Re: **ET Docket No. 06-89**

Dear Ms. Dortch:

This is to advise that the undersigned and Tom Sullivan, representing Aerospace & Flight Test Radio Coordinating Council ("AFTRCC"), discussed World Radio Conference Agenda Item 1.5 with Mr. Dante Ibarra of the International Bureau Staff on August 8. During the course of that conversation, a passing reference was made to proposals in the above-referenced docket for use of the band 5000-5150 MHz for spectrum test bed purposes.

If you should have any questions regarding this matter, kindly contact the undersigned.

Respectfully submitted,

William K. Keane
AFTRCC Counsel
