buyer Required Approvals; provided, however, that Buyer shall reimburse Seller for the reasonable out-of-pocket costs, if any, incurred by Seller as a result of such cooperation solely to the extent it relates to the consummation of the Exchange.

(h) Seller shall, and shall cause its Affiliates to, take all actions as may be necessary or desirable in order that, as of the Closing, all of the Assets (other than any Equity Securities or other Excluded Assets) of the Tele-Media Entities and each of their respective Subsidiaries shall constitute Transferred Assets.

(i) Notwithstanding anything in this Agreement to the contrary, Buyer shall have the sole responsibility for any filing, submission or other action (including, for the avoidance of doubt, obtaining any required LFA Approval) that is necessary, proper or advisable to permit the consummation of the Exchange (it being understood that Seller shall use its commercially reasonable efforts to cooperate with Buyer with respect to any action required to be taken by Buyer pursuant to this sentence; provided, however, that Buyer shall reimburse Seller for the reasonable out-of-pocket costs, if any, incurred by Seller as a result of such cooperation solely to the extent it relates to the consummation of the Exchange.

(j) After the Closing, Buyer shall, in the Ordinary Course of Business of Parent, use its commercially reasonable efforts to bill and collect from each Basic Subscriber that is potentially a Qualified Customer any amounts due and payable in respect of services delivered to such Basic Subscriber prior to the Closing.

Section 5.7 Tax Matters.

(a) Proration of Taxes. To the extent necessary to determine the liability for Taxes for a portion of a taxable year or period that begins before and ends after the Closing, the determination of the Taxes for the portion of the year or period ending on, and the portion of the year or period beginning after, the Closing shall be determined by assuming that the taxable year or period ended as of the close of business on the Closing, except that those annual property taxes and exemptions, allowances or deductions that are calculated on an annual basis shall be prorated on a time basis. For the avoidance of doubt, (i) any Taxes that are apportioned to the portion of a taxable period that ends on the Closing pursuant to this Section 5.7(a) shall be Excluded Taxes and (ii) any Taxes that are apportioned to the portion of a taxable period beginning after the Closing pursuant to this Section 5.7(a) shall be Assumed Taxes.

(b) Tax Returns. Buyer shall not file any amended Tax Returns with respect to the Transferred Assets that include periods ending on or prior to the Closing without Seller's written consent, which shall not be unreasonably withheld or delayed.

(c) Transfer Taxes.

(i) To the extent not otherwise exempt to the fullest extent permitted by section 1146(c) of the Bankruptcy Code and except as otherwise provided in this Section 5.7(c)(i), all federal, state, local or foreign or other excise, sales, use, value added, transfer (including real property transfer or gains), stamp, documentary, filing, recordation and other similar taxes and fees that may be imposed or assessed as a result of the Transaction, together with any interest, additions or penalties with respect thereto and any interest in respect of such additions or penalties ("Transfer Taxes"), shall, subject to the provisos to Sections 5.7(c)(iii) and 5.7(c)(v), be borne by Buyer.

(ii) Any Tax Returns that must be filed in connection with Transfer Taxes ("Transfer Tax Returns") shall be prepared by Buyer and Buyer shall prepare such Transfer Tax Returns in a manner consistent with the allocation of the Aggregate Consideration pursuant to Section 5.7(d); provided, however, that if Buyer and Seller do not jointly agree to a Purchase Price Allocation Schedule as provided in Section 5.7(d) and except as provided in Section 5.7(c)(iii), any such Transfer Tax Return shall be prepared by Buyer in good faith in a manner consistent with the purchase price allocation of Buyer or Seller that Buyer and Seller, as the case may be, use for Tax purposes, that results in the higher aggregate Transfer Tax liability with respect to each applicable jurisdiction. The party filing any Transfer Tax Return (or similar form claiming an applicable exemption from Transfer Taxes) pursuant to this Section 5.7 shall furnish a copy of such Transfer Tax Return (or similar form) to the other party.

(iii) Except as provided in the following proviso, all Transfer Tax Returns shall be filed by Buyer, and Buyer shall be responsible for remitting all amounts shown as due on such Transfer Tax Returns to the appropriate Government Entity; provided, however, that, in the case of any Transfer Tax Return in which Seller's purchase price allocation would result in a higher aggregate Transfer Tax liability than Buyer's purchase price allocation (w) Buyer shall prepare such Transfer Tax Return unless Seller reasonably determines that the positions taken on such Transfer Tax Return as prepared by Buyer would reasonably be expected to give rise to a material risk of civil and/or criminal penalties (other than interest) if challenged by the applicable Government Entity, in which case, Seller may prepare such Transfer Tax Return, (x) Seller shall be responsible for filing such Transfer Tax Return and for remitting all amounts shown as due thereon to the appropriate Government Entity, (y) notwithstanding any other provision of this Section 5.7(c) to the contrary, Buyer shall pay to Seller an amount equal to the Transfer Tax liability that would have resulted if such return had been prepared by Buyer (it being understood that, for purposes of this clause (y), the Transfer Tax Return that would have been prepared by Buyer shall be determined by using (1) the Buyer's purchase price allocation, and (2) Buyer's interpretation of applicable Tax Law as reflected in the Transfer Tax Return prepared by Buyer pursuant to clause (x) hereof), and (z) Seller shall have sole responsibility for the balance of the Transfer Tax liability with respect to such Transfer Tax Return. Buyer and Seller shall (and shall cause each of their respective Affiliates to) cooperate in the timely completion and filing of all such Tax Returns, and Buyer and Seller shall (and shall cause each of their respective

Affiliates to) execute such documents in connection with such filings as shall have been required by Law or reasonably requested by the other party.

(iv) Buyer shall control the conduct of any audit, claim, contest or administrative or judicial proceeding relating to such Transfer Taxes, subject to Seller's right to make any statement or report to any tax authority reflecting the purchase price allocation prepared by Seller; provided, however, that Seller shall be entitled to make any such statement and/or report only (A) to the extent Seller reasonably determines is reasonably necessary to rebut any presumption under applicable Tax Law that would otherwise deem Seller to have agreed to and adopted the purchase price allocation prepared by Buyer in the absence of such statement or report and (B) if such presumption could reasonably be expected to result in an adverse effect on Seller other than a *de minimis* adverse effect. If Buyer or Seller receives any written notice of assessment or other claim from any Government Entity with respect to Transfer Taxes for which the other party may be liable pursuant to this Section 5.7(c), the notified party shall notify the other party in writing of the receipt of such notice of assessment or other claim promptly after the receipt thereof.

(v) Any additional Transfer Taxes resulting from an adverse determination by a Government Entity shall be borne by Buyer; provided, however, that, so long as the adverse determination by the applicable Government Entity does not relate directly to purchase price allocation, Seller shall be responsible for any such additional Transfer Taxes to the extent that such additional Transfer Taxes are attributable to the use of Seller's purchase price allocation rather than Buyer's purchase price allocation.

(vi) Any Transfer Taxes resulting from any subsequent increase in the Purchase Price pursuant to this Agreement shall be borne in accordance with the provisions of this Section 5.7(c).

(vii) Buyer and Seller shall cooperate in good faith to minimize the amount of Transfer Taxes that may be imposed or assessed as a result of the Transaction, including pursuant to one or more restructuring transactions consummated pursuant to the Plan prior to the Closing; provided, that Buyer and Seller conclude in good faith that such restructuring would have a more likely than not probability of prevailing if challenged by the applicable Government Entity.

(d) Determination and Allocation of Purchase Price. Seller and Buyer undertake to act in good faith to jointly agree to a schedule setting forth the allocation of the Aggregate Consideration among the Transferred Assets (the "Purchase Price Allocation Schedule") for Tax purposes. If Seller and Buyer so agree within 180 days of the Closing Date, Seller and Buyer shall, and Seller and Buyer shall cause each of their respective Affiliates, (i) to report the federal, state, and local income and other Tax consequences of the Transaction contemplated herein in a manner consistent with such Purchase Price Allocation Schedule and (ii) not to take any position inconsistent therewith for any Tax purposes (unless required by a change in applicable Tax Law or as a result of a good faith resolution of a contest). If Seller and Buyer do not so agree within 180 days of the Closing Date, each of Seller and Buyer may prepare their own purchase

price allocation and, for the avoidance of doubt and except as provided in Sections 5.7(c)(iii) and 5.7(c)(v), each of Buyer and Seller will have no liability to the other for any additional Taxes that may be imposed by any Government Entity as a result of inconsistencies between the respective allocations of Buyer and Seller.

(e) Employee Withholding and Reporting Matters. With respect to those Transferred Employees who are employed by Buyer within the same calendar year as the Closing, Buyer shall, in accordance with and to the extent permitted pursuant to Revenue Procedure 2004-53, 2004-34 I.R.B. 320, assume all responsibility for preparing and filing Form W-2, Wage and Tax Statement, Form 941, Employer's Quarterly Federal Tax Return, Form W-4, Employee's Withholding Allowance Certificate and Form W-5, Earned Income Credit Advance Payment Certificate. Seller and Buyer agree to comply with the procedures described in Section 5 of the Revenue Procedure 2004-53. Notwithstanding any provision of this Agreement, all Taxes required to have been withheld by Seller and its Subsidiaries from their respective employees and independent contractors with respect to any taxable periods, or portions thereof, ending on or before the Closing shall be Excluded Liabilities and shall not be treated as Assumed Liabilities.

(f) Consistent Treatment. The parties intend that the Transaction shall constitute a taxable transaction and, for the avoidance of doubt, the Transaction shall not be governed by Sections 351 or 368(a) of the Code (or similar provisions of state, local or foreign Tax law, as applicable). The parties agree to, and to cause their respective Affiliates to, treat the Transaction in the foregoing manner for all income Tax purposes (unless otherwise required by a change in applicable income Tax law or as a result of a good faith resolution of a contest).

(g) Notice of Buyer Adverse Tax Event. If any change in Tax Law or Proposed Change in Tax Law occurs and Buyer or Paul, Weiss, Rifkind, Wharton & Garrison LLP (or such other counsel that Buyer selects to represent Buyer with respect to the Transaction) believes that such change in Tax Law or such Proposed Change in Tax Law has a reasonable possibility of constituting a Buyer Adverse Tax Event as of the Closing Date, Buyer shall within ten Business Days of such determination provide written notice to Seller describing the change in Tax Law or the Proposed Change in Tax Law and a statement that such change in Tax Law or Proposed Change in Tax Law may constitute a Buyer Adverse Tax Event as of the Closing Date (a "Buyer Adverse Tax Event Notice"). Upon reasonable request by Seller, Buyer will make its counsel reasonably available to Seller to discuss why Buyer believes the described change in Tax Law or Proposed Change in Tax Law has a possibility of constituting a Buyer Adverse Tax Event.

Section 5.8 Post-Closing Obligations of each Specified Business to Certain Employees.

