## SUPPLEMENTAL DECLARATION OF DAVID PROPER

I, David Proper, hereby declare:

1. According to billing reports submitted to NFL Enterprises LLC (the “NFL”) by Adelphia Communications and Comcast Corporation, Time Warner’s decision to discontinue without notice its carriage of the NFL Network on the cable systems transferred to Time Warner impacted 1.16 million NFLN subscribers. When it acquired cable systems from Adelphia and Comcast, Time Warner discontinued the NFLN service of 787,285 subscribers on Adelphia systems and 375,305 subscribers on Comcast systems.

2. Though Time Warner would know, first-hand, where it dropped NFLN from its newly acquired systems, NFL believes that NFLN was dropped from 137 Time Warner headends. This total includes cable systems in the following Nielsen Designated Market Areas: Albany-Schenectady-Troy, NY; Bangor, ME; Binghamton, NY; Buffalo, NY; Burlington-Plattsburgh, NY; Cleveland-Akron, OH; Dallas-Fort Worth, TX; Erie, PA; Green Bay-Appleton, WI; Los Angeles, CA; Portland-Auburn, ME; Syracuse, NY; Toledo, OH; Utica, NY; and Youngstown, OH. It is my understanding that head-ends are a general proxy for the number of systems dropped and the number of franchises involved, but the three concepts – head-ends, cable systems, and franchise areas – are not exact equivalents.

I declare under penalty of perjury under the laws of the United States of America that the foregoing declaration is true and correct. Executed on August 6, 2006.
