RE: Request for Information Concerning Applications for Consent to Transfer of Control of Licenses and Authorizations held by Guam Cellular and Paging, Inc and, Guam Wireless Telephone Company, L.L.C. to NTT DoCoMo, Inc., WT Docket No. 06-96, DA No. 06-947

Ms. Dortch:

On September 16, 2006, I received a request for subscriber data and coverage maps for Choice Phone LLC (“Choice”). Choice’s Chief Technical Officer, RF engineer and I have been out of Guam and the United States since receipt of the request and are unable to file a substantive answer to the request at this time. Choice will be able to provide the Commission with the requested information not later than October 13, 2006.

On September 27, 2006 Robert Kelley, our Chief Technical Officer, spoke with Katherine M. Harris, Deputy Chief of the Mobility Division, of the Wireless Telecommunications Bureau regarding the inability of Choice meet the requested deadline. She advised that written notice be provided to the Commission stating the reasons for the delay and expected filing date. Therefore, an electronic copy of this letter is being filed in the above-referenced Docket.

If you have any questions regarding this notification, please contact the undersigned.

Respectfully submitted,

/S/ Richard Yu
