## **Petition for Exemption from Closed Captioning Requirements**

### **Introduction**

Christian Fellowship Church is located in the community of Harlingen Texas and was founded on Easter Sunday of 1982. Our objective are to be a dynamic, spiritual, perpetual organism empowered by the Holy Spirit to share Christ with as many people as possible in our church, community and throughout the world. To be a worshipping fellowship, experiencing an awareness of God, recognizing His person and responding in obedience to His leadership. To experience an increasingly meaningful fellowship with God and fellow believers. To help people experience a growing knowledge of God and man. To be a church which ministers unselfishly to persons in the community and the world in Jesus' name. And to be a church whose purpose is to be Christ like in our daily living by emphasizing total commitment of life, personality, and possessions to the Lordship of Christ.

The title of Christian Fellowship Church's program is The Bridge and consists of the material that was put forth from the pulpit the Sunday prior to its airdate. Each episode is approximately a half-hour in duration and is aired weekly on Sunday evenings at 10:30 pm on the local broadcast station KGBT 4. The program is produced by volunteers from the church and is edited by a member of the church staff. Our program airs throughout the Rio Grande Valley of south Texas.

In the interest of continuing to provide a message of hope and encouragement to the Rio Grande Valley and for the reasons set forth below, Christian Fellowship Church hereby requests an undue burden exemption from the closed captioning rules for The Bridge, pursuant to § 79.1(f) of the Commission's rules.

### **Nature and Cost of Closed Captions**

The National Captioning Institute Charges \$575.00 per hour for Time Roll Up Captioning or \$875.00 per hour for Pop On Captioning [referred to us by our programming distributor KGBT4]. There would also be a weekly tape charge of \$25.00 and a weekly shipping charge of \$70.00. Video Caption Corporation, a company found on the internet at [www.vicaps.com](http://www.vicaps.com), will caption our weekly program for \$200.00 plus a tape and shipping fee. [Representative named Justin, 21 December 2005]. A phone call to the National Captioning Institute, [Representative Ryan, 21 December 2005] turned up a quote for \$347.50 per week plus shipping.

### **Impact on the Operation of the Program Provider**

The total cost of producing The Bridge for 2005 will be \$30,953.94. Each episode costs \$600.00 to air and \$6.94 for other materials such as 30min BetaSP tapes. Closed captioning for our weekly program would be \$347.50 and would increase our weekly production cost by roughly 58%. Closed Captioning thus constitutes a significant expense that places an undue burden on Christian Fellowship Church, which would have no choice but to discontinue the program.

### **Financial Resources of the Program Provider**

Christian Fellowship Church is tax-exempt (documentation is attached) being a church, our main source of income is through that of tithes and offerings put forth by the members of our congregation. Profit & Loss Statement is attached hereto and made a part hereof. We do not solicit any money or products during our broadcast programs. We rely solely on the offerings of our parishioners.

### **Type of Operations of the Program Provider**

The primary operations of Christian Fellowship Church are to offer guidance, hope, and encouragement and help to our community and throughout the Rio Grande Valley. We do this through Sunday morning and Wednesday night services, Small groups, and special meetings for Men, Women, and Youth.

### **Other Factors**

Christian Fellowship Church believes that the local, non-news exemption to the closed captioning rules also applies to The Bridge. As noted above the program is produced and distributed locally, and the sermons of Christian Fellowship Church are of primarily local public interest. The episodes are not news, they do not have repeat value, and the electronic newsroom technique is not available, notwithstanding the applicability of the exemption, we have filed this petition in abundance of caution and for the purpose of establishing certainty.

Even though closed captions has been a long time in the making, we (Christian Fellowship Church) have only recently been aware of this necessary change. Christian Fellowship Church first learned about the FCC requirement for closed captioning on 15 December through an account representative from KGBT4.

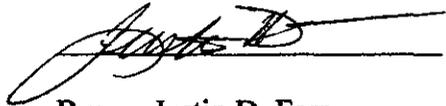

## Conclusion

While Christian Fellowship Church believes that giving greater programming access to the hearing-impaired public is an important and greatly appreciated action, the closed caption requirement will place an undue financial burden on Christian Fellowship Church.

As shown by this Petition and its attachments, the Commission should grant a waiver of the closed captioning requirements in this case, because requiring closed captioning would create an undue burden. The costs of captioning would be excessively high and would have a significant impact on Christian Fellowship Church's operations. Christian Fellowship Church's type of operations and financial resources are different in kind and magnitude from a mainstream programming provider. Because of the significant difficulty and expense of providing closed captions, a waiver under §79.1(f) is warranted. If more information is needed, please contact me at the address provided below.

Respectfully submitted,

Christian Fellowship Church
