**ERRATUM TO COMMENTS OF METROPCS COMMUNICATIONS, INC.**

MetroPCS Communications, Inc. ("MetroPCS"),<sup>1</sup> by its attorneys, hereby respectfully submits this Erratum to its Comments filed September 29, 2006 in the captioned proceedings. Due to a typographical error, MetroPCS, in its Proposed Upper 700 MHz Band Plan, mistakenly identified the number of licenses in the C Block for an economic area ("EA") as 52. The correct number is 176. This correction has been made on pages ii, 11, and Attachment 1, page 1. A redlined comparison of the corrected pages is attached as Attachment A. A complete and correct copy of the entire pleading is attached as Attachment B.

Respectfully submitted,

**MetroPCS Communications, Inc.**