(a) Seller shall provide to Buyer no later than 14 Business Days following the date hereof, a copy of each employment agreement or other individual agreement governing the terms and conditions of any Applicable Employee's employment entered into with any Applicable Employee and a schedule of each

Applicable Employee with his or her title, job location, employer, primary place of residence, salary or wage rate, commission status, bonus opportunity, date of hire, level or other job classification, full or part time status, “exempt” or “non-exempt” status, whether such Applicable Employee is part of a collective bargaining unit and regularly scheduled work shift, as applicable, and shall supplement such schedule no later than 60 Business Days following the date hereof, indicating for each Applicable Employee, such Applicable Employee’s direct supervisor and most recent performance rating or evaluation. In addition, no later than 55 Business Days prior to the Closing Date, Seller shall update such schedule, including with respect to each Applicable Employee’s direct supervisor and most recent performance rating or evaluation. No later than 40 Business Days prior to the Closing Date, Buyer shall make offers of employment commencing on the Closing Date to all Applicable Employees, and such offers shall be contingent upon (i) the Closing, (ii) such Employee being an Applicable Employee on the Closing Date and (iii) such Applicable Employee’s satisfaction of customary employment conditions applicable to all Parent employees which customary employment conditions are set forth on Schedule 5.8(a)(i) of the Buyer Disclosure Schedule (it being understood that such conditions will not include the evaluation of prior performance) (the “Background Check”); provided, however, that Buyer shall have no obligation to extend an offer of employment to any Employee who as of the date hereof or as of the Closing Date is identified by job function, description or title or otherwise noted on Schedule 5.8(a)(ii) of the Seller Disclosure Schedule. Buyer shall, and shall cause Parent to, cooperate with Seller from and after the date hereof to communicate with Applicable Employees other than those set forth on Schedule 5.8(a)(ii) of the Seller Disclosure Schedule regarding the anticipated offers of employment to be made by Buyer to such Applicable Employees hereunder. Offers of employment required by this Section 5.8(a) shall be for a position of similar or greater status, authority, duties and aggregate compensation (excluding any equity-based compensation, severance, retention, sale, stay, special bonus, emergence or other change in control payments or awards or any similar compensation or award) as such Employee enjoys with Seller and/or its Affiliates immediately prior to the Closing Date, that is within a 50-mile radius from such Employee’s primary place of residence as of the Closing Date, and with any such additional rights and benefits as are prescribed by this Section 5.8. Consistent with and subject to the foregoing and the other terms of this Agreement, Buyer shall have the right to establish the terms and conditions under which such offers will be made. No later than two Business Days following the date offers are required to be made hereunder, Buyer shall provide to Seller a list of the Applicable Employees who do not satisfy the Background Check, by job position or name and region, and as to whom Buyer as a result of such Background Check failure has not made offers of employment pursuant to this Section 5.8(a). The parties hereto shall cooperate with each other to give effect to this Section 5.8(a) and neither Seller nor its Affiliates shall take any actions that would interfere with the Applicable Employees so offered employment from becoming employed by Buyer as of the Closing Date. If any Employee, other than a Transferred Employee, becomes entitled to any payments or benefits under any severance policy, plan, agreement, arrangement or program which exists or arises or may be deemed to exist or arise, under any applicable Law or otherwise, as a result of the consummation of the Transaction or otherwise, Seller shall be liable for such amounts, which Liability shall constitute an Excluded Liability except to

the extent Buyer does not comply with the requirement to offer employment on the terms set forth in this Section 5.8(a).

(b) Beginning on the Closing Date and ending no earlier than the first anniversary of the Closing Date, Buyer shall, or shall cause Parent to, provide each Transferred Employee, other than any Transferred Employee included in a collective bargaining unit covered by the Collective Bargaining Agreements as in effect on the Closing Date (each, a “Union Employee”) with, at Buyer’s sole discretion, either compensation and employee benefits that are (i) no less favorable in the aggregate (excluding any equity-based compensation, severance, retention, sale, stay, special bonus, emergence or other change in control payments or awards or any similar compensation or award) than the compensation and employee benefits provided to each such Transferred Employee immediately prior to the Closing Date or (ii) substantially comparable in the aggregate (excluding any severance) to the compensation and employee benefits provided to similarly situated employees of Parent; provided, that for purposes of any equity-based compensation, such employees shall be deemed newly hired employees of Parent. In addition, to the extent Parent maintains a tax-qualified defined benefit pension plan, from and after the date each Transferred Employee satisfies the applicable eligibility and service requirements of any such plan as in effect on any date of determination, such Transferred Employee shall participate in such plan to the same extent as similarly situated employees of Parent. With respect to Union Employees, Buyer will retain any and all of the rights and obligations it may have pursuant to applicable labor Law.

(c) Notwithstanding Section 5.8(b), beginning on the Closing Date, Buyer shall, or shall cause Parent to, for a period ending no earlier than the first anniversary of the Closing Date, maintain a severance plan for the benefit of each Transferred Employee, other than any Union Employee, that is no less favorable to Transferred Employees than the Amended and Restated Adelphia Communications Corporation Severance Plan effective September 21, 2004 (the “Seller Severance Plan”) and which includes the same general terms and conditions regarding eligibility and exclusion from eligibility for severance pay and benefits as the Seller Severance Plan. It is intended that this Section 5.8(c) shall not result in any duplication of benefits to any Transferred Employee.

(d) To the extent (and only to the extent) set forth on Schedule 5.8(d) of the Seller Disclosure Schedule, Buyer shall assume all Liabilities and obligations to provide any severance pay and benefits to any Transferred Employee whose employment is terminated following the Closing. Buyer shall reimburse Seller for any severance costs incurred with respect to any Employee who is not offered employment by Buyer pursuant to this Transaction in the event Parent or any of its Subsidiaries hires such Employee within three months after the Closing.

(e) For purposes of this Agreement, (i) “Applicable Employees” means all of the following:

(A) All persons who are active Employees on the Closing Date, including Employees on vacation and Employees on a regularly scheduled day off

from work. Employees on temporary leave for purposes of jury or annual two-week national service/military duty shall be deemed to be active Employees;

(B) Employees who on the Closing Date are on nonmedical leave of absence; provided, however, that no such Employee shall be guaranteed reinstatement to active service if his return to employment is contrary to the terms of his leave, unless otherwise required by applicable Law (for purposes of the foregoing, nonmedical leave of absence shall include maternity or paternity leave, leave under the Family and Medical Leave Act of 1993, educational leave, military leave with veteran's reemployment rights under federal Law, or personal leave, unless any of such is determined to be a medical leave); and

(C) Employees who on the Closing Date are on disability or medical leave and for whom it has been 180 calendar days or less since their last day of active employment; provided, however, that no such Employee shall be guaranteed reinstatement to active service if he is incapable of working in accordance with the policies, practices and procedures of Buyer; and

(ii) "Transferred Employees" means those Applicable Employees who accept offers of employment with Buyer.

(f) Seller shall retain responsibility for and continue to pay all medical, life insurance, disability and other welfare plan expenses and benefits for each Transferred Employee with respect to claims incurred by such Transferred Employee or his or her covered dependents prior to the Closing Date except to the extent (and only to the extent) such liabilities are reflected in the determination of the Closing Net Liabilities used in the determination of the Final Adjustment Amount for the Specified Business in which such Transferred Employee is employed. Buyer shall be responsible for all expenses and benefits with respect to claims incurred by Transferred Employees or their covered dependents on or after the Closing Date. For purposes of this paragraph, a claim is deemed incurred: (i) in the case of medical or dental benefits, when the services that are the subject of the claim are performed, (ii) in the case of life insurance, when the death occurs, (iii) in the case of long-term disability benefits, when the Employee becomes disabled, and (iv) in the case of workers compensation benefits, when the event giving rise to the benefits occurs.

(g) With respect to any plan that is a "welfare benefit plan" (as defined in Section 3(1) of ERISA), or any plan that would be a "welfare benefit plan" (as defined in Section 3(1) of ERISA) if it were subject to ERISA, maintained by Parent, Buyer shall (i) provide coverage for Transferred Employees under its medical, dental and health plans as of the Closing Date in accordance with the terms of such plans, (ii) cause there to be waived any pre-existing conditions, actively at work requirements and waiting periods or other eligibility requirements to the extent such conditions, requirements or waiting periods were satisfied by a Transferred Employee under a corresponding Benefit Plan, and (iii) cause such plans to honor any expenses incurred by the Transferred Employees and their dependents or beneficiaries under similar plans of Seller and its Affiliates

during the portion of the calendar year in which the Closing Date occurs for purposes of satisfying applicable deductible, co-insurance and maximum out-of-pocket expenses.

(h) Transferred Employees shall be given credit for purposes of eligibility and vesting and other entitlement to benefits or rights, under each employee benefit plan of Parent (each, a “Buyer Plan”) in which such Transferred Employees are or become eligible to participate, for all service (including service with Seller or any of its Affiliates) for which such Transferred Employees were credited for such purposes under a corresponding Benefit Plan of Seller prior to the Closing Date; provided, however, that nothing in this Section 5.8(h) shall result in any duplication of benefits.

(i) Except as required by applicable Law, as of the Closing Date, the Transferred Employees shall cease to accrue further benefits under the employee benefit plans and arrangements maintained by Seller and its Affiliates. From and after the Closing, Seller shall remain solely responsible for any and all Liabilities in respect of the Employees, including the Transferred Employees, related to the Benefit Plans, except as otherwise provided in this Section 5.8. None of Buyer or any of its Affiliates shall assume or have transferred to them the sponsorship of any of the Benefit Plans or any other benefit plans or arrangements maintained by Seller or any of its Affiliates, including any non-qualified deferred compensation or rabbi trust plans or arrangements, pursuant to or in connection with the Transaction.

(j) Seller shall take all actions necessary to fully vest the Transferred Employees in their account balances under Seller’s tax-qualified 401(k) plan (“Seller’s 401(k) Plan”) effective as of the Closing Date. In accordance with the terms of the applicable plan, each Transferred Employee shall be eligible to participate in a Parent-sponsored defined contribution plan intended to qualify under Sections 401(a) and 401(k) of the Code (“Buyer’s 401(k) Plan”). Buyer shall take all actions reasonably necessary to permit beginning as soon as reasonably practical following the Closing Date each Transferred Employee who has received an eligible rollover distribution (as defined in Section 402(c)(4) of the Code) from Seller’s 401(k) Plan to roll over the distribution, to an account in Buyer’s 401(k) Plan.

(k) With respect to any accrued but unused vacation time (including flexible time-off and sick pay) to which any Transferred Employee is entitled pursuant to the vacation policy applicable to such Transferred Employee immediately prior to the Closing Date, Buyer shall, to the extent permitted by applicable Law, assume the liability for such accrued vacation and allow such Transferred Employee to use such accrued vacation to the extent such Transferred Employee would have been entitled to such accrued vacation based on his level and years of service under the vacation policy of Parent in effect as of the Closing Date as if such Transferred Employee had been employed by Buyer during such Transferred Employee’s employment with Seller; provided, however, that if the Transferred Employee’s accrued vacation is greater than the amount of vacation to which such Transferred Employee would have been entitled under Parent’s vacation policy, Buyer shall pay to such Transferred Employee within 90 days of the Closing Date an amount in cash equal to the difference but only to the extent of the amount reflected in the Closing Net Liabilities Amount used in calculating the

Final Adjustment Amount for the Specified Business in which such Transferred Employee is employed. With respect to any sale bonuses under the Sale Bonus Program, Seller shall be responsible for the payment to all Employees of that portion of the bonus that is to be paid on the “First Sale Bonus Payment Date” (as defined in the Sale Bonus Program), which bonuses shall be paid prior to or on the Closing. Buyer shall be responsible for the payment to Transferred Employees on a timely basis of any sale bonuses under the Sale Bonus Program to be paid after the “First Sale Bonus Payment Date” but only to the extent of the amount reflected in the Closing Net Liabilities Amount used in calculating the Final Adjustment Amount for the Specified Business in which such Transferred Employee is employed.

