Re: WT Docket No. 06-49
Ex Parte

Dear Ms. Dortch:

This is to inform you that, today, in connection with the above-referenced proceeding, the undersigned, on behalf of the Part 15 Coalition, had a telephone conversation with Aaron Goldberger, legal advisor to Commissioner Tate. The purpose of the call was to discuss the Commission's NPRM on possible changes to the M-LMS rules and the ramifications on unlicensed Part 15 devices operating in the 902-928 MHz band. The subjects discussed are covered fully in the Part 15 Coalition's pleadings in this proceeding and in the presentation that was provided in earlier *ex parte* letters filed by the Part 15 Coalition.

Please direct any questions regarding this matter to the undersigned.

Respectfully submitted,

Henry Goldberg
Attorney for the Part 15 Coalition
