Dear Robert McDowell,

The FCC clarification of the emergency captioning requirements was wrong. All emergency information must be captioned with no exceptions. I must be aware of emergency situations such as a terror alert or impending natural disaster.

I support the Application for Review of Clarification of Obligation of Video Programming Distributors to Make Emergency Information Accessible to Persons with Hearing Disabilities Using Closed Captioning, sent by seven national consumer organizations on August 14, 2006, CG-Docket # 05-231.

Sincerely,