(l) Buyer shall be responsible for providing or discharging any and all notifications, benefits and liabilities to Transferred Employees and governmental authorities required by WARN or by any other applicable Law relating to plant closings or employee separations that are required (i) to be provided after the Closing or (ii) with respect to any plant closing or mass layoff that occurs within the 60-day period immediately following the Closing. Seller agrees to cooperate in preparing and distributing any notices that Buyer may desire to provide prior to the Closing. No later than five Business Days prior to the Closing Date, Seller shall provide Buyer with a schedule setting forth each Employee whose employment was terminated or is anticipated to be terminated during the six month period prior to the Closing Date and the work location of such Employee.

(m) Buyer shall assume any liability under COBRA arising from the actions (or inactions) of Buyer or its Affiliates with respect to the Transferred Employees after the Closing Date. Seller shall retain all obligations with respect to continued coverage under COBRA (and any similar state Law), Section 4980B of the Code and Part 6 of Subtitle B of Title I of ERISA and the regulations thereunder for all Employees, including Applicable Employees, who do not become Transferred Employees. Notwithstanding the immediately preceding sentence, to the extent required by Treasury Regulation Section 54.4980B-9, Q&A-8(c), Buyer shall perform all obligations under COBRA and the foregoing provisions of the Code and ERISA with respect to each employee of Seller who is an “M&A qualified beneficiary” with respect to the Transaction, as such term is defined by Treasury Regulation section 54.4980B-9, Q&A-4.

(n) For Employees who participate in Seller’s short term incentive bonus program, including the Short-Term Incentive Plan, Sales Incentive Plan and Marketing Incentive Plan, Seller shall be responsible for paying their respective annual bonuses for the period from the January 1 immediately preceding the Closing Date through the Closing (pro-rated for the partial year) and shall pay such bonuses to such Employees no later than the Closing; and, solely with respect to Transferred Employees who participated immediately prior to the Closing Date in such Seller’s short term incentive bonus programs, Buyer shall be responsible for paying respective annual bonuses for the period from the Closing Date through the December 31 immediately following the Closing Date pro-rated for the partial year.

(o) With respect to any Transferred Employee who becomes employed by Friendco or any of its Affiliates pursuant to the Exchange Agreement, references to any benefit plans maintained by Buyer or Parent shall be deemed to be references to benefit plans maintained by Friendco or its Affiliates and references to similarly situated employees of Buyer shall be deemed to be references to similarly situated employees of Friendco or its Affiliates.

(p) The parties hereto hereby acknowledge and agree that no provision of this Agreement shall be construed to create any right to any compensation or benefits whatsoever on the part of any Employee or other future, present or former employee of Seller or any of its Affiliates. Nothing in this Section 5.8 or elsewhere in this Agreement shall be deemed to make any employee of the parties or their respective Affiliates a third party beneficiary of this Section 5.8 or any rights relating hereto.

(q) The parties hereto hereby acknowledge and agree that Buyer shall have no Liability in respect of any award to any Employee, director, consultant, independent contractor or other service provider of Seller or its Affiliates with respect to any shares of Seller's Equity Securities, whether existing on the date hereof or arising in the future ("Stock Awards"), and that all Liabilities related to such Stock Awards shall be Excluded Liabilities.

(r) Seller agrees that, notwithstanding anything in this Agreement to the contrary, the payments of awards under the Amended and Restated Adelpia Communications Corporation Performance Retention Plan shall in no event be made in Equity Securities of Buyer, Parent or any Affiliate of Parent and shall be satisfied in full by Seller prior to or on the Closing.

Section 5.9 Ancillary Agreements. At the Closing, Seller shall and shall cause each of its Affiliates party to an unexecuted Ancillary Agreement to, execute and deliver each unexecuted Ancillary Agreement to which it is a party, and Buyer shall execute and deliver each of the unexecuted Ancillary Agreements to be executed by it.

Section 5.10 Acquisition Proposals. Except as otherwise provided in this Section 5.10, Seller agrees that neither it nor any of its Subsidiaries nor any of their respective directors, officers or employees shall, and that it shall direct its Subsidiaries and its and its Subsidiaries' agents and representatives and use its best efforts to cause its and its Subsidiaries' agents and representatives (including any investment banker, attorney or accountant retained by it or any of its Subsidiaries) not to, directly or indirectly, initiate, solicit or encourage any inquiries or the making of any proposal or offer with respect to a merger, reorganization (including an Alternate Plan), share exchange, consolidation or similar transaction involving (directly or indirectly), or any purchase (directly or through a proposed investment in Equity Securities, debt securities or claims of creditors) of 10% or more of the Transferred Assets Related to the Business or of the outstanding Equity Securities of Seller or any of its Affiliates directly or indirectly owning Assets Related to the Business (any such proposal or offer being hereinafter referred to as an "Acquisition Proposal" and any such transaction, an "Acquisition"); provided, however, that the foregoing shall not restrict Seller from

renewing the “exit financing” of the Debtors on substantially the same terms as in effect as of March 31, 2005. Seller further agrees that neither it nor any of its Subsidiaries nor any of their respective directors, officers or employees shall, and that it shall direct its Subsidiaries and its and its Subsidiaries’ agents and representatives and use its best efforts to cause its and its Subsidiaries’ agents and representatives (including any investment banker, attorney or accountant retained by it or any of its Subsidiaries) not to, directly or indirectly, engage in any negotiations concerning, or provide any confidential information or data to or have any discussions with any Person relating to, an Acquisition Proposal, or otherwise facilitate any effort or attempt to make or implement an Acquisition Proposal. Seller agrees that it will take the necessary steps to promptly inform the Persons referred to in the first sentence of this Section 5.10 of the obligations undertaken in this Section 5.10 and to cause them to cease immediately any current activities that are inconsistent with this Section 5.10. Notwithstanding the foregoing, nothing contained in this Agreement shall prevent Seller or its board of directors (the “Board”) from:

(a) (i) complying with its disclosure obligations under Law or the Bankruptcy Code with regard to an Acquisition Proposal, or (ii) prior to the commencement of the Confirmation Hearing, in response to an unsolicited bona fide Acquisition Proposal, (A) (1) providing information to (including discussing any due diligence issues, requests or clarifications with) a Person with whom Seller executes a confidentiality agreement on terms no less favorable to Seller than those contained in the Seller Confidentiality Agreement (as in effect prior to amendment on the date hereof), other than any restrictions on such Person’s ability to make or amend an Acquisition Proposal and (2) following receipt of a bona fide unsolicited Acquisition Proposal from such a Person, engaging in discussions with such Person to the extent such discussions are confined to clarifying any term of such Acquisition Proposal or (B) engaging in any negotiations or discussions with any Person who has made such an Acquisition Proposal if and only to the extent that in each such case referred to in clauses (A) and (B) above, (1) the Board determines in good faith after consultation with outside legal counsel that the directors of Seller should take such action in order to comply with their fiduciary duties under applicable Law, (2) such Acquisition Proposal involves the direct or indirect acquisition by one or more third parties of at least 66-2/3% of (x) all Assets Related to the Business or (y) the outstanding Equity Securities of Seller and (3) in each such case referred to in clause (B) above, the Board determines in good faith (after consultation with its financial and legal advisors) that such Acquisition Proposal, if accepted, is reasonably likely to be consummated, taking into account all legal, financial and regulatory aspects of the proposal and the Person making the proposal, and if consummated, would result in a transaction more favorable (taking into account, without limitation, financial terms of any termination fee that may be payable pursuant to Section 8.5(b)) to Seller’s stakeholders from a financial point of view than the Transaction (any such more favorable Acquisition Proposal being referred to in this Agreement as a “Superior Proposal”). Seller or any of its Subsidiaries shall notify Buyer promptly (but in no event later than 24 hours) after receipt by Seller or any of its Subsidiaries (or any of their respective directors, officers, employees or advisors) of any Acquisition Proposal, any indication that a third party is considering making an Acquisition Proposal or any request for information relating to the Transferred Assets, any Specified Business, Seller

or any of its Subsidiaries or for access to any Specified Business or any of the Transferred Assets by any third party that may be considering making, or has made, an Acquisition Proposal. Seller shall provide such notice orally and in writing and shall identify the third party making, and the terms and conditions of, any such Acquisition Proposal, indication or request. Seller shall keep Buyer fully informed, on a current basis, of the status and details of any such Acquisition Proposal, indication or request. Seller shall promptly provide Buyer with any non-public information concerning Seller's business, present or future performance, financial condition or results of operations, provided to any third party that was not previously provided to Buyer; and

(b) (i) prior to the commencement of the Confirmation Hearing, engaging in any negotiations or discussions concerning an Alternate Plan with the Committees, the stakeholders of Seller or its Affiliates or their respective advisors (in each case (other than in the case of Committees) with whom Seller enters into, or has entered into, a confidentiality agreement on customary terms under the circumstances that restricts such stakeholder (other than with respect to any other stakeholder who is subject to a substantially similar confidentiality agreement or to the Committees) from (x) disclosing any confidential information regarding Seller and its Affiliates, Buyer and its Affiliates, or information regarding an Alternate Plan, including the status thereof, and (y) making public statements regarding any of the foregoing), but only to the extent that (A) the Board determines in good faith after consultation with outside legal counsel that the directors of Seller should take such action in order to comply with their fiduciary duties under applicable Law and (B) the Board determines in good faith (after consultation with its financial and legal advisors) that such Alternate Plan, if pursued and assuming (for purposes of determining the right to engage in negotiations or discussions pursuant to this Section 5.10(b), but not for purposes of the definition of "Superior Alternate Plan") the support of Seller's stakeholders therefor, is reasonably likely to be consummated, taking into account all legal, financial and regulatory aspects of the proposed Alternate Plan and, if consummated, would result in a transaction more favorable (taking into account, without limitation, the financial terms of any termination fee that may be paid pursuant to Section 8.5(b)) to the stakeholders of Seller and its Affiliates from a financial point of view than the Transaction (any such more favorable Alternate Plan being referred to in this Agreement as a "Superior Alternate Plan") or (ii) after entry of a Confirmation Order satisfying the condition set forth in Section 6.2(g) (but only for so long as such Confirmation Order is in effect), planning for an Alternate Plan that involves the emergence of Debtors as standalone entities with no greater than a 10% additional equity contribution (other than existing Claims), including engaging in any negotiations or discussions concerning an Alternate Plan with stakeholders of Seller or its Affiliates or their advisors, preparing (but not filing) a disclosure statement with respect to such Alternate Plan and preparing and negotiating any intercreditor agreements; provided, however, that such Alternate Plan provides that it can only be confirmed and effective if this Agreement is terminated in accordance with its terms and such planning does not involve any action or omission that could reasonably be expected to materially impair or materially delay the Transaction; provided, further, that nothing in this Section 5.10(b) shall permit any public statements or filings with the Bankruptcy Court or any other court by or on behalf of Seller or its Affiliates. Seller shall notify Buyer of its engagement in discussions concerning an Alternate Plan and shall keep

Buyer reasonably informed, on a current basis, of material developments that could reasonably be expected to result in an Alternate Plan. For purposes of this Agreement, an “Alternate Plan” is any plan under chapter 11 of the Bankruptcy Code (other than the Plan) or any liquidation under chapter 7 of the Bankruptcy Code. Without limiting any other obligation set forth in this Agreement, Seller shall, in connection with the activities permitted under this Section 5.10(b), use commercially reasonable efforts to enforce any confidentiality obligations of the Committees and any obligations under the confidentiality agreements described in this Section 5.10(b).

Section 5.11 Additional Financial Information.

