

Dear Commissioners:

Please don't allow more media consolidation. When different companies control the TV, radio and print news in my community they compete with each other to provide me better local and national news.

The role of the FCC is not to bend to the wishes of Corporate domination. It is to ensure the American Public is FAIRLY and LEGALLY represented. You have allowed the takeover of Our common airwaves for TV and Radio by a FEW. This does not represent the best interest of the American Public. It serves the Agenda of the same People Who profit from War. The same People who profit from stealing Election's. The same People who profit by destroying the Right's and Freedom's of the Majority to benefit a select few.

I don't want the same company that owns my TV station or my radio station to also own my newspaper I would just get the same news all over again.

I rely on the media to find out about national and local issues. I want to feel confident that I can get all the viewpoints I need to make well-reasoned decisions about these issues. I also want media outlets in my town to care about my needs and interests.

Thank you for your consideration of this important issue. I look forward to hearing from you about your efforts to ensure diversity, localism and independence in our media.

Sincerely,

Kory McFarland
