Re: MB Docket No. 03-15  
Supplement to Request for Waiver of July 1, 2006 Digital Replication Deadline  
WTLH-DT, Bainbridge, Georgia, Facility ID No. 23486

Dear Ms. Dortch:

WTLH License Corp. (“WTLH License”), permittee of WTLH-DT, Bainbridge, Georgia, Facility ID No. 23486, by its attorneys, hereby supplements its request for waiver and a six month extension of the July 1, 2006 replication/maximization deadline (“Replication Deadline”). On July 3, 2006, WTLH License submitted a request for waiver of the Replication Deadline because, due to circumstances beyond its control, WTLH License had been unable to implement its full authorized facilities for WTLH-DT prior to the Replication Deadline.

By this letter, WTLH License notifies the Federal Communications Commission (“Commission”) that it has completed construction of the digital facilities authorized in its construction permit. *See* FCC File No. BMPCDT-20060616ABS. On October 20, 2006, an application for a license to cover WTLH-DT’s facilities was filed with the Commission, which application is pending. *See* FCC File No. BLCDDT-20061020ACP. Accordingly, further waiver of the Replication Deadline is unnecessary.

Sincerely,

/s/ Tom W. Davidson, Esq.