(a) Seller shall use commercially reasonable efforts, and shall cause its Affiliates to use commercially reasonable efforts, to provide Buyer with financial statements and related information (collectively, “Financial Information”) sufficient to permit Parent or its Affiliates to fulfill ~~its~~**their** obligations to ~~include~~**provide** financial disclosure relating to each Specified Business and, if required, the Friendco Business and the MCE Systems, on a timely basis **in any report** under the Exchange Act and, if Buyer, Parent or any of Parent’s Affiliates undertakes an offering of securities prior to the Closing, the Securities Act **in any relevant offering document** (it being understood that the foregoing shall not require Seller to file or furnish any periodic or current reports that are required to be filed prior to the date hereof under the Exchange Act with the SEC (which reports are addressed by Section 5.19)). **Following the Closing, Seller shall provide, as promptly as reasonably practicable, to Buyer the following financial information (the “Offering Financial Information”), if required by the SEC, in connection with any securities offering in connection with this Transaction or the Friendco Registration Rights Agreement: (i) the Seller’s Quarterly Report on Form 10-Q for the most recently completed fiscal quarter as of the date of the Closing and Annual Report on Form 10-K for the most recently completed fiscal year as of the date of the Closing and (ii)(A) if such report, registration statement or any amendment or supplement to any of the foregoing is filed or a registration statement for such offering becomes effective, prior to November 12, 2006, unaudited interim financial statements as of June 30, 2006 and for the period commencing January 1, 2006 and ending on June 30, 2006 for each Specified Business (including the MCE Systems) and a corresponding period in the 2005 fiscal year, (B) if such report, registration statement or any amendment or supplement to any of the foregoing is filed or a registration statement for such offering becomes effective, on or after November 12, 2006 but prior to February 14, 2007, unaudited interim financial statements as of September 30, 2006 and for the period commencing January 1, 2006 and ending on September 30, 2006 for each Specified Business (including the MCE Systems) and a corresponding period in the 2005 fiscal year, (C) if such report, registration statement or any amendment or supplement to any of the foregoing is filed or a registration statement for such offering becomes effective, on or after February 14, 2007 but prior to May 15, 2007, audited financial statements as of and for the fiscal year ending December 31, 2006 for each Specified Business (including the MCE Systems), (D) unaudited financial information for each Specified Business (including the MCE Systems) with respect to the period beginning on the day after the most recently completed fiscal quarter as of the date**

of the Closing and ending on the date of the Closing, (E) the financial statements and related information required by clauses (ii)(A), (B), (C) and (D) of this Section 5.11(a) for each Specified Business (as defined in the Friendco Purchase Agreement) and (F) to the extent able to be produced through the use of commercially reasonable efforts, any other financial statements and related information that is required by the SEC or the rules of the stock exchange or automated quotation system on which the Parent Class A Common Stock is to be listed with respect to any period ending on or prior to the Closing Date; provided, that in no event shall Seller be required to provide Offering Financial Information with respect to any Specified Business or the MCE Systems to the extent (i) such Offering Financial Information is in respect of any time following the Closing or (ii) the SEC permits the provision of Offering Financial Information with respect to Seller as a whole instead. If some or all of the Financial Information is included in or incorporated by reference into a prospectus for an offering of securities by Parent or any of Parent's Subsidiaries prior to the Closing, Seller shall, and shall cause its Affiliates to, use commercially reasonable efforts to cause the independent auditors of Seller to provide customary assistance to Buyer, Parent or such Subsidiary and its underwriters in connection with such financing, including the provision of consent and comfort letters addressed to the [SEC]Parent, comfort letters addressed to the underwriters, participation in due diligence matters with respect to such offering and assistance in responding to comments or questions from the SEC with respect to the Financial Information. Buyer shall reimburse Seller for the reasonable costs and expenses incurred by Seller pursuant to this Section 5.11(a), including reasonable out-of-pocket costs and any incremental costs and expenses necessary to comply with this Section 5.11(a) (including all necessary incentive compensation) (unless and to the extent compliance with this Section 5.11(a) is waived by Buyer prior to the incurrence of such costs and expenses). Seller shall give Buyer reasonable advance notice of the type and the amount of such costs and expenses prior to the incurrence thereof.

(b) As soon as reasonably practicable (and, in any event, prior to the Closing), Seller shall, and shall cause its Affiliates to, use commercially reasonable efforts, to provide Buyer with a copy of (i) the consolidated audited balance sheets and audited statements of income, stockholders equity and cash flows for each Specified Business reflecting the allocation of Shared Assets and Liabilities pursuant to the Designated Allocation and Section 2.3 (assuming, with respect to any period prior to January 1, 2004, the exclusion of the MCE Systems and the MCE Systems (as defined in the Friendco Purchase Agreement) from each such Specified Business), at and for the fiscal years ended December 31, 2002 (unless statements at and for the fiscal year ended December 31, 2005 are provided as set forth below), December 31, 2003, December 31, 2004, and, if the Closing shall not have occurred on or prior to March 31, 2006 (or if such statements are otherwise available) December 31, 2005 (the "Derivative Audited Financial Statements"), (ii) the consolidated audited balance sheets and audited statements of income, stockholders' equity and cash flows for Seller and its Affiliates for the fiscal years ended December 31, 2004, and, if the Closing shall not have occurred on or prior to March 31, 2006 (or if such statements are otherwise available), December 31, 2005 (the "Seller Audited Financial Statements"), and (iii) the unaudited balance sheets and unaudited statements of income, stockholders' equity and cash flows for each MCE

System for the fiscal years ended December 31, 2002 (unless the Derivative Audited Financial Statements include consolidated audited balance sheets and audited statements of income, stockholders equity and cash flows for each Specified Business for the fiscal year ended December 31, 2005 are provided as set forth above), and December 31, 2003 (the “MCE Financial Statements” and, together with the Derivative Audited Financial Statements and the Seller Audited Financial Statements, the “Additional Financial Statements”); provided, that Buyer shall reimburse Seller for the reasonable costs and expenses incurred by Seller in connection with the preparation of the Derivative Audited Financial Statements and the MCE Financial Statements, including reasonable out-of-pocket costs and any incremental costs and expenses necessary to comply with this Section 5.11(b) (including all necessary incentive compensation). Seller shall give Buyer reasonable advance notice of the type and the amount of such costs and expenses prior to the incurrence thereof.

(c) Buyer shall use its commercially reasonable efforts to obtain relief from the staff of the SEC from Parent’s obligations to include financial statements with respect to periods ending on or prior to December 31, 2002 required by Section 5.11(a) or Section 5.11(b) in Parent’s filings under the Securities Act or Exchange Act. Seller shall cooperate with Buyer in respect of the obtaining of any such relief.

Section 5.12 Post-Closing Consents.

(a) Subsequent to the Closing, and subject to Section 2.11, Seller shall and shall cause its Affiliates to continue to use commercially reasonable efforts to obtain in writing as promptly as possible any consent, authorization or approval necessary or commercially advisable in connection with the Transaction which was not obtained on or before the Closing in form and substance reasonably satisfactory to Buyer.

(b) Without limiting Section 5.12(a), in the event that a Closing under this Agreement occurs without the receipt of all LFA Approvals, Buyer and Seller shall, and Buyer shall cause Parent to, act in good faith to obtain any remaining LFA Approvals following the Closing. Until such time as all LFA Approvals have been obtained, Buyer covenants and agrees to use commercially reasonable efforts to satisfy all obligations of Seller or any of its Affiliates arising after the Closing under each Franchise agreement corresponding to a LFA Approval that has not been obtained. Buyer and Seller agree to enter into such arrangements as are reasonably necessary to cause Seller not to be in breach under each such Franchise agreement and to permit Buyer to receive the economic benefits of each such Franchise agreement.

(c) Buyer and Seller agree, assuming as set forth in Section 5.12(b) that all or substantially all of the economic benefits relating to a remaining Franchise inure to Buyer, (i) that any remaining Franchises described in Section 5.12(b) shall be treated for all income Tax purposes as Assets of Buyer as of the Closing and (ii) not to take, and to prevent any of their respective Affiliates from taking, any position inconsistent with such treatment for any income Tax purposes (unless required by a change in applicable income Tax Law or a good faith resolution of a contest).

Section 5.13 Bankruptcy Proceedings.

(a) Seller shall, as soon as reasonably practicable after the date hereof, but no later than 45 days hereafter, file with the Bankruptcy Court (i) a Disclosure Statement with respect to the Plan intended to meet the requirements of section 1125(b) of the Bankruptcy Code and this Section 5.13 (as amended from time to time in accordance with this Agreement, the “Disclosure Statement”), (ii) a motion to approve, among other things, the Disclosure Statement (the “Disclosure Statement Motion”) and (iii) the Plan. Seller shall, and shall cause each of its Affiliates to, commence appropriate proceedings before the Bankruptcy Court and otherwise use commercially reasonable efforts to obtain approval of the Disclosure Statement and the Plan as expeditiously as possible. Seller shall, and shall cause its Affiliates to, provide in the Disclosure Statement a range of values determined by Seller after consultation with Buyer; provided, that the midpoint of such range shall equal the Aggregate Value of the Purchase Shares; provided, however, that, based on changes, events or circumstances first arising or occurring following the date hereof, Seller may, after consultation with Buyer and its counsel, change the midpoint and the range in order that the statements contained in the Disclosure Statement in respect of the value of the Purchase Shares would not be misleading or result in a violation of any applicable Law by Seller; provided, further, that any such change shall be disregarded for purposes of this Agreement, including the amount of the Aggregate Value of the Purchase Shares or Per Share Value of the Purchase Shares. The Plan, any and all exhibits and attachments to the Plan, the Disclosure Statement, and the Disclosure Statement Motion and the orders approving the same (including the Confirmation Order), and any amendment or supplement to any of the foregoing, (A) to the extent affecting the terms of the Transaction, the Transferred Assets, the Assumed Liabilities, Parent or its Affiliates (in the case of Parent or its Affiliates, only to the extent related to the Transaction or an interest in the Transferred Joint Venture Parents (other than with respect to Plan distribution matters) and not in their capacity as creditors or, with respect to Plan distribution matters, equityholders), shall be in all material respects reasonably acceptable in form and substance to, and shall not be filed until consented to by, Buyer, which consent shall not be unreasonably withheld, (B) shall not otherwise contain any provision (including any provision relating to the allocation of distributable proceeds among Seller’s stakeholders), or otherwise have an effect, that would, individually or in the aggregate, reasonably be expected to materially impair or materially delay the Transaction; it being understood that any allocation of distributable proceeds that does not violate the absolute priority rule or any proposed waiver of the absolute priority rule as may be contemplated by the Plan that is reasonably expected to be consented to by the affected classes shall not be deemed to materially impair or materially delay the Transaction, (C) shall not contain any provision providing for an Alternate Plan, including the so-called “toggle plan”, (D) shall not treat Buyer or its Affiliates, in their capacities as creditors or equityholders, in a discriminatory manner as compared to similarly classified stakeholders and (E) without limiting the generality of the foregoing, in the case of the Confirmation Order, shall contain the finding that Buyer is a good faith purchaser of the Transferred Assets pursuant to section 363(m) of the Bankruptcy Code unless Buyer’s actions which have been determined by the Bankruptcy Court to have not been in good faith preclude such a finding. Buyer shall refrain from taking any actions in connection herewith that are not in good faith (as

determined by the Bankruptcy Court) and that would preclude a finding that Buyer is a good faith purchaser of the Transferred Assets pursuant to section 363(m) of the Bankruptcy Code. Seller shall provide Buyer and its counsel with copies of all material motions, applications, supporting papers and notices prepared by Seller (including forms of orders and notices to interested parties) relating in any way to the Disclosure Statement, the Plan or the Transaction prior to the filing of such documents and shall provide Buyer, to the extent practicable, with a reasonable opportunity to review and comment on same. Seller shall consult with Buyer prior to taking any action in or with respect to the Reorganization Case that could reasonably be expected, individually or in the aggregate, to (x) be inconsistent with this Agreement or the Transaction, (y) materially impair or materially delay the Transaction or (z) relate to any material information provided by Buyer for inclusion in the Disclosure Statement or have an adverse effect on the Transaction, the Transferred Assets, the Assumed Liabilities, Parent or its Affiliates (in the case of Parent or its Affiliates, only to the extent related to the Transaction or an interest in the Transferred Joint Venture Parents (other than with respect to Plan distribution matters) and not in their capacity as creditors or, with respect to Plan distribution matters, equityholders). Buyer shall provide Seller with all information concerning Buyer, Parent and its Controlled Affiliates as is required or reasonably advisable to be included in the Disclosure Statement, including (to the extent so reasonably advisable) all information that would be required to be set forth in a registration statement on Form S-1 under the Securities Act. Any information delivered by Buyer or Seller for inclusion in the Disclosure Statement will be intended to satisfy the requirements of section 1125(a) of the Bankruptcy Code.

