Dear Name 1,

Until very recently, Morris Communications had been providing your **local telephone service** over the resold facilities of AT&T Texas (AT&T). As you may be aware, Morris Communications is no longer able to provide your **local telephone service**.

To prevent your service from being disconnected without notification to you, AT&T began providing **local telephone service** to you on September 11, 2006, for a limited transition period. You can continue receiving this service through October 11, 2006, which is the last day of this limited transition period. You will be billed by AT&T for services provided to you during this transition period at our prevailing tariff rates. Rate information has been included along with this letter.

**Important:** You have a choice in selecting the **local telephone service** provider you want to provide service to you. To continue to receive service after October 11, 2006, you must arrange for service with one of the **local telephone service** providers in your area. Contact numbers for the local telephone providers in your area are available in your local telephone directory.

Should you wish to continue receiving AT&T service after October 11, 2006, please call our business office. The telephone number for the AT&T business office in your area is available in your AT&T White Pages directory.

If within one week prior to the date of this letter, your local telephone service was disconnected or you changed your **local telephone service** provider, please disregard this letter. **If you have any questions regarding this letter please call 1-800-667-1086.**

Sincerely,

Cheryl Becker
