**Re: Ex Parte Notice
Petition of AT&T Corp. and Alascom, Inc. for
Elimination of Conditions Imposed by the FCC on the AT&T-Alascom
Merger, CC Docket No. 00-46**

Dear Ms. Dortch:

On September 19, 2006, Jim Lamoureux and the undersigned of AT&T Inc. (AT&T) met with Al Lewis, Deena Shetler, Ann Stevens, Margaret Dailey, William Kehoe, and Gail Cohen, of the Wireline Competition Bureau and Paula Silberthau, Chris Killion and Diane Griffin Holland of the Office of General Counsel to discuss our petition and related issues.

Specifically, we continued our discussions about the history of the Tariff 11 obligations, how those obligations are addressed in the Commission's AT&T Reclassification Order, FCC Rcd 3271 (1996), and AT&T's position that carrier to carrier services, such as those offered under Tariff 11, may be offered by contract as well as by tariff in accordance with section 211 of the Act.

Consistent with Section 1.1206 of the Commission's rules, I am filing one electronic copy of this notice and request that you place it in the record of the above-referenced proceeding. Please contact me with any questions at 202-457-2321.

Sincerely,

/s/ Frank S. Simone
