Re: Request for Information Concerning Applications for Consent to the Transfer of Control of Licenses and Authorizations Held by Guam Cellular and Paging, Inc., and to the Assignment of License Held by Guam Wireless Telephone Company, LLC to NTT DoCoMo, Inc., and Petition for Declaratory Ruling, WT Docket No. 06-96 (File Nos. 0002556700 and 0002553437)

Dear Ms. Dortch:

On behalf of Pulse Mobile, LLC ("Pulse"), enclosed is a redacted version of the information regarding Pulse's mobile wireless service subscriber counts and coverage information as requested by Katherine M. Harris, Deputy Chief, Mobility Division, Wireless Telecommunications Bureau by letter dated September 15, 2006. Pursuant to the protective order issued on September 15, 2006, DA 06-1877, the subscriber counts, which are marked as confidential information, are not included in this redacted version. The coverage information, which is not marked as confidential, is submitted in CD-ROM format. Because Pulse does not provide any coverage of the Commonwealth of the Northern Mariana Islands, the coverage information provided is for Guam only.

Please address any inquiries regarding this matter to the undersigned.
