

As the FCC reconsiders its media ownership rules, please don't allow more media consolidation. As it is I only watch a few channels, none of ABC, CBS or NBC. Not being a liberal homosexual, I have no use for sitcoms, liberal news, anti religion programming & such presented by the big 3.

Allowing further consolidation will only reduce my TV watching further.

Also please eliminate TV by Internet. 900 channels of perversion, anti-US Constitution, anti-religion liberal programming will only interfere with my access to Internet.

Your willingness to permit & expand foul language, pornography & perversions on all channels at all times disgusts us. Permitting ads for same during the little decent programming is further evidence of your problem, your failing the FCC charter.

Thank you for your consideration of this important issue. I look forward to hearing from you about your efforts to ensure diversity, localism and independence in our media.
