Dear Sir,

I have been using a TTY
to contact my two deaf brothers
for many years.

I am a hearing person,
and I remember our ~~joy~~ when
we were able to acquire and
use T.T.Y.'s - and now with
the newer electronic devices,
I can appreciate what these
advances mean to people
without hearing. Please don't

allow funds to be reduced
for these wonderful aids
to deaf people. Instead,
please see if funds can
be increased.

Someone who does not have
a deaf loved one might not
understand the changes'
significance, but I do. I
remember how hard it
was to contact my brothers, if
we needed to in a hurry and
how grateful we all were
for the T.T.F. - and now with
VRS and IP relay, life is
better for people who use
sign language and who lip
read.

Thank you for your service
to the public. Please put the deaf
people's needs first.

HELP STOP THE PROPOSED CUTS ON TTY RELAYS, VRS AND IP RELAYS PER BUSH AND FCC PROPOSALS

(IN CASE YOU DID NOT RECEIVE IN RECENT MAILS, PLEASE RESPOND BACK TO CHAIRMAN KEVIN MARTIN BELOW:)

ENSURE THE FUTURE OF VRS FOR YOU AND COMING GENERATIONS!

PRESIDENT BUSH AND FCC ARE CONSIDERING "CUTTING THE BUDGET FOR ALL RELAY SERVICES". ADDITIONALLY, THEY ARE REVIEWING A PROPOSAL TO ELIMINATE OUTREACH FUNDING, WHICH IS THE WAY THAT DEAF INDIVIDUALS LEARN ABOUT RELAY OPTIONS.

HERE IS WHAT THIS WILL MEAN TO YOU:

- * FEWER NEW INTERPRETERS
- * INSUFFICIENT INTERPRETER TRAINING
- * SLOWER IMPROVEMENTS IN HOLD TIMES

AS A MEMBER OF THE DEAF COMMUNITY, YOU KNOW HOW IMPORTANT THESE RELAY COMMUNICATIONS SERVICES ARE — YOU DEPEND ON THEM EVERYDAY FOR WORK OR HOME.

HELP STOP THE PROPOSED CUTS!

* BE HEARD - COPY/PASTE/PRINT/MAIL LETTER -OR- WRITE ON BACK OF THE POST CARD AT YOUR MOST CONVENIENCE BELOW:

You're About To Make CUTS TO TTY,
VRS, AND IP Relay Services! My wife
is Deaf + mute + I was IN PRISON FOR 4
Years with no contact with The outside
world except letters! wife is: CYNTHIA
ANN Lansberry, my mental Health Counselor
Dru Huff Refused To Allow me contact
Thru relay services! even when my Father
passed away, stating I didn't need The service
because I'm NOT the one who's Deaf my wife
is! when I was released 2 years later
ADA said it was To late to file complaint
only 180 days from incident Allowed!

Thank you AND God Bless!

Pastor: Gene Willard Craig Lansberry, Sr. D.D.
Mrs. Cynthia A. Lansberry, who
is Deaf & mute!

Dear Chairman Niven Martin
you shouldn't cut the
Relay services that is a
leak to the deaf & deaf & mute
way too talk to our doctor's
and family and 911 if we need help
right away if you and the
other people in government
cut the Relay services all of
deaf and deaf & mute people will
not have that when we all
get sick and the fever is really
high how could we have 911 to
help us or our spouse in having
a heart attack and we are deaf or
deaf and mute have to call 911 for
help if you take away the Relay
service come on use your guy's
brain that the heavenly Father
gave you now, if you guy's
have too cut money some
where where you start at the
Childrens Service Board you
all give them money see they
could take care of the childrens
incarcerated but they don't use
that money to take care
of the childrens they are
giving them self they turned
in their paycheck instead
using the money for the
childrens and putting money in
their pockets

gail on sex change in our
our dumb courts we have
in the U.S.A. today it like
putting innocent in front of
animals in the zoo be
thema going in front of a
judge's with C.S.B. work's
all in the courtroom
these days because judge's
do what C.S.B. work's want
them say and the same of
court's I point lawyer's will
throw the case for C.S.B.
work's could get their
own way in the courts
knew these days see the
C.S.B. work's get more money
from the Federal government
and state is giving children
service. Broad make money
after what taking good kid
way from good parents and
putting good father's in jail
on a sex change and not having
some one in the courtroom
just a day or a day I must know
what they are saying to
her or him I don't think
they do that in any court-
room I been in Mr. Chief
man Kevin Martin yes and the
rest of government should

Come and sit in the backrooms
and meet with them you are coming
and don't think you are everyone
else will see with your system
eyes Mr. Chairman Reardon making
them you will know why they
Relay between us as much as
put a desk at desk & make
postpone and have in other one
what if you could do this
government people are in
Kempster just feel please
CIP and you need some help you
having a breathing problem and
the center one would help you as
a desk & make a desk & make
CIP and you don't call 911 and
get some help and the desk
a desk & make desk we can't get
your help because you cut the
Relay between government
franchising funds and methods
else of agreement in that process
we have well getting the
help you make more than
meeting? see you should think
about using the way they
seem like because some day
you might need a desk & make
desk & make call 911 get help
don't make it worse for
Relay between

your wife or family problem
a person who is deaf or deaf
a mute when they call the
Relay services then and go
get everybody in the government
office also sit.
I am not talking about just
me now I'm talking about other
deaf or deaf + mute people who
use the Relay services. We
they could talk like this
deafies on the phone and they
could talk like their family
also turn at you with the
Relay services you be
making it hard for a deaf or
deaf + mute people that use
things like "couldn't do it"
cut off at you that it and
cut the phone services
then we deaf or deaf + mute
people will have a problem
other could have talk to
the deafies and those numbers
and call 911 just that will
be so dumb if you with
the Relay services
that the deaf or deaf + mute
could get help then
we don't do it. about

If you have two cuts
 anything cuts C.S.B. worked's
 money you guys give two
 them take care of the
 children's they are not using
 it for that they using
 it to bleed a new bill.
 for them and give them
 self's raised in their pay-
 checks get off your guys
 about and checks set out
 then what about you and
 the other government take
 a pay cuts in your pay-
 checks instead cuts Kelley
 reserves and school funds
 for our children also two.
 You all say one thing when
 you all running two get
 in the government office's
 and you get in the office's
 you don't want to do anything
 you say before we are tax-
 payer's vote you all in the
 office now.
 Some days you and the other
 people in the government
 might be deaf or deaf mute
 what you all do if there
 no Kelley reserves get
 you all can't use it talk
 two your sector's or

If you have two cuts
 anything cuts C.S.B. worked's
 money you guys give two
 them take care of the
 children's they are not using
 it for that they using
 it to build a new Bld.
 for them and give them
 self's raised in their pay-

 about and check it out
 then what about you and
 the other government take
 a pay cuts in your pay-

 might be deaf or deaf mute
 what you all do if there
 no Kelly reserves for
 you all can't use it talk
 two your doctor's or

Rite Aid or C.V.S. and
 other places you have
 to get your medical's refill
 so you have to use Relay
 services but they say we
 can't get the call through
 because government cuts
 out funding from the
 Federal government then
 you will have to go
 there make all the other
 people is getting mad because
 they have to now have
 to be doing things down
 because some one cuts
 Relay service's funding
~~now~~. If you what cuts
 anything cuts Children's
 service Broad money you
 all giving them and take
 a pay cuts also! Because
 all that doing very much
 of anything but doing cuts
 on schooling for our children's
 and now you what cuts
 Relay service funding that
 is dumbest thing's you
 what two cuts then.
