

Dear FCC In Reference to RM 11347

While Mr. Zook's (K9STH) intentions may be to correct improper identification procedures he has heard. These operators that Mr. Zook (K9STH) is speaking of are not following the regulations now. If you make the regulations more difficult they will still not follow them. I feel that Mr. Zook needs to get the word out through local clubs, or whatever means he can that those Amateur operators that do not follow the FCC regulations are taking the chance of having their Amateur License, suspended or revoked. I am not in favor of this proposed change.

Thanks, Michael L Cline (KI4MHA)
