Re: REDACTED – FOR PUBLIC INSPECTION IN WC DOCKET  
NO. 06-74 BEFORE THE FEDERAL COMMUNICATIONS  
COMMISSION

Dear Ms. Dortch:

In accordance and the instructions we have received from the Staff of the Wireline Competition Bureau, attached please find additional information regarding AT&T's Internet services customers. As further explained in the attachment, AT&T does not track certain of the data requested. In those cases, AT&T has made certain assumptions and provided estimates, in accordance with the Staff's request.

The attachment includes proprietary information that is commercially and financially sensitive and that AT&T would not in the normal course of business reveal to the public or its competitors. The attachment accordingly has been redacted pursuant to the Protective Order<sup>1</sup> in this proceeding. AT&T's complete response will be made available for inspection, pursuant to the terms of the Protective Order at the offices of Crowell & Moring LLP. Counsel for parties to this proceeding should contact Jeane Thomas of that firm at (202) 624-2877 to coordinate access.

Per the direction of the Staff, AT&T is filing with the Secretary today, under separate transmittals, a CD-ROM containing one copy of the complete unredacted data. AT&T is also providing to the Staff the copies of the unredacted data that have been requested.
