Re: **Request for Extension of Time to File Construction Permit Application**  
Station KESC(FM), Okemah, OK (formerly Wilburton, OK)  
Facility Identifier Number: 83209  
MB Docket No. 05-166, RM-11228

Dear Ms. Dortch:

KESC Enterprises, LLC, licensee of Station KESC(FM), by its counsel, hereby requests an extension of time to electronically file a construction permit application on FCC Form 301 to implement the rule making identified above.

The Commission issued a *Report and Order* on May 12, 2006, in the aforementioned proceeding that amended the FM Table of Allotments to allot Channel 279C1 to Okemah, OK and advised KESC Enterprises, LLC, as the licensee of Station KESC, to submit a minor change construction permit application to specify this new community within ninety (90) days of the effective date of the *Report and Order*. KESC Enterprises, LLC is currently involved in negotiations for its preferred site location, but will need additional time to file the minor change application. Thus, KESC Enterprises, LLC respectfully requests a sixty (60) day extension of time, until November 26, 2006, to file its construction permit application for Channel 279C1 at Okemah, OK.

If there are any questions about this Request, please contact undersigned counsel for KESC Enterprises, LLC.

Sincerely,

Mark Lipp
