Dear Ms. Dortch:

On behalf of Comcast Corporation (“Comcast”), this is to notify the Commission that on July 31, 2006, the appropriate affiliates or subsidiaries of Comcast have acquired the cable television systems and any associated Commission licenses from affiliates or subsidiaries of Adelphia Communications Corporation and Time Warner Inc. in accordance with the Commission’s approval of the above-referenced transactions. Further notification will be provided to the appropriate Commission Bureaus regarding the consummation of the assignments and/or transfers of control of individual licenses and authorizations.

In addition, approvals now have been received from each of the Local Franchising Authorities listed in note 890 of the Commission’s July 13 Order in this proceeding with respect to the cable systems designated for acquisition by Comcast. We note that Henry County, Virginia, has authorized Comcast to operate the affected cable system while a determination of the County’s rights of first refusal is resolved in judicial proceedings.