(b) No later than 70 days prior to the Confirmation Hearing, Seller shall deliver to Buyer a true and complete list of all Contracts Related to each Specified Business (other than Programming Agreements but including retransmission consent agreements) entered into prior to such seventieth day (provided, that between such seventieth day and the Confirmation Hearing, Seller shall promptly update such list to reflect Contracts Related to each Specified Business (other than Programming Agreements but including retransmission consent agreements) entered into during such period) which shall include the following, each of which must be satisfactory in form and substance to Buyer in its reasonable discretion: (i) a list of Contracts (other than Programming Agreements but including retransmission consent agreements) which Seller or any Affiliate has rejected pursuant to an order of the Bankruptcy Court (the “Rejected Contracts”); (ii) a list of Contracts (other than Programming Agreements but including retransmission consent agreements) which Seller or any Affiliate has assumed pursuant to an order of the Bankruptcy Court; (iii) with respect to each such Contract that is not a Rejected Contract, (A) Seller’s good faith estimate of the Cure Costs in respect of such Contract, (B) Seller’s good faith estimate of the Rejection Claims in respect of such Contract and (C) whether such Contract was entered into on or following the Petition Date. No later than 40 days prior to the Confirmation Hearing, Buyer shall provide Seller with a list of Contracts to be assumed, if applicable, by Seller or any of its Affiliates and assigned by Seller or any of its Affiliates to Buyer with respect to each Specified Business (as further identified by Buyer pursuant to the provisions of this Section 5.13(b), the “Assigned Contracts”). As promptly as practicable following the determination of the Assigned Contracts by Buyer and in any event no later than 20 days

prior to the Confirmation Hearing, Seller or its Affiliates, as the case may be, shall commence appropriate proceedings before the Bankruptcy Court and otherwise take all necessary actions in order to determine Cure Costs with respect to any Assigned Contract entered into prior to the Petition Date. Notwithstanding the foregoing, prior to the Closing, Buyer may identify (x) any Assigned Contract as one that Buyer no longer desires to have assigned to it and such Contract shall for all purposes of this Agreement, including Section 5.13(c), and any Ancillary Agreement be deemed not to be an Assigned Contract and (y) any Contract entered into by Seller or any of its Affiliates following entry of the Confirmation Order that is Related to any Specified Business as an Assigned Contract and such Contract shall for all purposes of this Agreement be deemed to be an Assigned Contract. At the direction of Buyer, Seller shall, or shall cause its Affiliates to, as the case may be, take all necessary actions and, if necessary, promptly commence appropriate proceedings before the Bankruptcy Court in order to effect the assumption of any Assigned Contract by Seller or any of its Affiliates and the assignment of such Contract to Buyer at the Closing pursuant to the Plan. Following the Closing, Seller shall not, and shall cause each of its Affiliates not to, amend, modify, terminate or abrogate any Assigned Contract. Seller shall, and shall cause each of its Affiliates to, take all actions such that each OCB Contract that is not an Assigned Contract shall be terminated or rejected as of the Closing.

(c) Seller shall use its commercially reasonable efforts to make available to Buyer as promptly as practicable after the date hereof (or, in the case of Contracts entered into after the date hereof, as promptly thereafter as practicable) true and complete copies of each of the Contracts Related to each Specified Business (other than Programming Agreements but including retransmission consent agreements) and of each of the Contracts listed, or required to be listed, in Schedule 3.15(b) of the Seller Disclosure Schedule, and true and complete summaries of the terms of any such oral Contracts; it being understood that, in any event, such copies and summaries shall be made available in respect of the Contracts listed on the list delivered pursuant to the first sentence of Section 5.13(b) no later than 70 days prior to the Confirmation Hearing.

(d) Other than the Assumed Cure Costs, Seller shall be liable for all Cure Costs, and Buyer shall have no Liability to any Seller Indemnified Party, the estate of Seller or any of its Affiliates or to any non-debtor party to any Contract in connection therewith; provided, however, that if the amount of the Cure Costs in respect of any Assigned Contract that is not an OCB Contract is greater than the amount that would be paid to the non-debtor party to such Contract on account of a Rejection Claim in respect of such Contract, taking into consideration the likely recovery on account of such Rejection Claim under the Plan (as Seller and Buyer mutually agree, or, in the absence of such agreement, as may be determined by the Bankruptcy Court), then such excess, but only such excess, shall be deemed to constitute an Assumed Cure Cost. Seller shall also be liable for all Claims, including Rejection Claims, in respect of any Contract that is not an Assigned Contract, and Buyer shall have no Liability to any Seller Indemnified Party, the estate of Seller or any of its Affiliates or to any non-debtor party to any such Contract in connection therewith; provided, however, that if the amount that would be paid to the non-debtor party to an OCB Contract that is not an Assigned Contract on account of a Rejection Claim in respect of such OCB Contract, taking into consideration the likely

recovery on account of such Rejection Claim under the Plan, is greater than the Cure Costs with respect to such OCB Contract (in either case as Seller and Buyer mutually agree, or, in the absence of such agreement, as may be determined by the Bankruptcy Court), then, subject to such OCB Contract having been made available to Buyer for at least 70 days prior to the Confirmation Hearing (or, in the case of Contracts entered into after such seventieth day, as promptly thereafter as practicable), such excess, but only such excess, shall constitute an Assumed Liability. Subject to approval of the Bankruptcy Court (which approval Seller shall use commercially reasonable efforts to obtain), Buyer (or its designee) shall be entitled to assume and maintain control, on behalf of Seller and any of its Affiliates, of the litigation and settlement of any dispute over any Assumed Cure Costs with respect to any Franchise or, in respect of any OCB Contract, any Rejection Claim that is an Assumed Liability. Seller shall not, and shall cause each of its Affiliates not to, without the prior written consent of Buyer (not to be unreasonably withheld), settle, compromise or offer to settle or compromise any Liability in respect of (i) Cure Costs under such Assigned Contract that is not an OCB Contract or under any Franchise unless Seller shall have assumed all Liabilities in respect thereof and shall have agreed to release Buyer from all Liabilities in respect of any and all Cure Costs under such Assigned Contract or such Franchise or (ii) any Rejection Claim in respect of any OCB Contract unless Seller shall have assumed all Liabilities in respect thereof and shall have agreed to release Buyer from all Liabilities in respect of any and all Rejection Claims caused by or arising out of any such settlement or compromise and Seller shall consult with and, in each case, provide Buyer a meaningful opportunity to participate in any such litigation or settlement.

(e) Any motion, application or other court document filed with, and the proposed orders submitted to, the Bankruptcy Court seeking authorization to assume and assign or reject or terminate any Contracts Relating to any Specified Business or the Business shall be provided to Buyer in advance of filing (with a reasonable opportunity to review and comment on same) and shall be in form and substance reasonably satisfactory to Buyer in all material respects. On or prior to the Closing, Seller shall, and shall cause its Affiliates to, cure any and all defaults and breaches under and satisfy (or with respect to any Assumed Liability or obligation that cannot be rendered non-contingent and liquidated prior to the Closing Date, make effective provision satisfactory to Buyer and the Bankruptcy Court for satisfaction from funds of Seller) any Liability (other than as to Assumed Cure Costs) arising from or relating to pre-Closing periods under the Assigned Contracts so that such Contracts may be assumed by Seller or its Affiliates and assigned to Buyer in accordance with the provisions of section 365 of the Bankruptcy Code and this Agreement. On or prior to the Closing, Seller shall, and shall cause its Affiliates to, pay or make adequate reserve for all Cure Costs other than the Assumed Cure Costs.

(f) Seller shall, and shall cause its Affiliates to, and Buyer shall, and shall cause Parent to, each use commercially reasonable efforts, and cooperate, assist and consult with each other, as promptly as practicable, to secure approval of the Disclosure Statement, confirmation of the Plan and consummation of the transactions contemplated by the Plan and this Agreement. Neither the Plan nor the Disclosure Statement nor any other material document relating to the transactions contemplated hereby shall be amended, modified, supplemented, withdrawn or revoked (i) if such amendment,

modification, supplement, withdrawal or revocation affects the terms of the Transaction, the Transferred Assets, the Assumed Liabilities, Parent or its Affiliates (in the case of Parent or its Affiliates, only to the extent related to the Transaction or an interest in the Transferred Joint Venture Parents (other than with respect to Plan distribution matters) and not in their capacity as creditors or, with respect to Plan distribution matters, equityholders) without the consent of Buyer (provided, that such consent shall not be unreasonably withheld) or (ii) if such amendment, modification, supplement, withdrawal or revocation would contain or alter any provision (including as to the allocation of distributable proceeds among Seller's stakeholders), that would, individually or in the aggregate, reasonably be expected to materially impair or materially delay the Transaction. For the avoidance of doubt, the parties hereto acknowledge and agree that it would not be unreasonable for Buyer to decline to consent to any Plan modification which would require the payment of additional consideration by Buyer under the Plan or which would reduce or impair the Transferred Assets or increase the Assumed Liabilities.

(g) If an order, judgment or ruling of a court of competent jurisdiction in the Reorganization Case is entered denying entry of (or vacating), or that is inconsistent with the entry of, a Confirmation Order satisfying the condition set forth in Section 6.2(g), Seller and Buyer will cooperate and otherwise use commercially reasonable efforts to prosecute diligently the entry of a Confirmation Order satisfying the condition set forth in Section 6.2(g). If the Confirmation Order or any other orders of the Bankruptcy Court relating to this Agreement, the Disclosure Statement, the solicitation of acceptances of the Plan or confirmation of the Plan shall be appealed by any party (or a petition for certiorari or motion for reconsideration, amendment, clarification, modification, vacation, stay, rehearing or reargument shall be filed with respect to any such order), Seller and Buyer will cooperate in taking such steps to prosecute diligently such appeal, petition or motion, each of Seller and Buyer shall use commercially reasonable efforts to obtain an expedited resolution of any such appeal, petition or motion and any expenses incurred by Seller in connection therewith shall be borne by Seller.

