

I don't want the same company that owns my TV station or my radio station to also own my newspaper. I would just get the same news recycled for a different outlet.

I feel that our news is already extremely filtered and becoming more and more biased towards the right. I don't want News that is biased one way or the other. I just want the facts, and it seems this is already difficult to do. I feel this will only make things worse. One of the things that sets the United states apart from other countries is a free press. I don't want to lose that.

Sincerely,
