CC Docket No. 00-257**

Dear Madam Secretary:

AT&T Inc, on behalf of its affiliate, AT&T California, pursuant to Section 64.1120 of the Commission's Rules, this letter provides notification of the transfer of certain California local exchange subscribers of Cable and Wireless USA Inc. ("Cable and Wireless") to AT&T California ("AT&T").

Cable and Wireless was unable to continue providing its customers telecommunications service in the above-mentioned region. To prevent disconnection of service for Cable and Wireless customers, AT&T began providing Cable and Wireless customers local telephone service, for an interim period, on August 11, 2006, AT&T provided these customers advance notice that their service will be disconnected as of September 11, 2006 unless they selected another provider. AT&T certifies that it has complied with the obligations specified in the notice and any other applicable statutory and Commission requirements. A sample notification letter is attached hereto.

Should you have any questions, please do not hesitate to contact me.

Sincerely,