(h) Seller shall either (i) (A) cause the Subsidiaries of Seller listed on Schedule 5.13(h) of the Seller Disclosure Schedule or any other non-debtor Subsidiary of Seller that acquires Assets Related to the Acquired Business (the "Non-Debtor Subsidiaries") to file a petition for relief under chapter 11 of the Bankruptcy Code (the "Additional Reorganization Case"), (B) take all steps reasonably necessary to obtain approval by the Bankruptcy Court of the Transaction as it relates to the Non-Debtor Subsidiaries and (C) obtain an Additional Discharge for the Non-Debtor Subsidiaries, in each case as expeditiously as possible under the Bankruptcy Code and the Bankruptcy Rules, and in any event prior to the Closing, or (ii) subject to the prior approval of the Bankruptcy Court, cause each Non-Debtor Subsidiary to transfer any Assets of such Non-Debtor Subsidiary to a Debtor in exchange for payment of adequate consideration (provided, that such transfer shall be reasonably satisfactory to Buyer in all material respects and shall render such Assets subject to the Discharge) (such transfer, a "Non-Debtor Transfer"). Seller shall, and shall cause each Non-Debtor Subsidiary to, (x) provide Buyer and its counsel with copies of all material motions, applications, supporting papers and notices prepared by Seller or such Non-Debtor Subsidiary (including forms of orders and notices to interested parties) relating in any way to an

Additional Reorganization Case or Non-Debtor Transfer prior to the filing of such documents and (y) provide Buyer, to the extent practicable, with a reasonable opportunity to review and comment on same. Seller shall, and shall cause each Non-Debtor Subsidiary to, consult with Buyer prior to taking any action in or with respect to any Additional Reorganization Case or Non-Debtor Transfer. For purposes of Sections 2.1 and 2.3 (including any related definitions), unless otherwise directed in writing by Buyer (and only to the extent set forth in such writing), each Non-Debtor Subsidiary shall only be considered an Affiliate of Seller if and only to the extent such Non-Debtor Subsidiary shall have performed the actions and satisfied the requirements set forth in clause (i) or (ii) of this Section 5.13(h).

(i) Seller shall, and shall cause each of its Affiliates to, use commercially reasonable efforts to maintain the exclusive periods pursuant to section 1121(d) of the Bankruptcy Code during which the Debtors may file a plan or plans of reorganization and solicit acceptances thereof.

Section 5.15 Expanded Transaction. In the event that the Friendco Purchase Agreement is terminated prior to the Closing as a result of actions by, or failure to obtain Governmental Authorizations from, any Government Antitrust Entity or the FCC, then:

(a) the following provisions shall become effective upon notice to Buyer by Seller of such termination:

(i) at the Closing, an aggregate amount of consideration equal to the Purchase Price (as defined in the Friendco Purchase Agreement) minus the Aggregate Buyer Discharge Amount (as defined in the agreement attached hereto as Exhibit 5.15(a)(i), the “Expanded Agreement”), subject to adjustments pursuant to Section 2.6(a), 2.6(f) and 2.7, shall be added to the Purchase Price in Section 2.5 hereunder; provided, that any such consideration to be delivered by Buyer pursuant to this Section 5.15 shall be satisfied, at Buyer’s election, with any combination of cash, which shall be deemed to constitute part of the Cash Consideration, or shares of Parent Class A Common Stock (valued at the Per Share Value of the Purchase Shares), which shall be deemed to constitute additional Purchase Shares for purposes of this Agreement;

(b) Property Transfer Laws. Seller shall take all actions required by the Connecticut Transfer Act and the New Jersey Industrial Site Recovery Act, to the extent such actions are required as a result of this Transaction, provided that Seller shall not take any actions or enter into any agreement relating to the Connecticut Transfer Act or the New Jersey Industrial Site Recovery Act that will impose binding obligations to act or refrain from acting after the Closing Date except to the extent that such remedies (i) can be satisfied solely through the payment of monetary damages or (ii) are reasonably acceptable to Buyer; provided, that Buyer shall not be required to agree to non-monetary obligations that could reasonably be expected to involve more than *de minimis* expenditures by Buyer or its Affiliates after the Closing.

Without the prior consent of Buyer, which consent shall not be unreasonably withheld or delayed, Seller shall not, and shall cause its Affiliates not to, settle any such Rate Regulatory Matter, either before or after Closing, if (i) Buyer or any of its Affiliates would have any Liability under such settlement other than an obligation to pay money in an amount not greater than \$50,000, which obligation is fully reflected in the Closing Net Liabilities Amount used in calculating the Final Adjustment Amount, or (ii) such settlement would reduce the rates permitted to be charged by Buyer after the Closing below the rates set forth on Schedule 3.18 of the Seller Disclosure Schedule or otherwise then in effect.

(g) Bankruptcy Plan and Confirmation Order. The Confirmation Order and the Plan confirmed by the Bankruptcy Court shall, to the extent relating to or affecting the Transaction, the Transferred Assets, the Assumed Liabilities, Parent or its Affiliates (in the case of Parent or its Affiliates, only to the extent related to the Transaction or an interest in the Transferred Joint Venture Parents (other than with respect to Plan distribution matters) and not in their capacity as creditors or, with respect to Plan distribution matters, equityholders), be in all material respects satisfactory to Buyer in its reasonable discretion and, without limiting the generality of the foregoing, the Confirmation Order shall contain the finding that Buyer is a good faith purchaser of the Transferred Assets pursuant to section 363(m) of the Bankruptcy Code unless Buyer's

actions have been determined by the Bankruptcy Court to have not been in good faith preclude such a finding.

(h) Subscribers. At least 60 days prior to the Closing, Seller shall have implemented the Subscriber Accounting System. The number of Eligible Basic Subscribers served by each Specified Business shall be at least equal to (i) the Base Subscriber Number for such Specified Business *minus* (ii) the Subscriber Basket for such Specified Business *minus* (iii) the Subscriber Cap for such Specified Business.

(i) Intentionally Omitted.

(j) No Buyer Adverse Tax Event. There shall not have been a Buyer Adverse Tax Event that is in existence as of the Closing.

(k) Financial Information. Seller shall have provided Buyer with all Financial Information and the Additional Financial Statements contemplated by Section 5.11 (disregarding for this purpose all references therein to “commercially reasonable efforts”) except to the extent Buyer has obtained relief from the SEC with respect thereto or has failed to comply with its obligations under Section 5.11(~~d~~c).

Section 6.3 Conditions to the Obligation of Seller. The obligation of Seller to effect the Closing is subject to the satisfaction (or waiver by Seller) prior to the Closing of the following conditions:

(a) Representations and Warranties. The representations and warranties in Sections 4.1 through 4.8 and 4.24 (the “Buyer Class 1 Representations and Warranties”; all other representations and warranties contained in Article IV, the “Buyer Class 2 Representations and Warranties”) that are qualified as to materiality or Parent Material Adverse Effect shall be true and correct, and the Buyer Class 1 Representations and Warranties that are not so qualified shall be true and correct in all material respects, in each case, at the time made and as of the Closing Date as if made at and as of such time (except, in each case, to the extent expressly made as of an earlier date, in which case as of such earlier date). The Buyer Class 2 Representations and Warranties shall be true and correct (without giving effect to any materiality or Parent Material Adverse Effect qualifiers set forth therein) at the time made and as of the Closing Date as if made at and as of such time (except to the extent expressly made as of an earlier date, in which case as of such earlier date), except where the failure of such Buyer Class 2 Representations and Warranties to be true and correct has not and would not, individually or in the aggregate, reasonably be expected to result in a Parent Material Adverse Effect.

(b) Covenants. Each of the covenants and agreements of Buyer to be performed on or prior to the Closing shall have been duly performed in all material respects.

(c) Ancillary Agreements. Buyer shall have, and shall have caused Parent to have, executed and delivered the Ancillary Agreements to which it is a party except (i) those Ancillary Agreements the failure of which to have been executed and delivered would not reasonably be expected, individually or in the aggregate, to impair

the benefit of the Transaction to Seller (other than in a *de minimis* manner), (ii) in respect of LFA Approvals not obtained as of the Closing and (iii) the Ancillary Agreements required to be delivered pursuant to Section 2.9(d)(xi) the failure of which to have been delivered would not reasonably be expected, individually or in the aggregate, to materially impair the benefit of the Transaction to Seller.

(d) Certificate. Seller shall have received a certificate, signed on behalf of Buyer by the Chief Executive Officer or Chief Financial Officer of Buyer, dated the Closing Date, to the effect that the conditions set forth in Sections 6.3(a), 6.3(b) and 6.3(e) have been satisfied.

(e) No Material Adverse Change. Since the date of this Agreement, no event or condition has occurred that, individually or in the aggregate, has had or would reasonably be expected to have a Parent Material Adverse Effect.

(f) Legal Opinion. Seller shall have received an opinion of counsel that the Purchase Shares have been validly issued in accordance with the laws of the State of Delaware.

(g) Bankruptcy Plan and Confirmation Order. The Confirmation Order and the final Plan shall not differ in a manner that would be materially adverse to Seller and its Affiliates from the confirmation order and the Plan, respectively, proposed by Seller to the Bankruptcy Court in accordance with Section 5.13.

(h) Amended and Restated Charter and Amended and Restated By-laws. The Amended and Restated Charter shall have been filed with the Secretary of State of the State of Delaware and shall be effective as of immediately following the Closing. The Amended and Restated By-laws shall have been duly adopted by Parent and shall be effective as of immediately following the Closing.

ARTICLE VII

SURVIVAL; INDEMNIFICATION; CERTAIN REMEDIES

Section 7.1 Survival. The representations and warranties of Buyer contained in this Agreement shall expire upon the Closing. The representations and warranties of Seller contained in this Agreement shall survive the Closing for the period set forth in this Section 7.1. Subject to Section 2.7(d), all representations and warranties made by Seller contained in this Agreement and all claims with respect thereto shall terminate upon the expiration of twelve months after the Closing Date (the "Buyer Indemnification Deadline"); it being understood that in the event notice of any claim for indemnification under this Article VII has been given (within the meaning of Section 9.1) prior to the Buyer Indemnification Deadline, the representations and warranties that are the subject of such indemnification claim shall survive with respect to such claim until such time as such claim is finally resolved.

Section 7.2 Indemnification by Seller.

(a) Seller hereby agrees that from and after the Closing it shall indemnify, defend and hold harmless Buyer, its Affiliates, and their respective directors, officers, shareholders, partners, members, attorneys, accountants, agents, representatives and employees (other than the Transferred Employees) and their heirs, successors and permitted assigns, each in their capacity as such (the "Buyer Indemnified Parties" and, together with the Seller Indemnified Parties, the "Indemnified Parties") from, against and in respect of any damages, losses, charges, Liabilities, claims, demands, actions, suits, proceedings, payments, judgments, settlements, assessments, deficiencies, taxes, interest, penalties, and costs and expenses (including removal costs, remediation costs, closure costs, fines, penalties and expenses of investigation and ongoing monitoring, reasonable attorneys' fees, and reasonable out of pocket disbursements) (collectively, "Losses") imposed on, sustained, incurred or suffered by, or asserted against, any of the Buyer Indemnified Parties, whether in respect of third party claims, claims between the parties hereto, or otherwise, directly or indirectly relating to, arising out of or resulting from (i) subject to Section 7.2(b), any breach of any representation or warranty made by Seller contained in this Agreement for the period such representation or warranty survives, (ii) any breach of any covenant or agreement of Seller contained in this Agreement and (iii) any Excluded Asset or Excluded Liability.

(b) Seller shall not be liable to the Buyer Indemnified Parties for any Losses with respect to the matters contained in Section 7.2(a)(i):

(i) until any such Losses in respect of the Group 1 Business exceed an aggregate amount equal to the Group 1 Threshold Amount, and then for all such Losses in excess of \$42,000,000, up to an aggregate amount not to exceed the Group 1 Cap Amount; provided, however, that the limitations herein regarding the Group 1 Threshold Amount shall not apply to the Class 1 Representations and Warranties; and

(ii) until any such Losses in respect of the Group 2 Business exceed an aggregate amount equal to the Group 2 Threshold Amount, and then for all such Losses in excess of \$38,000,000, up to an aggregate amount not to exceed the Group 2 Cap Amount; provided, however, that the limitations herein regarding the Group 2 Threshold Amount shall not apply to the Class 1 Representations and Warranties.

