Re: *Charter Communications, Inc. Request for Waiver of 47 C.F.R. § 76.1204(a)(1)*, CSR-7049-Z; CS Docket No. 97-80

Dear Ms. Dortch:

On September 15, 2006, Megan Delany of Charter Communications, Inc., and Paul Glist and Paul Hudson of Cole Raywid & Braverman, L.L.P, met with Jessica Rosenworcel, Senior Legal Advisor to Commissioner Copps, to discuss Charter's request for a limited waiver of the integration ban filed in the above-captioned proceeding on July 14, 2006. Charter explained that grant of the requested waiver would speed and facilitate its migration to all-digital networks and would save its most price-sensitive customers millions of dollars.

Charter also explained that the devices for which waivers are sought meet all of the criteria and limitations set forth in paragraph 37 of the *Second Report and Order* issued in CS Docket 97-80 on March 17, 2005.

If you have any questions regarding this matter, please contact us.

Respectfully submitted,

/s/

Paul Hudson
Counsel for Charter Communications, Inc.
