- the maintenance of a record, for at least one year, of our own, and our affiliates' sales and marketing campaigns that use customer CPNI;
- the establishment of a supervisory review process regarding carrier compliance with the federal CPNI rules for outbound marketing situations;
- the establishment of annual certification by a corporate officer to ensure compliance with the federal CPNI rules; and
- the establishment of a procedure to notify the Commission of any instance where the opt-out mechanism did not work properly.
