

Applicant Name: Amesbury School District

Billed Entity Number= 120423

Form 471 Application Number= 524312

Funding Request Number= 1447800

I am appealing the decision of the USAC to deny our request for funding regarding this service- Internet Access. The referencing contract we are using is a state wide contract which I am attaching to this comment and the signing of this state wide agreement IS within the filing window of the Form 470/471 posting. All schools in the state of Massachusetts reference this contract as their 'contract in place' . Why cant Amesbury Public Schools reference this contract as well? Please help us and reconsider the USAC's position on this award.

Thank you