(c) Subject to Section 7.8, the Buyer Indemnified Parties shall be entitled to receive payment only from the Escrow Account with respect to any Liability of Seller for any Losses under Section 7.2(a) and, with respect to each Specified Business, only up to an aggregate amount not to exceed the Cap Amount applicable to such Specified Business. Notwithstanding anything to the contrary in this Agreement, Seller shall not be liable for any Losses that (i) are reflected in the Closing Net Liabilities Amount used in calculating the Final Adjustment Amount to the extent and only to the extent so reflected or (ii) have been actually discharged (or the functional equivalent thereof in terms of its effect on Buyer, each Specified Business, the Transferred Assets and the Assumed Liabilities) pursuant to the Discharge (or, as applicable, the MCE

Discharge or an Additional Discharge) to the extent and only to the extent so discharged (or such functional equivalent).

Section 7.3 Indemnification by Buyer. Buyer hereby agrees that from and after the Closing it shall indemnify, defend and hold harmless Seller and its Affiliates and their respective directors, officers, stakeholders, partners, members, attorneys, accountants, agents, representatives and employees and their heirs, successors and permitted assigns, each in their capacity as such (the “Seller Indemnified Parties”) from, against and in respect of any Losses imposed on, sustained, incurred or suffered by, or asserted against, any of the Seller Indemnified Parties, whether in respect of third party claims, claims between the parties hereto, or otherwise, directly or indirectly relating to, arising out of or resulting from (a) the Assumed Liabilities Related to each Specified Business, (b) any breach of a covenant or agreement of Buyer contained in this Agreement or (c) the Transferred Assets Related to each Specified Business, each Specified Business or the Transferred Employees to the extent attributable to the operation or ownership of the Transferred Assets Related to such Specified Business or such Specified Business, or the employment of the Transferred Employees following the Closing. Notwithstanding anything to the contrary set forth in this Agreement, to the extent that any Seller Indemnified Party is or becomes a shareholder or other equity holder of Parent or any of its Affiliates, indemnification hereunder shall not include Losses suffered by such Seller Indemnified Party (or its Affiliates) in such shareholder or other equity holder capacity by reason of (i) the indemnities being provided by Buyer hereunder or (ii) Losses suffered in such capacity in respect of any Transferred Assets or Assumed Liabilities.

Section 7.4 Third Party Claim Indemnification Procedures.

(a) In the event that any written claim or demand for which an indemnifying party (an “Indemnifying Party”) may have liability to any Indemnified Party hereunder is asserted against or sought to be collected from any Indemnified Party by a third party (a “Third Party Claim”), such Indemnified Party shall promptly, but in no event more than thirty days following such Indemnified Party’s receipt of a Third Party Claim, notify the Indemnifying Party in writing of such Third Party Claim, the amount or the estimated amount of damages sought thereunder to the extent then ascertainable (which estimate shall not be conclusive of the final amount of such Third Party Claim), any other remedy sought thereunder, any relevant time constraints relating thereto and, to the extent practicable, any other material details pertaining thereto (a “Claim Notice”); provided, however, that the failure timely to give a Claim Notice shall not affect the rights of an Indemnified Party hereunder except to the extent that such failure has a material prejudicial effect on the defenses or other rights available to the Indemnifying Party with respect to such Third Party Claim. The Indemnifying Party shall have 15 days (or such lesser number of days set forth in the Claim Notice as may be required by court proceeding in the event of a litigated matter) after receipt of the Claim Notice (the “Notice Period”) to notify the Indemnified Party that it desires to defend the Indemnified Party against such Third Party Claim; provided, however, that the Indemnifying Party shall not be entitled to assume or maintain control of the defense of any Third Party Claim and shall pay the fees and expenses of counsel retained by the Indemnified Party if

(i) the Third Party Claim relates to or arises in connection with any criminal proceeding, action, indictment, allegation or investigation, (ii) the Third Party Claim seeks injunctive or equitable relief against the Indemnified Party, (iii) the Indemnifying Party has failed to defend or is failing to defend in good faith the Third Party Claim, (iv) the Indemnifying Party and the Indemnified Party are both named parties to the proceedings and the Indemnified Party shall have reasonably concluded that representation of both parties by the same counsel would be inappropriate due to actual or potential differing interests between them or (v) in the case of a Buyer Indemnified Party, it is reasonably likely that the Losses arising from such Third Party Claim will exceed the amount such Buyer Indemnified Party will be entitled to recover as a result of the limitations set forth in Section 7.2(b); provided, further, that prior to assuming control of such defense, the Indemnifying Party must acknowledge that it would have an indemnity obligation for any Losses resulting from such Third Party Claim.

(b) In the event that the Indemnifying Party notifies the Indemnified Party within the Notice Period that it desires to defend the Indemnified Party against a Third Party Claim and subject to Section 7.4(a), the Indemnifying Party shall have the right to defend the Indemnified Party by appropriate proceedings and shall have the sole power to direct and control such defense at its expense. Once the Indemnifying Party has duly assumed the defense of a Third Party Claim, the Indemnified Party shall have the right, but not the obligation, to participate in any such defense and to employ separate counsel of its choosing. Subject to Section 7.4(a), the Indemnified Party shall participate in any such defense at its expense. The Indemnifying Party shall not, without the prior written consent of the Indemnified Party, settle, compromise or offer to settle or compromise any Third Party Claim unless (i) the Indemnifying Party shall have agreed to indemnify and hold the Indemnified Party harmless from and against any and all Losses caused by or arising out of any such settlement or compromise, (ii) such settlement or compromise shall include as an unconditional term thereof the giving by the claimant of a release of the Indemnified Party, reasonably satisfactory to the Indemnified Party, from all Liability with respect to such Third Party Claim and (iii) such settlement or compromise would not result in (A) the imposition of a consent order, injunction or decree that would restrict the future activity or conduct of the Indemnified Party or any of its Affiliates, (B) a finding or admission of a violation of Law or violation of the rights of any Person by the Indemnified Party or any of its Affiliates, (C) a finding or admission that would have an adverse effect on other claims made or threatened against the Indemnified Party or any of its Affiliates, or (D) any monetary liability of the Indemnified Party that will not be promptly paid or reimbursed by the Indemnifying Party.

(c) If the Indemnifying Party (i) is not entitled to defend a Third Party Claim, (ii) elects not to defend the Indemnified Party against a Third Party Claim, whether by not giving the Indemnified Party timely notice of its desire to so defend or otherwise or (iii) after assuming the defense of a Third Party Claim, fails to take reasonable steps necessary to defend diligently such Third Party Claim within ten days after receiving written notice from the Indemnified Party to the effect that the Indemnifying Party has so failed, the Indemnified Party shall have the right but not the obligation to assume its own defense; it being understood that the Indemnified Party's

right to indemnification for a Third Party Claim shall not be adversely affected by assuming the defense of such Third Party Claim. The Indemnified Party shall not settle a Third Party Claim for which the Indemnifying Party shall have monetary liability hereunder without the consent of the Indemnifying Party, which consent shall not be unreasonably withheld.

Section 7.5 Consequential Damages; Materiality; Interest.

Notwithstanding anything to the contrary contained in this Agreement, no Person shall be liable under this Article VII for any consequential, punitive, special, incidental or indirect damages, including lost profits, except to the extent awarded by a court of competent jurisdiction in connection with a Third Party Claim, except to the extent the Loss arises out of an intentional or willful breach by the non-claiming party and the Loss was reasonably foreseeable. Any computation of Losses hereunder in respect of a breach of representation or warranty shall measure such Losses without giving effect to any qualifier for materiality or Material Adverse Effect set forth therein. Amounts payable in respect of any Losses under Section 7.3 shall bear interest at LIBOR calculated on a 365-day basis from the date notice of the Losses for which indemnification is sought was delivered until the date of payment of indemnification by the Indemnifying Party. Amounts payable in respect of any Losses under Section 7.2 shall bear interest as set forth in the definition of “Escrow Payment.”

Section 7.6 Payments. The Indemnifying Party shall pay all amounts payable pursuant to this Article VII, promptly following receipt from an Indemnified Party of a bill, together with all accompanying reasonably detailed back up documentation, by (a) in the case of a payment by Seller, making an Escrow Payment from the Escrow Account, subject to the proviso to the last sentence in Section 2.6(f) with respect to the matters set forth in Section 2.6(f) (including as applied to any MCE System in accordance with Section 2.7(c)), and (b) in the case of a payment by Buyer, wire transfer of immediately available funds, in an amount equal to the Loss that is the subject of indemnification hereunder, unless the Indemnifying Party in good faith disputes the Loss, in which event it shall so notify the Indemnified Party. In any event, the Indemnifying Party shall pay to the Indemnified Party (i) in the case of a payment by Seller, an Escrow Payment from the Escrow Account, subject to the proviso to the last sentence in Section 2.6(f) with respect to the matters set forth in Section 2.6(f) (including as applied to any MCE System in accordance with Section 2.7(c)), and (ii) in the case of a payment by Buyer, by wire transfer of immediately available funds, in each case in an amount equal to the amount of any Loss (and any interest thereon) for which it is liable hereunder no later than three days following any final determination of such Loss and the Indemnifying Party’s liability therefor. A “final determination” shall exist when (A) the parties to the dispute have reached an agreement in writing, (B) a court of competent jurisdiction shall have entered a final and non appealable order or judgment, or (C) an arbitration or like panel shall have rendered a final non appealable determination with respect to disputes the parties have agreed to submit thereto.

Section 7.7 Characterization of Indemnification Payments. All payments made by an Indemnifying Party to an Indemnified Party in respect of any claim pursuant to this Article VII shall be treated as adjustments to the Purchase Price for all

income Tax purposes but shall not affect the Escrow Amount (other than to the extent of any payment hereunder); provided, however, that any payments pursuant to this Article VII that represent interest payable under Section 7.5 shall be treated as (a) deductible to the Indemnifying Party and (b) taxable to the Indemnified Party. The parties agree to treat, and to cause their respective Affiliates to treat, any such payments in the foregoing manner, for all income Tax purposes (unless otherwise required by a change in applicable income Tax Law or as a result of a good faith resolution of a contest).

Section 7.8 Remedies. From and after the Closing, the rights and remedies of Seller and Buyer under this Article VII shall be exclusive and in lieu of any and all other rights and remedies which Seller and Buyer may have under this Agreement or otherwise against each other with respect to the Transaction for monetary relief with respect to (a) any breach of any representation or warranty or any failure to perform any covenant or agreement set forth in this Agreement, other than those which are intentional or willful and other than those in (i) the proviso to the last sentence in Section 2.6(f) (including as applied to any MCE System in accordance with Section 2.7(c)), (ii) the Escrow Agreement and (iii) each MCE Management Agreement and (b) the Assumed Liabilities or the Excluded Liabilities, and Buyer and Seller each expressly waives any and all other rights or causes of action it or its Affiliates may have against the other party or its Affiliates for monetary relief now or in the future under any Law with respect to the Transaction.

ARTICLE VIII

TERMINATION

Section 8.1 Termination by Mutual Consent. This Agreement may be terminated at any time prior to the Closing by mutual written agreement of Seller and Buyer.

