Re: Notice of Oral Ex Parte Communication
In the Matter of Review of AT&T Inc. and BellSouth Corp.
Application
For Consent to Transfer of Control, WC Docket No. 06-74

Dear Ms. Dortch:

On Tuesday, October 31, 2006, Gary Phillips, Len Cali, Joan Marsh and I had a several telephone conversations with Michelle Carey, Senior Legal Adviser to Chairman Martin and Thomas Navin, Wireline Competition Bureau Chief, where we responded to questions related to the aforementioned proceeding. During the course of those conversations, we responded to questions regarding the issues identified in the ex parte previously filed by AT&T on Friday October 13, 2006 and the Oppositions filed thereto. Specifically, our responses focused in the areas of special access, naked DSL, ADSL Transmission Service, Internet backbone, cable VOIP interconnection and the Tunney Act. Our conversations were consistent with all of the filings made by AT&T and BellSouth in this proceeding.

One electronic copy of this Notice is being submitted to the Secretary of the FCC in accordance with Section 1.1206 of the Commission's rules.

Sincerely,

cc: Michelle Carey
