Ms Morgan sent me her patented liberal response letter to block capitalism and commerce in the communications business. However, I have requisitioned a few new words that she probably would have preferred I not send.

**SUPPORT FREE COMMERCE AND FREE SPEECH.**

As the FCC reconsiders its media ownership rules, please allow more media consolidation from the Conservative perspective to counter the 99% dominance of the Liberal "News and Talk" on TV. When different companies like NBC, CBS, ABC and CNN control the TV, radio and newspapers in my community, they communicate the same LEFTIST BILGE thus making all their "diversity" THE SAME.. They do not "compete" with each other for the truth or to provide me better local and national news and information. Bias is alive and well and lives in almost every level of NETWORK "news" on air and cable.

I don't want the same Socialist perspective that owns my TV station to prohibit my radio station from broadcasting the truth . I now get the same news recycled Anti American, Anti Family, Anti God, Anti Bush, Anti Justice, Anti Truth about the War on Terrorism for all the different but really the same outlets.

I rely on my local RADIO media, Teamed up with Rupert Murdoch's News Corp to find out about the REAL NATIONAL and LOCAL issues. And I want to feel confident that I can get all the TRUTH I need to make well-reasoned decisions about these issues. Rush and Glenn and Mike and Mike and Mike and Laura and Hue and a dozen more, that would NOT have voice if the LIBERAL CONSUMERS UNION / HEARUSNOW.ORG, NBC, MSNBC, CBS, ABC AND CNN AND MOVEON.ORG had their way.

Surprise, surprise but America is about Capitalism and the small percentage that Rupert Murdoch's News Corp has taken out of the media pie is very small but THE VOICE is reaching the people and that pisses liberals off to no end.

Thank you for your consideration of this important issue. I look forward to hearing from you about your efforts to ensure TRUTH IN COMMUNICATION. To the LIBERAL, DIVERSITY, MEANS ANYTHING (AND EVERYTHING) BEFORE GOD, CHRISTIANITY, JUDAISM, COUNTRY,

ENGLISH, SELF DEFENSE, FAMILY AND LIBERTY .

Rupert Murdoch is far from having a MONOPOLY and requiring ANTI-TRUST action.  
Be true to the Capitalist Idea and let FREEDOM RING.
