Dear Deena Hoffman:

This letter is to notify you that the Schools and Libraries Division (SLD) has received your FCC Form 470, "Description of Services Requested and Certification Form," although we have NOT yet received your Block 5 signed certification page, either online or on paper. This letter provides important information about program rules. Please read this letter carefully and retain it for your records and future reference.

The Form 470 Application Number listed above has been assigned by the SLD and will be used to track your Form 470. This number must be provided on each FCC Form 471, "Services Ordered and Certification Form," Block 5 Funding Request that cites this Form 470. Any applicant who relies on this Form 470 will need to know this Form 470 Application Number. You may wish to share this number with those schools and/or libraries featured in this application to assist them in their preparation of the Form 471.

The purpose of the Form 470 is to open a competitive bidding process for the services desired. The Form 470 applicant is responsible for ensuring an open, fair competitive process and selecting the most cost-effective provider of the desired services with price being the primary factor. The Form 470 must be completed by the entity that will negotiate with potential service providers. A service provider who will participate in the competitive bidding process as a bidder cannot complete it. Please be aware that if a service provider was involved in the preparation or certification of your Form 470, this involvement could taint the competitive bidding process and result in the denial of your funding requests.

FCC rules require that requests for non-contracted tariffed or month-to-month services and requests for new contractual services be posted on the SLD section of the USAC web site for a period of at least 28 days before selecting a vendor in order to provide for a competitive bidding process. If you indicated on your Form 470 that you have an RFP, that RFP must also be available to potential bidders for at least 28 days before selecting a vendor. In addition, if you are seeking support on your Form 470 for the first time for services delivered under a multi-year contract signed on or before July 10, 1997, the SLD cannot process your Form 471 until the 28-day waiting period has elapsed.
