Rev. Jackson,

The Federal Communications Commission (Commission) received your letter dated April 26, 2006, informing the Commission that Springfield Community Church is in the process of negotiating a closed captioning agreement with its distributor and "should have closed captioning for its 'Living Word of Faith' telecast within the next 30 days."

If we do not hear from you within 30 days of the date of this letter, the Commission will issue a Public Notice dismissing Springfield Community Church's petition for exemption from the closed captioning requirements based on the undue burden standard (CGB-CC-0090).

Sincerely,

A handwritten signature in cursive script that reads "Amelia Brown".