Section 8.2 Termination by Either Buyer or Seller. This Agreement may be terminated at any time prior to the Closing by Buyer or Seller, by giving written notice of termination to the other party, if (a) subject to Section 2.8(b), the Closing shall not have occurred on or before July 31, 2006 (the "Outside Date") so long as the party proposing to terminate has not breached in any material respect any of its representations, warranties, covenants or other agreements under this Agreement in any manner that shall have proximately contributed to the failure of the Closing to so occur (such breaching party, a "Proximate Cause Party"); provided, however, that if any Government Antitrust Entity has not completed its review of the Transaction or the transactions contemplated by the Friendco Purchase Agreement by such time, or either party determines in good faith at such time that additional time is necessary in order to forestall any action to restrain, enjoin or prohibit the Transaction or the transactions contemplated by the Friendco Purchase Agreement by any Government Antitrust Entity, and, in either such case, all conditions set forth in Article VI (other than Section 6.1(d)) have been satisfied or waived in writing by the party entitled to the benefit thereof or are immediately capable of being satisfied, then in either such case, such date may be extended by either party to a date not beyond October 31, 2006 (the "Extended Outside Date"); provided,

further, that if the Closing has not occurred by such date as a result of the failure to satisfy Section 6.1(i) by reason of actions by, or failure to obtain Governmental Authorizations from, any Governmental Antitrust Entity or the FCC, then such date shall be extended for an additional six months following the date that the Extended Outside Date would otherwise occur or (b) any Law (other than an order, judgment or ruling contemplated by Section 8.3(d)(ii) or 8.4(c)(ii)) permanently restraining, enjoining or otherwise prohibiting consummation of the Transaction shall become final and non-appealable.

Section 8.3 Termination by Seller. This Agreement may be terminated at any time prior to the Closing by Seller, by written notice to Buyer:

(a) prior to the commencement of the Confirmation Hearing, if (i) as of the date of such termination, Seller is not in breach of Section 5.10, (ii) the Board authorizes Seller, subject to complying with the terms of this Agreement, to enter into a binding written agreement concerning a transaction that constitutes a Superior Proposal and Seller notifies Buyer in writing that it intends to enter into such an agreement, attaching the most current version of such agreement (and all related agreements) to such notice (provided, that if such intention changes Seller shall promptly notify Buyer of that fact) and (iii) Buyer does not make, within five Business Days of receipt of Seller's written notification of its intention to enter into a binding agreement for a Superior Proposal, an offer which, thereafter, the Board determines, in good faith after consultation with its financial advisors, is at least as favorable to the stakeholders of Seller as is the Superior Proposal (taking into account, without limitation, financial terms of any termination fee that may be payable pursuant to Section 8.5(b) and the likelihood of consummation);

(b) if there has been a breach of any representation, warranty, covenant or agreement made by Buyer in this Agreement such that an executive officer of Buyer would be unable to deliver the closing certificate to Seller regarding Buyer's representations and warranties and Buyer's performance of its obligations as required pursuant to Section 6.3(a) and Section 6.3(b), respectively, and such breach or condition is not curable or, if curable, is not cured within 60 days after written notice thereof is given by Seller to Buyer; provided, however, that if, with respect to any such breach or condition that cannot reasonably be expected to be cured within 60 days, Buyer is diligently proceeding to cure such breach, this Agreement may not be terminated pursuant to this Section 8.3(b) for so long as (i) such breach is reasonably likely to be cured prior to the date on which this Agreement would otherwise be terminated under Section 8.2 and (ii) Buyer continues such efforts to cure; provided, further, that the right to terminate this Agreement pursuant to this Section 8.3(b) shall not be available to Seller if as of such time it is a Proximate Cause Party;

(c) prior to the commencement of the Confirmation Hearing, if (i) as of the date of such termination, Seller is not in breach of Section 5.10, (ii) the Board authorizes Seller to file a Superior Alternate Plan with the Bankruptcy Court and Seller notifies Buyer in writing that it intends to file such Superior Alternate Plan, attaching the most current version of such Superior Alternate Plan (and all related agreements and

supporting documentation) to such notice (provided, that if such intention changes Seller shall promptly notify Buyer of that fact) and (iii) Buyer does not make, within ten Business Days of receipt of Seller's written notification of its intention to file a Superior Alternate Plan, an offer which, thereafter, the Board determines, in good faith after consultation with its financial advisors, is at least as favorable to the stakeholders of Seller as is the Superior Alternate Plan (taking into account, without limitation, financial terms of any termination fee that may be payable pursuant to Section 8.5(b) and the likelihood of consummation); or

(d) if (i) at any time after the conclusion of voting on the Plan as established by the Bankruptcy Court, Seller's stakeholders who are entitled to vote on the Plan vote in sufficient number and amount against the Plan such that the Plan is not otherwise capable of being confirmed by the Bankruptcy Court or (ii) subject to compliance by Seller with the first sentence of Section 5.13(g), at any time after the expiration of 150 days following the entry of an order, judgment or ruling by a court of competent jurisdiction in the Reorganization Case denying entry of (or vacating), or that is inconsistent with the entry of, a Confirmation Order satisfying the condition set forth in Section 6.2(g), the Bankruptcy Court shall not have thereafter entered a Confirmation Order satisfying the condition set forth in Section 6.2(g); provided, however, that Seller may only terminate this Agreement pursuant to this Section 8.3(d)(ii) if at such time it would not reasonably be expected that a Confirmation Order satisfying the condition set forth in Section 6.2(g) shall be entered prior to the Outside Date.

Section 8.4 Termination by Buyer. This Agreement may be terminated at any time prior to the Closing by Buyer, by written notice to Seller:

(a) if there has been a breach of any representation, warranty, covenant or agreement made by Seller in this Agreement (assuming entry of the Confirmation Order) such that an executive officer of Seller would be unable to deliver the closing certificate to Buyer regarding Seller's representations and warranties and Seller's performance of its obligations as required pursuant to Section 6.2(a) and Section 6.2(b), respectively, and such breach is not curable or, if curable, is not cured within 60 days after written notice thereof is given by Buyer to Seller; provided, however, that if, with respect to any such breach or condition that cannot reasonably be expected to be cured within 60 days, Seller is diligently proceeding to cure such breach, this Agreement may not be terminated pursuant to this Section 8.4(a) for so long as (i) such breach is reasonably likely to be cured prior to the date on which this Agreement would otherwise be terminated under Section 8.2 and (ii) Seller continues such efforts to cure;

(b) if (i) Seller has not, by October 15, 2005, filed all motions reasonably necessary to obtain the Confirmation Order or (ii) if the Protections Order is vacated or modified in any material respect following the date hereof (except as modified pursuant to the order of the Bankruptcy Court entered on June 16, 2006);

(c) if (i) at any time after the conclusion of voting on the Plan as established by the Bankruptcy Court, Seller's stakeholders who are entitled to vote on the Plan vote in sufficient number and amount against the Plan such that the Plan is not

otherwise capable of being confirmed by the Bankruptcy Court or (ii) subject to compliance by Buyer with the first sentence of Section 5.13(g), at any time after the expiration of 150 days following the entry of an order, judgment or ruling by a court of competent jurisdiction in the Reorganization Case denying entry of (or vacating), or that is inconsistent with the entry of, a Confirmation Order satisfying the condition set forth in Section 6.2(g), the Bankruptcy Court shall not have thereafter entered a Confirmation Order satisfying the condition set forth in Section 6.2(g); provided, however, that Buyer may only terminate this Agreement pursuant to this Section 8.3(c)(ii) if at such time it would not reasonably be expected that a Confirmation Order satisfying the condition set forth in Section 6.2(g) shall be entered prior to the Outside Date; or

(d) following (i) the conversion of the Reorganization Case into one or more cases under chapter 7 of the Bankruptcy Code or (ii) the appointment of a chapter 11 trustee in the Reorganization Case;

provided, however, that the right to terminate this Agreement pursuant to Section 8.4(a), (b) or (c) shall not be available to Buyer if as of such time it is a Proximate Cause Party.

Section 8.5 Effect of Termination.

(a) In the event of the termination of this Agreement in accordance with Article VIII, this Agreement shall thereafter become void and have no effect, and no party hereto shall have any Liability to the other party hereto or their respective Affiliates, or their respective directors, officers or employees, except for the obligations of the parties hereto contained in this Section 8.5 and in Sections 9.1, 9.4, 9.6, 9.7, 9.10, 9.11 and 9.13 (and any related definitional provisions set forth in Article I), and except that nothing in this Section 8.5 shall relieve any party from liability for any willful breach of this Agreement that arose prior to such termination.

(b) In the event that (i) this Agreement is terminated by Seller pursuant to Section 8.2(a) prior to the entry of a Confirmation Order satisfying the condition set forth in Section 6.2(g) which has not been vacated by a court of competent jurisdiction and Buyer is not a Proximate Cause Party as of the date of such termination, or (ii) this Agreement is terminated (A) by Seller pursuant to Section 8.3(a), 8.3(c) or 8.3(d) or (B) by Buyer pursuant to Section 8.4(a) (but, with respect to the representations and warranties of Seller, only in the case of a willful breach by Seller), 8.4(b) or 8.4(c) except, in the case of this clause (ii)(B), in the event that Buyer is a Proximate Cause Party as of the date of such termination, then Seller shall pay Buyer, by wire transfer of immediately available funds, a termination fee of \$352,850,000 payable upon the earlier of consummation of an Acquisition or the effective date of a chapter 11 plan of Seller and/or one or more of its Affiliates approved by the Bankruptcy Court, which plan involves a substantial portion of the Assets of Seller and its Affiliates.

(c) The obligation of Seller to pay the amount payable under Section 8.5(b) (and the payment thereof) shall be absolute and unconditional; such payment shall be an administrative expense under section 507(a)(1) of the Bankruptcy Code and shall

be payable as specified herein and not subject to any defense, claim, counterclaim, offset, recoupment, or reduction of any kind whatsoever.

A matter set forth in one Schedule of the Seller Disclosure Schedule or Buyer Disclosure Schedule pertaining to Article III or IV, as applicable, need not be set forth in any other Schedule of such disclosure schedule pertaining to Article III or IV, as applicable, or on a Schedule corresponding to any other Section of Article III or IV, as applicable, so long as its relevance to such other Schedule or Section is readily apparent on the face of the information so disclosed. THE AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO PRINCIPLES OF CONFLICTS OF LAW. Seller irrevocably designates The Corporation Trust Company as its agent and attorney-in-fact for the acceptance of service of process and making an appearance on its behalf in any such claim or proceeding and for the taking of all such acts as may be necessary or appropriate in order to confer jurisdiction over it before the Chosen Courts and Seller stipulates that

such consent and appointment is irrevocable and coupled with an interest. Each party hereto irrevocably waives any and all right to trial by jury in any legal proceeding arising out of or relating to this Agreement or the transactions contemplated hereby.

If any provision of this Agreement, or the application thereof to any Person or any circumstance, is invalid or unenforceable, (a) a suitable and equitable provision shall be substituted therefor in order to carry out, so far as may be valid and enforceable, the intent and purpose of such invalid or unenforceable provision and (b) the remainder of this Agreement and the application of such provision to other Persons or circumstances shall not be affected by such invalidity or unenforceability, nor shall such invalidity or unenforceability affect the validity or enforceability of such provision, or the application thereof, in any other jurisdiction.

Section 9.14 Specific Enforcement. The parties agree that irreparable damage would occur and that the parties would not have any adequate remedy at Law in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that the parties shall be entitled to an injunction or injunctions to prevent breaches of Section 5.10 or Article VIII and to enforce specifically the terms and provisions of such Sections and, following entry of the Confirmation Order, the parties shall be entitled to an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement, such rights being in addition to any other remedy to which the parties are entitled at Law or in equity.
