MOTION TO WITHDRAW

On March 12, 2004, OnStar Corporation submitted a Petition for Reconsideration and Clarification of the Commission's Order released on December 1, 2003 in the above-captioned docket.¹ OnStar currently believes that important engineering uncertainties relevant to the petition have been resolved in a manner that allows withdrawal of the petition. Thus, OnStar moves to withdraw its Petition and requests the Commission to consent to such withdrawal.
