Re: WC Docket No. 06-74, Support for AT&T BellSouth Merger

Dear Commissioners:

I am writing to urge expeditious approval of the BellSouth / AT&T merger. The Community & Economic Development Council is active in the south Florida area. We have offices in Broward, Palm Beach and St. Lucie Counties. I know the factors, from infrastructure to workforce, that set communities apart and poise them for economic growth. This merger will address one of the most critical needs required of any community seeking to grow its economy and new jobs - ubiquitous broadband Internet access.

The proposed AT&T / BellSouth merger could be the catalyst for dynamic economic change in Broward, Palm Beach, and St. Lucie Counties. As a proposed condition of the merger, AT&T and BellSouth have committed to deliver affordable and universal access to broadband, including:

- A new residential broadband offering set at \$10 per month, affording many rural communities a viable alternative to dial access;
A pledge to provide broadband Internet access to all residential living units in the AT&T / BellSouth service area, providing economic developers a necessary tool to recruit new economic development prospects to our rural communities.

The merger of these companies will significantly enhance the economic viability of the communities we serve. I ask you to approve the AT&T / BellSouth merger without further delay.

Sincerely,

[Handwritten signature of Skeet Jernigan]
