WIRELESS TELECOMMUNICATIONS BUREAU ESTABLISHES DOCKET FOR THE FILING OF INITIATION PLANS, POST-TRANSITION NOTIFICATIONS, AND SELF-TRANSITION NOTICES IN THE TRANSITION OF THE 2500-2690 MHz BAND

WT Docket No. 06-136

By this Public Notice, the Wireless Telecommunications Bureau establishes a docket (WT Docket No. 06-136) to permit the electronic filing of Initiation Plans and Post-transition Notifications. It also permits electronic filing for those licensees that seek to self-transition (Self-transition Notices).

be undertaken by multiple proponents, and that the first entity to file an Initiation Plan with the Commission is the proponent for a given BTA.⁴ Entities that wish to file Initiation Plans under the rules set forth in the *3rd MO&O* must file on or after July 19, 2006, the date these rules become effective.⁵ Once a proponent completes the transition, the proponent must file a Post-transition Notification with the Commission.⁶

The *3rd MO&O* also permits licensees to self-transition if a proponent has not filed an Initiation Plan with the Commission on or before January 20, 2009.⁷ Licensees wishing to self-transition must notify the Commission by April 21, 2009 and must file modification applications with the Commission by April 19, 2011.⁸
