Re: *AT&T, Inc. and BellSouth Corporation Applications for Approval of Transfer of Control*, WC Docket No. 06-74

Dear Ms. Dortch:

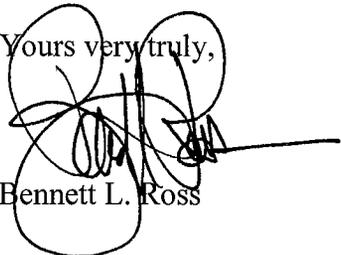

By this letter, BellSouth Corporation ("BellSouth") responds to three requests from the Staff of the International Bureau.

First, in 2004 and 2005, BellSouth Long Distance, Inc. ("BSLD") carried traffic over facilities that it owned or leased to the following international destinations: Argentina, Chile, Ecuador, Guatemala, Panama, Peru, and Venezuela.

Second, BSLD did not provide any international private line service using its own facilities in either 2005 or 2006.

Finally, with respect to facilities-based International Messaging Telephone Service ("IMTS"), BSLD did not provide IMTS to retail end user customers outside of BellSouth's region. BSLD's out-of-region IMTS traffic was limited to its international wholesale service, which was discontinued in April 2006.

We trust this information is responsive to the Staff's requests. Please include a copy of this letter in the record in the above-referenced proceeding. Thank you for your attention to this matter.

Yours very truly,

Bennett L. Ross
