

Dear Commissioners:

Please don't allow more media consolidation. When different companies control the TV, radio and print news in my community they compete with each other to provide me better local and national news.

How many years has our government representing freedom of speech to countries as Russia, Cuba,(radio free Europe),etc at billions of our tax dollars in cost ,just to allow our own people to be denied the privilege of free speech and force feed the news and television,internet soon, with people such as Dan Rather to disinform our people with individually slanted newscast and lies. If this country continues to let the big corporations, the almighty dollar, the FCC, and corrupt news media to control what we can hear through their censoring, Next the newspapers will have censor police as in middle-eastern countries like Saudi Arabia blacking out the truth for what they want us to be led and brainwashed. I fought for freedom , and will not allow our freedom to be lost by the arrogant ones who want to control the others with their power given by the FCC. I say to hell with the FCC-Federal Communist Committee.Come on people, wake up and smell the corruption. If we let this pass, then next, we'll lose all of our rights, and we ARE ALMOST THERE. Sound off, tell the power groups what we won't allow. Let freedom ring. Wm Kiser, Alabama.

I don't want the same company that owns my TV station or my radio station to also own my newspaper I would just get the same news all over again.

I rely on the media to find out about national and local issues. I want to feel confident that I can get all the viewpoints I need to make well-reasoned decisions about these issues. I also want media outlets in my town to care about my needs and interests.

Thank you for your consideration of this important issue. I

look forward to hearing from you about your efforts to ensure diversity, localism and independence in our media.

Sincerely,
Wm Kiser
