

Freedom is no longer Free in the US. This WW 11 Two widowed mother of two Vietnam Vets, is quite disheartened and angry to see Capital Hill selling their constitutional oath for lobbyists donations. The Bill of Rights was written as our Golden Rule, not "he who has the gold makes the rule," so we can't save America or save Bill of Rights unless we have the grit to recall every elected official who guilty of violating their oath. Willowdean W. Vance, USAF Widow of M/Sgt Rudy L.Vance, pledged to: Advance with Vance (Payson,AZ.)
