Dear Ms. Dortch:

Susanne Guyer and Ed Shakin of Verizon with Dan Gonzalez and Heather Dixon of the FCC this morning to discuss Verizon's views on the commercial availability of navigation devices, downloadable security, and the Petition for Waiver that Verizon filed on July 10. The discussion was limited to the material contained in Verizon's petition and its filings in the above referenced proceeding.

Please let me know if you have any questions.

Sincerely,

A handwritten signature in black ink that reads "Paul Brigner".
