Re: Special Access Rates for Price Cap Local Exchange Carriers
Ex Parte in Docket WC 05-25

Dear Ms. Dortch:

On October 26, 2006, I spoke with Deena Shetler of the Wireline Competition Bureau concerning matters raised in the docket above. In particular, we discussed the allocation of discounts among circuits and MSAs under BellSouth's various discount plans available to purchasers of special access.

Pursuant to Commission rules, please include a copy of this notice in the record of the above proceeding. If you should have any question regarding this submission, please contact the undersigned.

Sincerely,

Jonathan Banks
